**LIBERTY BOND OR—**  
 By Helen M. Cummings.  
 Some day is your boy going to ask you why When need was urgent, stress was great, Your help was not forthcoming? When, in Hell's fray, he stubbornly fought to hold the Hun, Wounded, suffering, almost spent, breathing a prayer— "God give me strength to keep this bread moist from Home, From all I love, from my fair land, America." In older days, a battle raged, and so the story goes, That just as long as were upheld the Leader's hands, So sured the tide of victory, Are you then going to help those boys of ours— Your boy and mine— Uphold their hands and help them save the free man's Right? Or—tell them and for avenge, be slaves to Musty's Might?

The More Bonds the Fewer Casualties.

You know down in your heart that the Yanks are the fastest, hardest, most determined fighters on earth. They don't have to be coaxed to do their duty—they do it cheerfully and willingly.

Are you as true, as brave, as willing to do YOUR DUTY?

Will you not LOAN YOUR DOLLARS with the same spirit of unselfishness as they GIVE THEIR LIVES?

If so, BUY LIBERTY BONDS. Do not wait until some one calls on you—go to the bank today like the free-minded, red blooded, liberty-loving, gun-hating, true American that you are and BUY to the limit! Then for very good limit BUY SOME MORE!

**"Baker Organizes Early."**  
 T. G. Montgomery is chairman of the executive committee of Baker County, and in the recent meeting at the Commercial Club the County's organization was specifically placed on its feet.

**"Klamath Voices Sentiment in No Uncertain Terms."**  
 Strong feeling exists in one of the districts of Klamath regarding a ranch operator, reported to be one of the wealthiest of the community. He has so far failed to participate in any of the Liberty Loans. The committee which has been discussing the matter promises some interesting history in the event that this rich slacker does not subscribe.

**"Deschutes County Confident."**  
 The Committee looks for a real "walk-away." C. S. Hudson reports splendid success throughout the County, with extremely heavy co-operation from women's organizations which are active, not only in the city of Bend but throughout Deschutes County.

**"Wallowa to Be All Volunteers."**  
 The committee of Wallowa County has asked that every one make their purchases without solicitation. Volunteers have been asked to subscribe a week in advance of the beginning of the drive. It has also particularly requested that residents of the different communities be careful to assign their subscription to their own district.

**"Washington County Depends on Patriotic League."**  
 At the recent conference of the Washington County Board, the Loan committee decided to use the machinery of its well organized Patriotic League. A canvass will be conducted with the school district as a unit, and will handle their bonds through their banks, crediting them to the bank located in the district.

**"Yamhill County Women Active."**  
 Women are taking an unusual interest in the campaign in Yamhill County. They are relieving the men from many of the duties of the drives as they are needed to harvest the fruit crop and other products.

**"Polk County Enthusiastic."**  
 Polk County, according to report, has plans under way of which it is saying very little. It is very certain, however, that the quota will be promptly subscribed.

**"Lincoln County to Use Soldiers."**  
 With 3000 soldiers in Newport and surrounding territory, the Liberty Loan Committee of Lincoln County expects substantial assistance from the men and officers situated there. Lincoln anticipates no trouble in speedily raising its full quota.

**"Jefferson Depends on Organization."**  
 Under the leadership of Howard W. Turner, whose record of efficiency is recommendation enough for any plans that may be under way, the organization of Jefferson County is complete, with another patriotic record as a goal. Madras is to have its big "Mothers' Parade" on September 21st. Rating cards and subscription applications will go out September 17th. Madras plans to use slacker lists if necessary.

**"Linn County Depends on Quotas."**  
 Linn County has its campaign of establishing quotas almost finished. It is planned to make every subscription a volunteer.

**"Marion County Ready for Hard Work"**  
 Owing to the shortage of crops and loss of laboring population in the cities Marion County feels that its task will not be small and has accordingly made its organization and plans proportionately larger. The campaign will be a far-reaching one.
