Glad to Get Back

Corp. Gate Made of Batt. A, 11th F. A., 6th Div., returned to Butte Valley Thursday, after more than two years absence. He entered on June 13, 1917, and has traveled over a lot of country since that date, having crossed the United States from coast to coast and from Mexico to Canada before visiting England, France, and Germany.

Carl was in action from Oct. 26, 1917 to Jul. 12, and had a number of close calls, the narrowest escape from death being on Nov. 6th at Beaumont when a bullet shell from the enemy's gun tore out both of his shoes and damaged his pants, leaving a neat line on the skin. Other than the exposure that made necessary and the discomfort of being unable to sit down for a few days, Carl suffered very little and did not report for medical treatment, so a consequence his wound strips is up elsewhere than on the arm. Two men who worked on the outfit were also wounded by the shell.

Mr. Carl Frane was on June 11, 1917, landed in New York on the 10th; left Camp Merritt on the 24th for training, and received his Uncle Sam's, got his honorable discharge and was back in Richland on July 1st. He says Eagle Valley is the best place he has ever been in his wanderings and that he is glad to be home again.

TO OUR PATRONS

On account of rainfall we expect to leave about July 15th for an extended visit. Since our adage with the influenza last January we have suffered continuance and several physicians have advised that we get out of the office for some months.

Our place is to go via auto to Southern California then to Iowa and from there back to Oregon, coming out in the open air at every stop.

At this time we are unable to state just what will be done in the next few days, but we are in communication with several other operators in order to make satisfactory arrangements for its continuance during our absence. In the next issue will make further announcement.

Salvation Army Drive Is On.

J. M. Ebenezer received word Monday to take charge of the Salvation Army drive in Eagle Valley and immediately started the ball rolling. The quota for this district is only $200 so there is no doubt but we are going over.

The splendid work done by the Salvation Army for our soldiers during the war, and especially at the front, is well known to all and we do not have to give it at this time as every dollar secured in Oregon will be spent to help the needy in this state.

Church Notices.

Preaching services in the Meth
dist church Sunday evening and evening at the regular hours.

Preaching at Plume Ridge school house Sunday afternoon at 3:30 o'clock.

Obing to the fact that our committee on evangelism could not get a ramp ground ventrally located, and to the likelihood of military evenings, we have decided to hold the regular meet
ing in the church at Richland commencing July 20th.

J. M. Johnson, Pastor.
