A Letter From Camp Lewis

Camp Lewis, Wash., Sept. 23.
To the readers of the E. V. News:

I am enjoying myself at Camp Lewis. We arrived here about three o'clock on the morning of the 6th. They had a meal ready and we sure were glad for that. After about an hour and a half we were shown our bunks which we crawled into. Reveille at 5:45 so we didn't get much sleep that night, in fact I didn't get any.

The first day or two I was homesick for E. V., but after meeting former friends, some from Eagle and some from Nampa where I attended school last winter, I feel more at home. I also saw Chas. Macy from Sparta. Have not yet been assigned my full uniform but have been doing some hard drilling. They are giving us three months' training in three weeks, so you see the result. We are going to be sent across soon, considering.

It is not all of life to live, but after this, the judgment. I am glad I have made my peace, calling and election sure.

We may be transferred at any time. Fred Bluhm and others whom I knew have been shipped to Camp Grant.

Yours in Service,
Russell Mitchell,
27th Co., 166 D. B.

Sour Stomach

Eat slowly, masticate your food thoroughly, abstain from meat for a few days and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to cut them out.

MAKE YOUR ANSWER NOW

Are we going to take hold in the "good old American way?"

We have not had to go through hardships—ours have been an easier part. We have known little of sacrifice or deprivation. Compared with the offering of our boys, we have done nothing as yet. And now, here is the challenge sounded to us.

The good old American way is all that is asked of us. What is that way?

You must frame the answer, mothers and sisters of the west. Yours is an important part in the reply which the nation will make to the boys overseas. There is not one of us who would not spare her son if she could—yes, even spare some other mother's son the pain and hardship he must bear. We are not asked to do that. We could not, though we would.

But we can make his part easier to bear, we can go with him through the hardships, by lending completely of our money.

There is no longer need to explain what a Liberty Loan is. There is no more necessity for pointing out reasons for participation in it. This is the day when but to hear its call is to insure its heartiest support.

September 28th is the date set for our concerted reply through the Fourth Liberty Loan. Let us take hold in "the good old American way." What is the very most you can do to make that advance a smashing success like the boys over there are making?

You Can Stop These Casualties Quickly

The Brutal, Bloody Hun will be stopped when an overwhelming American Army lands in France and crushes him—not before.

The Fourth Liberty Loan is the next step in getting that army across the Atlantic.

A Few Facts About Eagle Valley

Composed by GRANDMA BROWN, age 87 years

Up in the mountains, as far as you can gaze,
Sits a big eagle in a great maze;
With keen eyes watching the swift rapid flow
Of Big Eagle Creek on its way below,
To the Valley that looks so fresh and green,
With rich fertile soil as anywhere seen,
Producing large crops of hay, fruit and grain
Though irrigation takes the place of rain,
As the precipitation is so small
You cannot depend upon it at all,
Eagle Valley now has many fine sheep,
Like those that were lost by little Bo-Peep,
And no prettier sight is seen today
Than a band of little lambs when at play.
Besides the horses, cattle, sheep and swine,
Of the feathered tribe there is every kind,
Fish here are found, and honey so sweet,
With everything else that is good to eat.

The Turning Point.

Can you look back to some time that was a turning point in your life, possibly the turning point that placed you on the road to success?

Many successful people can do so, and nine cases out of ten that turning point came when they decided to start a bank account and save some money. If you don't believe this, ask some of the successful men you know. How many prosperous men succeed without some connection with a good bank. We stand ready to help you.
