Resolutions of Condolence.

Richland, Ore., Dec. 2, 1918.
To the Officers and Members of
Myrtle Rebekah Lodge No. 79:
We, the committee appointed
to draft resolutions of sympathy
upon the death of Roy Carothers,
would submit the following:

To Sister I. K. Carothers and
family: The river of death has
borne away upon its resistless
current the happy and promising
life of Roy Carothers, one who
always performed the duties of
every station with grace and
dignity; he was also serving his
country when called. In his un-
timely death deep sorrow has
come to his home and we would
all join with Sister Carothers and
family in sincerely mourning his
loss.

Therefore—Be it resolved, that
we, the members of Myrtle Re-
bekah Lodge No. 79, I. O. O. F.,
realize our irreparable loss in the
death of our dear friend and ex-
tend to the grief stricken family
our sincere and heartfelt sym-
pathy and assure them that he
will ever be held in affectionate
remembrance.

Resolved, that a copy of these
resolutions be spread upon the
records, also a copy be sent the
home paper, also a copy of these
resolutions be presented the be-
reaved family.

bership during the Christmas
Roll Call, which will be held next
week, December 16 to 23.

There will be no receipts given

From "Hardware Age."

One night an American boy
went out into No Man's Land.
He didn't come back. Three
hours later a searching party
went out and found him. That
boy had been killed and his body
hacked to bits. His comrades
gathered up the remains and
brought them back in a sack.
That brave young American was
chopped to pieces with "Made in
Germany" cutlery.

Shall we be customers of these
blood-stained butchers after the
war? I hardly think so, but it is
up to you, Mr. Buyer?

For some time past it has been
a common thing to see small boys,
from about eight to 16 years of
age, puffing away at cigarettes.
For a time the kids did most of
their smoking in the alleys and
barns, but lately they have be-
come bolder and calmly puff the
"pills" in public.

As a warning to the boys, and
to those who sell or give them
the cigarettes, we publish the
following:

It is unlawful for any person
to sell, give, or exchange, to any
minor any cigarette or cigarettes.
Having cigarettes in a place of
business where minors may take
them or help themselves, is held
to be prima facie evidence of an
intent to sell to minors.

It is a misdemeanor for any
minor to smoke, use, or be in
possession of any cigarette. Any
minor using or being in possession
of any cigarette, and being asked
by a parent, teacher, mayor, con-
stable, marshal, sheriff or deputy
or other officer, to tell where or
from whom such cigarette was
obtained, who shall refuse to fur-
nish such information, shall be
guilty of a misdemeanor.

It is the duty of any mayor,
sheriff or deputy, constable, mar-
shal, or other officer, when he
finds any minor smoking a cigar-
ette or having a cigarette in his
possession, to immediately inquire
of such minor where and from
whom he obtained such cigarette.
Any such officer failing to do as
above required shall be guilty of
a misdemeanor.

Wherever the word 'cigarette'
or 'cigarettes' are above used it
is held to also include cigarette
papers and wrappers.

We have obtained an account

ley and will publish same next

terest to every resident of this
section as it will tell of the exact
date the first settlers arrived,
who they were; of the first mar-
riage, birth, death, church and
school, as well as a number of
other historical facts.

E. V. BOY MAKES SUPREME SACRIFICE

Word reached here Monday
evening that Corp. Wm. Virgil
Saunders had lost his life on the
battlefield in France on Friday,
November 1st. He was a mem-
ber of Co. C, 361st U. S. Inf.,
which was a part of the gallant
91st Division which did such hard
fighting during the last days of
the war.

Virgil was born in Eagle Valley
on November 13, 1895, about one
mile north of Richland, and re-
sided here the greater part of his
life. He was the son of Albert
O. Saunders, who passed away
on Christmas morning, 1900.

He was called to the colors on
October 3, 1917, being stationed
at Camp Lewis until the follow-
ing June when the regiment was
taken to the Atlantic coast, and
embarked for France on July 5,
1918.

Besides the mother, Mrs. Ly-
man Lee, there are left to mourn
the death of this brave soldier,
a sister, Miss Veda Saunders,
and a half-sister, Miss Jimmalee
Wright, all residing in Portland;
a number of more distant rela-
tives and a host of friends in
Eagle Valley.

Dairy School Postponed.

The dairy school announced for
last Friday and Saturday was
called off and will be held some
time after the first of the year.

Professors Pitts and Westover
and County Agent Tweed were
Richland visitors Friday after-
noon on their way from Halfway
where they conducted a school on
Wednesday and Thursday. They
reported a large crowd present
at every session.

In speaking of the dairy busi-
ness Prof. Pitts said: "From all
indications the dairymen need
have no fear of an over produc-
tion. The business is bound to
prove good for many years to
come. The present high prices
of dairy products will go down a
certain extent in the future, but
at the same time the cost of feed
will be accordingly reduced so
the per cent of profit will be prac-
tically the same. Pasture and
hay marketed in the way of dairy
products will bring in far greater
profits than if sold otherwise."

Cash For Poultry.

I will be at the W. J. Densley
place from morning until noon on
Saturday, Dec. 14, and will pay
the following prices, live weight:

Turkeys 20c per pound;

Geese \$1.25 each;

Good medium chickens \$6 doz;

Ducks 60c each.

Poultry must not be fed for at
least twelve hours before mar-
keting.

Ladies and gentlemen if you
please.
