

The more bonds you buy the fewer boys will die

RICHLAND, OREGON, THURSDAY, SEPTEMBER 26, 1918

\$1.50 A YEAR

## OUR QUOTA \$40,000

On a basis of a six billion dollar issue for the Fourth Liberty Loan the apportionment for Baker county has been set at \$700,000. Taking the bank deposits of the various districts as a basis, the quotas of the different districts have been set as follows:

Baker -	\$505,000
Haines -	70,000
Pine Valley -	55,000
Eagle Valley -	40,000
Huntington -	20,000
Sumpter -	10,000

While it is conceded that the quota for Eagle Valley is rather large, we have confidence that the sum will be subscribed, and the matter is moving nicely. At last accounts about \$9,000 had been written at the Eagle Valley State Bank and the soliciting committee reported close to \$10,000 last evening.

Every person in this community should feel an individual responsibility and do his or her individual part in winning the war—and there is not one who can not help win the war.

To do your part at this time you must lend every dollar you can spare to our Government that the supreme sacrifice made by thousands of Americans and by millions of our allies will not have been made in vain. Buy Liberty Bonds and invest every cent you can possibly spare—and do it willingly.

It is no act of charity to buy Liberty Bonds. Buying Liberty Bonds is to save your wife, your mother, your daughter, your sister, from the last degradation which women can suffer, as in Belgium and France, and to save your property and your nation from destruction.

The Federal Committee has requested that we publish the list of Fourth Liberty Bond buyers and we will commence to do so with next week's issue.

### Is Getting Along Fine

Mrs. Geo. F. Thompson received the following letter from her son, Fred:

"Am getting along fine. Got a shot in the arm yesterday; don't have to work today as it makes your arm sore for two days. There are lots of men arriving every day—10,000 are coming this week. We have to drill pretty hard but after you get used to it it don't seem so hard. We get up at 5:45 and have six minutes in which to dress, get our gun and fall in line. In another week I expect to be changed from the Depot Brigade but don't know where. Some of the boys that have been here three weeks are moving now. I saw Jim Macy and Ralph Byrne the other night. Jim Harvill got sick and had to go to the hospital. We can go to a picture show every night if we want to. This camp is between two mountains, timber comes to the edge of the camp on both sides; it is 1 1/2 miles to American Lake and many of the boys go over there and go swimming."

## TAKEN TO PORTLAND

Sherman Dufur was taken to Baker last week, charged with making seditious and disloyal remarks. He was given a hearing and bound over to the Federal Grand Jury, and being unable to secure bonds, was taken to Portland last Friday by Deputy U. S. Marshal Mass.

It appears that at the time Lieut. Roosevelt lost his life Dufur expressed the wish that the huns would get the whole Roosevelt family and made other similar remarks. The man had shown no disloyalty previously, although he had many times declared a great disliking for Roosevelt, and it is believed by many that the man's mind is unbalanced to a certain extent. But that does not condone his action—no person can express delight at the death of any man in service against the huns and "get by."

The time has come when our citizens will not tolerate any disloyal actions or remarks, and there are a few other men in this community that had better be a little more careful else they too may occupy a cell.

### Notice to Subscribers.

The government compels us to discontinue all subscriptions not paid in advance, orders to that effect being received Tuesday evening. We must comply, and are mailing a statement to every subscriber who is in arrears, and unless the subscription is paid by Oct. 15th the paper will stop.

As per our announcement several weeks ago, the News will be \$2 per year after Oct. 1st but all advance subscriptions sent in before Nov. 1st will be taken at the old rate—\$1.50 per year.

Watch for your statement and remit promptly so as not to miss an issue.

### Is Feeling Fine.

Mrs. W. J. Densley has received a letter from Mel Thompson, dated August 28th, in which he says:

"I am feeling fine, haven't been sick a day since I have been in the army. I and Harry are still together, but I don't know where Byron is. We have a hard time to get tobacco here so I wish you would send me a dozen cans of Tuxedo if you will please."
