### HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour-fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, that one week of inside-bathing will have them both looking and feeling better in every way.—Adv.

Be Kind and Patient. There is more special grace requisite and manifest in watchful perseverance in little kindnesses and habitual patience at home, in abstinence from conversational disparagement of others, and in resistance to habits of sloth and undue self-indulgence in private life than in the performance of great public duties under the observation of multitudes.

### SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

Much Good in Kind Words. Kind words do not cost much. They never blister the tongue or lips. Though they do not cost much, yet they accomplish much. They make other people good natured. They also produce their own image on men's souls and a beautiful image it is.—Blaise Pascal.

Perhaps. Lucky is the man who marries a widow whose first husband was mean to her.—Chicago Evening Post.

### HAVE YOU A SWEETHEART

Son or Brother in camp or training for defense? If so, mail him a package of Allen's Foot Ease, the antiseptic powder for tired, aching, swollen feet, and prevents blisters and sore spots. Makes walking easy. Sold everywhere, 25c.

Pine Leaf Paper. It has been estimated that if the immense waste were eliminated, the daily output of the long-leaf pine industry would be 4,000 tons of paper, 3,000 tons of rosin, 300,000 gallons of turpentine, and 600,000 gallons of ethyl.

Windmill Electricity. Windmills are used to generate electricity in the Netherlands, where waterpower is scanty. The wind acting through the windmill drives the generator, producing the electricity, which is then stored in a storage battery and used for various purposes.
