

MICKIE SAYS

YOU'RE RIGHT, MICKIE! A MAN WHO SNEAKS OUT OF PAYING HIS BACK SUBSCRIPTION BY REFUSING THE PAPER AT THE POSTOFFICE IS A PESKY POLECAT AND AN ORNBRY HYENA, BUT STILL IT WAS POOR JUDGMENT FOR YOU TO TELL HIM SO TO HIS FACE, FOR HE FEELS MEAN ENOUGH ALREADY, AND I CAN SUE HIM AND GET THE MONEY.

Sour Stomach
This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.—ad

HAND IN HAND

To be sure the hill-road from Halfway to Richland is steep, rough and rocky. It does not seem so, however, to Frank Gibbon, industrious young Eagle Valley farmer, even though during the last few months, he has oft journeyed that way alone.

However, the road never seemed so smooth and the journey so ideal to him as it did in the quiet Sunday evening of June 23rd. The reason is simple enough; this time he wasn't alone. By his side there sat a sweet-faced bride; a few hours before she had been Miss Besmer May Hearn. The words that made her Mrs. F. J. Gibbon had been spoken at two o'clock p. m. the same day by Elder B. M. Grandy of Walla Walla. The beautiful ceremony was performed in the presence of a number of relatives and friends assembled neath the spreading trees in the front yard of Mrs. Hearn's home, two miles north of Halfway. Many beautiful and appropriate gifts were received by Mr. and Mrs. Gibbon, who will be "at home" after June 30

on the Gibbon farm south of Richland.

Life's road may sometime be steep, sometime rough and rocky, and still life's journey be smooth and ideal to these happy ones, who, hand in hand, pass tranquilly onward thru the vista of years toward the end of the journey. May this be the experience of this young couple is the sincere wish of a host of friends.

Only a Funny Story.

An ex-farmer who was running a thrifty little bank was asked by a friend how he happened to go into the banking business. He explained as follows:

"Well, I just rented a vacant store room and put up a bank sign. First day a fellow come along and left a couple hundred dollars with me. Next day another fellow left a couple hundred and by that time I had enough confidence in it that I put in a couple hundred myself." We have confidence enough in this community to invest all our capital and surplus here and we try to earn the full confidence of the entire community by being square and fair in all dealings.
