PUBLISHED EVERY THURSDAY BY

THURSDAY JUNE 5, 1902

President Roosevelt may be likened unto Lincoln in that feature of never opening his mouth but what he says something. There is no mistaking him—he never vacillates or wobbles in the least, but always comes out squarely and says what he means, leaving absolutely nothing to conjecture or speculation. His speech on Memorial Day is the talk of two hemispheres. Every word the president uttered went home to the hearts of the thousands in his listeners. His every sentence was of utter, uncompromising fearlessness, and betrayed a spirit entirely different from that exhibited by other "statesmen." The man is a wonder—a phenomenon.

We are glad to note that after four months' abuse of the army in the Philippines by the democrats in the senate, one of them—Senator Morgan—has come out strongly against the practice, not because he has lost any affection for the Filipinos or gained any sympathy for the army, but solely and simply because he fears his party will by a continuation of this abuse, the cause for which the whole senate knows little or nothing, be brought into disrepute and lose material support. All right, senator; we know now what the whole dirty business has meant.

The baseball season is on in full swing, and up till Monday it even overshadowed the election. A large per cent of our young people is more interested in the national game than anything else just now; and indeed, the same imputation may be said to cover some of the older population as well, as it reminds them of their school days and the spankings they used to get for "playing hooky" in order to get to see the game played when the pitcher chucked the ball under his arm instead of throwing it, as he does now.

Regarding the Mount Pelee eruption, we learn from the government geologist's report that the volcano may be in eruption for a year or more, or remain quiescent for an indefinite period. This is news. It will be noticed that the learned professor is bright enough to carry a loophole around with him. This is considerably more than the first commission appointed to scientifically investigate the phenomenon by the island government provided for, they pronouncing it not at all menacing to life and property.

IN AND AROUND TOWN.

The S. T. Company have on hand a new supply of up-to-date spring goods.

Chief Engineer Hammond spent Friday and Saturday in town, looking after our new sewer system.

Heydt & Co. of Moro have on hand a large stock of double and single harness, and also all kinds of heavy work harness.

Did you see the carload of buggies for sale at Moore & Pike's? Cheapest, strongest and most durable vehicles ever offered for sale in the county.

The place to buy your sewing machines is at the Moro Implement Co. They carry the famous Stiletto, and will sell them cheaper than anyone else.

Moro Implement Co. have a complete line of extras for Oregon Haines, Hodge and McCormick headers. Also, machine oils and all kinds of harvest supplies.

Carl Peetz has the nicest horse and rig in town. He bought the phaeton where rigs are cheapest. Come and see what I have for sale of Peoples' hacks and buggies.—M. Fitzmaurice.

When you want a White sewing machine call upon E. Peoples, of Moro, who is a White man and will sell you the machine at White prices and on White terms. What more could anyone ask?

Farmer Green was in town the first of the week, selling goods.

Mrs. H. Donley of Shaniko is in town till after the picnic tomorrow.

If you want to see a nicely arranged, elegant stock of furniture, step into George Brock's store. He has, we believe, as extensive a stock of furniture as can be found east of the mountains. Special attention should be given his new and up-to-date typewriter desks and tables, which are beauties.

The junior nines of Wasco and Moro played ball to a finish on the Moro diamond Friday afternoon, time consumed, 4 1/2 hours. We had not the pleasure of witnessing it, but those who did were enthusiastic over the future possibilities of our young players. The score was something immense. We could not learn it from the players themselves, but were informed by a disinterested spectator that it was 27 to 28 in favor of Wasco. Overlooking the score, the game was an orderly and well conducted one, and had the effect of reminding the young fellows, as all games do or are supposed to, that the whole of life is a continuous struggle, and that they must be strenuous indeed if they would succeed.

Saved From An Awful Fate.

"Everybody said I had consumption," writes Mrs. A. M. Shields, of Chambersburg, Pa. "I was so low after six months of severe sickness, caused by hay fever and asthma, that few thought I could get well; but I learned of the marvelous merit of Dr. King's New Discovery for Consumption, used it, and was completely cured." For desperate throat and lung diseases it is the safest cure in the world, and is infallible for coughs, colds and bronchial affections. Guaranteed bottles 50c and \$1.00. Trial bottles free at all druggists.

A WORTHY SUCCESSOR.
Something New Under the Sun.

Doctors have tried to cure Catarrh by powders, acid gases, inhalers and drugs in paste form. The powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This remedy is known as "Snuffles the Guaranteed Catarrh Cure" and is sold at the extremely low price of one dollar, each package containing internal and external medicine for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve hay fever or cold in the head.

Catarrh when neglected often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the Guaranteed Catarrh Cure.

Send prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves. No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive for the Liquor Habit.

It is now generally known and understood that drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your Husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within the reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

Since the First...

ROCHESTER LAMP was made there have been many "like" or "as good as" it placed upon the market. Some were even said to be "improvements" on it. One by one they fall by the wayside, for experience proves that there is only one lamp that is really better, and we make that, too.

THE NEW ROCHESTER

In it we embody all that is really worth having in a lamp, both as to quality and style. Don't forget, every genuine New Rochester has the name on the lamp.

We can fill every lamp want. No matter whether you want a new lamp or stove, an old one repaired or refinished, a vacuum mounted or other make of lamp transformed into a NEW ROCHESTER, we can do it. Let us send you literature on the subject.
