Nothing is of more interest to our readers than letters from the "home boys" in United States service. We are anxious to publish them (omitting such of the contents that are of personal interest to the addressee). Bring in the letters and do our family of readers a favor.

Summer Complaint.
 During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. F. Scott, Scottsville, N. Y., states: "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."—adv

Teaching the Boys to Sing.
 A distinguished young musician recently joined the English army for the purpose of teaching the boys to sing. Attached to the royal air force, he has been commissioned to train the men at the various centers in choral singing, thus dispensing with the necessity for bands. The effect upon the spirits, the morale and the discipline of the men has been excellent. They have developed a keen interest in singing, and many of them have been found, to their own surprise, to possess excellent voices. In view of the success of the movement, it will probably be extended to other branches of the army, especially where the formation of a band is out of the question.

Ask Anyone Who Has Used It.
 There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.

One of Der Kaiser's Prayers

Gott, will you be mine partner?
 You don't know who I am?
 I am the German Kaiser,
 Der Emperor Willie I Am.

You know I whipped dem Belgians,
 Und mit bullets filled Russia full
 Und I'll whip France and Italy
 Und blow up Johnnie Bull.

Now for them other nations
 I don't give a damn,
 If you yust be mine partner
 Und help whip Uncle Sam.

You know I got dem submarines;
 All Europe know dot well.
 But dot Edison gets a patent now
 Vot blows dem all to hell.

Now, Gott, if you will do dis;
 Den you, I'll always love,
 Und I'll be emperor of the earth
 Und you'll be emperor above.

But, Gott, if you refuse me this,
 Tomorrow night at eleven,
 I'll order all mine zeppelins out
 Und declare war on Heaven.

I wouldn't ask this from you
 If it couldn't be plainly seen,
 Dot when Edison pushes the button
 I've got no submarine.
