Mrs. Smith Recommends Chamberlain's Tablets

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewerton, N.Y. "When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well.

We are informed that a crowd from Pine and vicinity went into Halfway about 2:30 Sunday morning and "shot up" the town in genuine wild west fashion. Several hundred dollars damage was done.

The meeting of draft registrants scheduled to be held at Baker last Sunday evening was called off Saturday afternoon, a fact which was not known by hundreds of the men until they arrived at the county seat.

The news received Saturday evening that Germany had agreed to "evacuate all invaded territory held" was not of sufficient importance to cause a demonstration in Eagle Valley. Our citizens realized that the huns have been "evacuating" as rapidly as possible for several weeks and that it was needless to send word from Berlin that they would do so—the Allies decided on that question long ago.

Croup
If your children are subject to croup get a bottle of Chamberlain's Cough Remedy, and when the attack comes on be careful to follow the plain printed directions. You will be surprised at the quick relief which it affords.

Be Practical
The young man in love often goes into raptures about "the blue of the sea in her eyes and the golden haze of autumn in her hair," but remember this young man—SHE WILL EAT just the same as any other healthy girl.

Therefore drop a lot of this love-sick stuff and get down to practical affairs. Save your money, deposit it in a good reliable bank like ours and get ready to own a home for you and the girl and to provide for the three meals a day you will both need as long as you live. You know when poverty comes in at the door, love sometimes flies out at the window ad) EAGLE VALLEY STATE BANK

HIGHLY COMMENDED

Lieut. Chester H. Fraser, 18th Co., 5th Regt., U. S. Marines, is at his home at Rochester, N. Y., and under date of Sept. 9, wrote Sergt. Eylar Staight's mother as follows:

"Dear Mrs. Staight: When I left France three weeks ago, I left your son well and happy. He has always been in my platoon and we have had some merry times together—chasing the hun being the only real sport we have in France.

"Well, Mrs. Staight, when you have command of fifty-eight men in battle it is impossible to watch them all, especially in wooded country like Belleau Woods. Usually there are always two or three men that stand head and shoulders above the rest in courage, intelligence and loyalty, and your son is one of these men.

"I had perfect confidence in him and so did the men and he never failed me, although I have led him into places where very few of us returned. I always had him on either one flank or the other and promptly ceased to worry about that flank as I knew it was well taken care of.

"I expect to hear of him receiving a commission any day, and he certainly deserves one as he is clean living, courageous and a leader of men. I have been proud of him many times and I hope it will be your privilege to see him soon."

Hon. Gustav Anderson, present circuit judge and republican nominee for re-election Nov. 5th, was a visitor in the Valley last Saturday. He was accompanied by Ed Parker of Baker.

If you know the address of any Eagle Valley boy in service that we have not published, or can give us the new address of any who have been moved, you will confer a favor on the community in general and to our boys in service by notifying the News.

Chamberlain's Cough Remedy the Most Reliable

After many years' experience in the use of it and other cough medicines, there are many who prefer Chamberlain's to any other. Mrs. A. C. Kirstein Greenville, Ill., writes: "Chamberlain's Cough Remedy has been used in my mother's home and mine for years, and we always found it a quick cure for colds and bronchial troubles. We find it to be the most reliable cough medicine we have used."
