ORGANIZE FARM BUREAU COMMITTEE CUPID SCORES AGAIN

The general agricultural meeting held here last Thursday evening was well attended and much interest manifested. The county program of farm bureau work was taken up and discussed in detail; projects adopted and local leaders selected for each project as follows:

Organization (Good Roads)—Geo. Moody.
Farm Demonstration—J. R. Lee.

Drainage—Bert Rogers.
Breed Improvement (Beef)—Lovell Gover.

Dairy—Chester Mason.

Rodent Control—W. E. Martin.

Two demonstrations will be tried out in determining the value of land plaster on alfalfa land. In Union county the application of land plaster increased the yield of alfalfa one ton per acre. It remains to be seen as to its value in Eagle Valley.

There are some two hundred acres of land in this community that can be reclaimed by drainage. Those interested in this project should get in touch with Mr. Rogers.

Farmers who have considerable trouble with ground squirrels should consult Mr. Martin who will distribute the poison sent out by the county agent.

The Ladies Aid will meet with Mrs. John Chapman on Friday afternoon.

Oregon is supposed to be "dry" but "prune juice" seems to be quite plentiful ground here.

The proceeds of the basket social given by E. V. H. S. on Tuesday evening amounted to \$75.85.

Elmer Ritche arrived home yesterday after serving Uncle Sam for several months, most of the time being spent in France.

Mrs. Nellie Cropp and baby son arrived Tuesday from Banks for a visit with her parents, Mr. and Mrs. W. E. Farber and other relatives.

Chas. F. Macy was a visitor from Sparta yesterday. He had been serving in the Quartermaster Corps at Camp Lewis and just received his discharge.

Thomas H. Moar, son of Mrs. E. C. Bagley of Richland, and Miss Verla Anderson of Durkee, were married March 25th. The young couple will make their home in Portland for the present.

Close to \$800 was received for the property disposed of at the Derrick sale last Saturday. On account of a severe cold Mr. Thorp could not attend and Col. Brackney had to cry the sale alone.

The usual church services will be held in Richland next Sunday morning, Rev. J. M. Johnson preaching at eleven o'clock. Miss Bessie Quimby will lead the young peoples meeting in the evening at 7:30.

MARRIED, at the court house in Roseburg, Oregon, on Saturday, March 29th, Anna Barnum, age 52, and C. H. Craig, age 82.

Mr. and Mrs. Craig arrived in Richland on Monday's stage and were given a rousing chavari reception in the evening; as a matter of course the groom "came through" with the treats.

The bride was formerly a resident of Roseburg but has been in Richland for the past year and has made a host of friends in this community.

The groom has been a resident of Eagle Valley since 1874, and with the exception of "Uncle K" Young, is the oldest settler here.

The happy couple have the best wishes of all residents of this community.

As a matter of interest to our readers and as a bit of early history, we give the story of how Mr. Craig gained the rank of Captain, it being generally supposed that he gained that rank while serving in the Civil War.

In 1878 the Umatilla Indians went on the war path and the settlers of this section being few in number and far from any fort became alarmed of the possibility of being attacked and perhaps massacred by the savages. Mr. Craig secured a commission as Captain, organized a company of volunteers, obtained sixty rifles and 1000 rounds of ammunition, and built a stockade near the present residence of Mrs. P. A. Moody. Later on in the same year the Captain with his company camped at the mouth of Daly Creek and kept back the redskins while the crops were being harvested in the valley.

Two Methods

Smith went away on his summer vacation. He took along plenty of cash, BUT—the day he arrived at his destination the light fingered gentry "lifted his roll" and he was up against it right. Now young Ferris, who has an account at this bank and made the same trip carried just enough cash to pay for meals and other necessities; BUT—before leaving he had us send a letter of identification to a bank in the place where he intended to visit. He was thus enabled to check against his account here for what he needed when he needed it. They can "pick" your pocket but they can't "pick" your bank account. No charge for letters of identification at this bank.

ad) EAGLE VALLEY STATE BANK

As a result of a quarrel over range near Home, where both men were running sheep, George Coleman took a shot at Miit Spiroplos last Sunday morning, the bullet inflicting a slight scalp wound. Coleman was arrested on a charge of assault with intent to kill and taken to Baker. Both men are well known here.

Boys Asked to Enlist.

The U. S. Department of Labor, Employment Service, have organized the United States Boy's Working Reserve, and C. E. Thorp has been appointed enrolling officer for School district No. 44.

At the request of Federal State Director, J. W. Brewer, we must register all boys in this district who are, or who will be sixteen years of age on or before July 1, 1919, and who have not yet attained their 21st birthday.

Certificates of Enrollment and Recruit Buttons will be given every boy who enrolls, and no boy will be taken from home to work only by consent of his parents who must sign enrollment card. Any boy who does not want to work will not be enrolled.

Marvin Johnson and Merton Chapman are assisting in getting the boys lined up, and we would like to have this district go 100 per cent in the registration.

C. J. Duffey is in from Baker.
