## STILL ON THE JOB

Mrs. F. L. Strang of Sparta recently received a letter from her son, in which he says:

"I am still at the same old place and feeling fine. I have been working pretty hard for the last six weeks as there is lots of flying here now, and it keeps me pretty busy keeping the cars and trailers in running condition. I have been out on several trips and seen a lot of France; it is a very pretty country but it is badly shot to pieces but I have not seen much of the shooting as I have not been very close to the front and don't have any chance to see any of the excitement at the front. Have the News sent to the 642 Aero Sqdn. as I don't get them very regular. I haven't got a letter from anyone for a month. I don't see what is the cause unless they got lost on the way. There was a while that I got my mail very regularly but I haven't lately. Wish I could tell more about this country but you know we can't write much, but when I get home I can tell you a lot that you never thought of."

## To the Women of Baker Co.:

The attention of Baker county women is called to a new course that the O. A. C. is starting in horticulture for women. While it is a one-year course they can enter at any time. The course will aid women in either running their own tracts or to become orchard foremen. It will include lectures as well as orchard and laboratory work including picking, packing, pruning, spraying, etc. Three half days each week will be spent in the field.

There will also be courses offered in dairy manufacture, general agriculture, etc. While people cannot come for the college year, perhaps they could attend for three or six months, and with the tremendous labor shortage, it will offer a fine opportunity for women to become proficient in farming and especially in orchard work.

## Two Deaths from "Flu" at Robinette

Laura Eveland, wife of Joseph Eveland, died last Friday of pneumonia resulting from Spanish influenza. She was a daughter of Mrs. K. Chipman of Pine Valley.

Tim, the 14 year old son of Mr. and Mrs. Andrew Mills, passed away Monday. Besides the parents, there are left to mourn his death, two sisters and a brother.

## Sour Stomach

Eat slowly, masticate your food thoroughly, abstain from meat for a few days and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to eat them out.

## A RECOMMENDATION

Portland, Ore., Oct. 24, 1918.  
Mr. C. E. Thorp, Richland, Ore.

Dear Sir: I take the liberty of addressing you on the subject of Judge Anderson's candidacy for re-election as Circuit Judge in the Baker district. I am advised that the opposition questions Judge Anderson's qualifications for the office he now fills and charges that he is without standing before the Supreme Court.

The present members of the Supreme Court cannot with propriety take part in political contests, nor can they publicly answer such charges as these. I am no longer a member of the Court and see no reason why I should not speak freely on this subject. In fact my sense of fair play demands that I speak.

For a year and a half prior to June 4, 1918, I was a member of the Supreme Court of Oregon and during that period a larger share of the work from Judge Anderson's court was referred to me than to any other member of the Court. I found that he had been careful, intelligent and conscientious in the performance of his duties. It was impossible to doubt his earnest desire to be just to every litigant and to reach a correct solution of every controversy which came before him. Judge Anderson is well grounded in legal principles and has the essential judicial qualification of good common sense.

I have no quarrel with Judge Anderson's opponent. This letter is written as a matter of justice to a hard-working, high-minded, conscientious public servant.

Very truly yours,

Wallace McCamant.

## On His Way Over.

Enroute, Oct. 26, 1918.

I'm going through Colorado now and enjoying myself fine. It is sure awful cold; have had my overcoat on all morning and all the windows closed and still I'm freezing. Have seen all kinds of weather. It sure was awful going through Arizona; nothing but desert; sand and cactus, and awful hot. Haven't yet seen any place down here I'd care about having. I'm on the Santa Fe Ry. now and it's awful rough. Have been riding for four days and nights so far. Answer by this address:

## From Siberia.

Somewhere in Siberia, Sept. 3, '18  
I am well and getting along all right. Sure had a fine trip over. This is sure some country over here. Tell all the folks to write.

Don't fail to vote Tuesday.

## Home On a Furlough

Pvt. Richard Moody arrived from Camp Holabird, Md., Monday evening, for a few days visit with his father, H. H. Moody. He had been detailed as military escort and brought the body of a soldier to Boise, Idaho, and was granted a five-day furlough.

Richard has had a lot of experience since enlisting. He was a "flu" victim, being confined in the hospital for 22 days during which time his company were sent overseas, as a consequence he is now in a Casualty company but on his return expects to be assigned to the medical department. He says that military life is the only thing.

## Notice to Threshers.

All operators of threshing machines are requested to mail to the Agricultural Agent's office at Baker, Ore., the amount of grain threshed during the season. This report includes all grains such as wheat, oats, barley, rye, etc. This information will be tabulated by the Agricultural Agent and sent to Washington, D. C. For the benefit of Baker county and this district the amount of grain raised and the average yield per acre for different grains will be published in this paper at a later date.

## Seems Longer

"Doctor, will I live longer if I stop smoking?" asked the patient. The doctor replied: "Well, you may not live longer, but it will certainly SEEM longer."

It's much the same with poverty. If you have to struggle all your life with poverty and never "get ahead," you may not live longer but life will at least SEEM plenty long enough. Why not start the saving habit now by opening a little account at our bank and adding to it regularly? It will be the best move you ever made. Start today, not next week.

Many of the Eagle Valley registrants expect to be called soon.

An 11 1-2 pound boy arrived at the home of Mr. and Mrs. Harold Clements at LaGrande last week.

The infant daughter of Mr. and Mrs. B. F. Kiest died Tuesday at Sparta of pneumonia. The little body was laid to rest in the Eagle Valley cemetery this morning.

## A PIONEER PASSES

Mrs. W. W. Kirby, whose death has been momentarily expected for some weeks past, passed away at the St. Elizabeth Hospital at 5:20 a. m. on Monday, Oct. 28th. The remains will be laid to rest in Eagle Valley cemetery at 10:30 a. m. on Friday, November 1st, Rev. J. M. Johnson conducting the services at the tomb.

Mary Ann McClintock was born at Chillicothe, Ohio, on July 12, 1847, and with her parents came to Wapello county, Iowa, when but a child. In February, 1864, she was married to W. W. Kirby at Rockport, Mo. With her husband and family she arrived in Eagle Valley on Sept. 27, 1887, and has since resided here.

In 1874 she accepted Christ as her savior and united with the Christian church and has since been a constant and devoted christian as well as a sincere advocate of temperance.

Her life was one of devotion to her family, yet she always found time to do a kind deed or lend assistance to a neighbor, friend or stranger, and though her last years were filled with much pain she was never heard to complain.

For a number of years Mrs. Kirby had been a sufferer from a sort of stomach trouble, the exact nature of which physicians were never able to discover. Some months ago she was taken worse and several weeks since was removed to the home of her son Jas. A., in Baker, and later removed to St. Elizabeth Hospital where everything possible was done to relieve her suffering.

One brother, Lafayette D. McClintock of Tabor, Iowa, survives her demise, as also does her aged husband and six children, viz: James A. Kirby of Baker; Mrs. Maggie B. Chandler of Richland; Richard B. Kirby of Richland; Mrs. Cora E. Simonis of New Bridge; Wm. L. Kirby of Durkee; and Mrs. Maude M. Fraser of Pendleton. There are also living twenty grandchildren and six great-grandchildren.

## Vote 48 X R. P. Anderson

for Sheriff of Baker county  
Owing to illness, Mr. Anderson has been unable to get out and interview the voters, and therefore asks his friends in this section to rally to his support at the coming election next Tuesday, Nov. 5th. That Mr. Anderson has proved an efficient and conscientious sheriff, no one will deny, and he will appreciate your vote Nov. 5th.—pd adv

Mrs. George Spiropolis died of pneumonia at Home, Ore., on Sunday, Oct. 27th. She leaves a husband and three small children, the youngest being a three-weeks-old baby girl.

James A. Shoemaker writes his parents that he has arrived safely overseas.
