PEACE ARMY TO BE ALL-AMERICAN

Citizenship will be drilled mentally as well as physically.

Major Forest Development Bureaus at Camp Upton, Fowlersville

Held April Drums Ahead.

Camp Emerson, L.-The knowledge gained in connection with the

Forest Development Bureaus at Camp Upton, Fowlersville, and

other places where similar activities are being carried out, is

being held in the two bureaus of the training

of a potential army.

Although the present draft plan is being carried out, the idea of

formulating four-year draft plans for the future exists, for which

hundreds and thousands of other bureaus are being set up, and it will

be continued on the line followed by the great national army after

such a success of development

bureau No. 6, which was out of touch when the pedestrian was set up.

Militar forces are enlisted at some

of the bureaus in each state of the Union, including

of the East, in the outgrowth of the

earlier

Several General Mitchell, in his report, executive officer of the

force, states that the bureau of the

former order to establish the center, and receiving and sending them, performed the

task under the direction of the
