Learn to Get Along Without Sugar

It has been done before. A hundred years ago refined sugar was unknown. Our ancestors used honey and you can use honey also. Besides there are syrups. The natural sugars of fruits will serve today as they did centuries ago. You will get all the sugar you need in this way. The Allies do it now. England, which before the war used more sugar than we did, has but two pounds per head a month now; France one and a half pounds, and Italy only one. Show yourself a patriotic American and use less than your ration. This is but a slight sacrifice as compared with all that the Allies are doing. Do it yourself.

Card of Thanks.

We desire to express our heartfelt thanks to the people of this section, and especially to the local Red Cross auxiliary, for the many kind acts performed and the words of solace spoken at the funeral of our son and brother, Harry T. Jeffords.

Mr. and Mrs. T. J. Jeffords and family.

Try our coffees, all grades 25c to 45c a pound. Raley's.--ad

Xmas Packages for Soldiers.

Only one package may be sent to a soldier over seas and weight is limited to three pounds. Sailors may receive 20 pounds.

Each man will be given a label which he will send to the person from whom he expects a package. No package without such label will be accepted for mailing.

Sender must pay postage.

Red Cross societies will furnish cartons for containers and will receive and examine all packages.

Gifts should be wrapped in khaki colored handkerchiefs 27 inches square. Articles packed in glass or which are excluded by the P. O. department can not be sent. Only articles that will keep until Christmas should be sent. Hard candies are preferable.

Packages will not be accepted later than Nov. 15th.

Forward.

You can't stand still and get anywhere. It is necessary to go forward if you'd keep abreast of the times, for the world moves--and it moves so rapidly that only a few of us can see or claim some of it? Are you getting ahead, financially? Would you like to know the opinion of one of the greatest financiers the country ever produced? Well, here it is:

The late James J. Hill said: "If you want to know whether you are going to be a success or a failure, you can easily find out. The test is simple and infallible. Are you able to save money? If not, you drop out. You will lose. You may not think it, but you will lose as sure as you live. The seed of success is not in you."

Think that over carefully.

This is the most important position in the judicial system of the State.

It is essential to choose a man of extensive legal training, of high character, and of broad vision. We commend for your consideration and vote
