### CAN OREGON REPEAT?

The vaults of the U. S. Treasury again need refilling. Ever increasing expenditures necessary to hasten the end of the War, the Keeping-up and Backing-up of "Our Boys," the Sustaining of the Allied Nations and their Peoples, the Perpetuation of Democracy and Destruction of Autocracy—require the unstinted sacrifice—the DO YOUR BEST, NOT SIMPLY "BET," of every true American.

The Eve of the 4th Liberty Loan is here. FIRST in every patriotic endeavor, OREGON

cannot, will not, shall not falter NOW. With more to work for, more to give for, more to sacrifice for—every true Oregonian will make it his duty to see that Oregon DOES REPEAT—by going over the top FIRST once again.

While the campaign does not officially start until September 28th, we will so voluntarily pledge our subscriptions and anticipate our quotas that in this town, this county and this state IT WILL BE OVER WHEN IT'S OPENED.

Experience the Best Teacher.  
It is generally admitted that expe-  
rience is the best teacher, but should we  
not make use of the experience of others  
as well as our own? The experience of a  
thousand persons is more to be depended  
upon than that of one individual. Many  
thousands of persons have used Cham-  
berlain's Cough Remedy for coughs and  
colds with the best results, which shows  
it to be a thoroughly reliable preparation  
for those diseases. Try it. It is prompt  
and effectual and pleasant to take.

B. F. Mitchell of Sparta made  
this office a pleasant call Satur-

has two sons in army service; H.  
P., stationed at Camp Wheeler,  
Ga., and L. B., who is at Camp  
Funston, Kansas.
