Booze Is Not a Good Cure.
 From the Ames Iowa Intelligencer
 When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

Cut This Out and Take It With You.
 A man often forgets the exact name of the article he wishes to purchase and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion

If it's lumber you want, see Eidson.—ad

ASK YOUR BOY

When the fighting was thickest
 When the suffering was greatest

Where was the
 Salvation Army Lassie?

He will say: "She was right on the job"

And now, back home—in the byways and hidden places—where misery always lives, where a mother needs a home, where men, women and children are on the downgrade, she's still "RIGHT ON THE JOB."
