PUBLISHED EVERY THURSDAY BY

Editor and Proprietor.

THURSDAY - JUNE 26, 1902

HERE, THERE, EVERYWHERE.

Orville Smith was a passenger on Monday's train for The Dalles.

H. A. Page says cattle are down. He just got rid of 200 head before the drop.

Brock has at last a supply of screen doors. Buy one and show there are no flies on you.

Go to Bolton's and have your lungs tested free. Try if you can blow as hard as W. H. Moore.

Dr. Logan's mother, Mrs. Sullivan, was in town this week, on a visit to Mr. and Mrs. Lawrence Moore.

Tom Britten and E. M. Meach will commence painting the City Hotel next week. They are far and away the best daubers in town.

Pat Walsh, an extensive sheep owner of Kent, was in town Monday on land business. He left on the northbound train on Tuesday for The Dalles.

Cousens and Fitzmaurice were at the Deschutes, and despite the best make of Hickson's flies came home with 5 trout only. We believe it is the man, not the fly, that makes the difference.

Dr. Luther Hill and his house would probably have gone up in smoke on Sunday morning only for the timely prevention of the fire brigade. It was most decidedly a wise move to hook on the fire company to the band and have them practice together.

Married—On Saturday last, at the home of the bride in Grass Valley, I. J. Keffer and Miss Hattie Hayes. Mr. Keffer is a prominent business man of Grass Valley, while Miss Hayes is one of those young ladies whom to know is to esteem. The Bulletin extends congratulations.

Edward Mortimer Meach was married in Portland on Friday, June 19th, to Miss Maud Carter, and arrived with his young wife in Moro next day. Mr. Meach is captain and pitcher of the Moro baseball nine, and is also connected with the Upchurch team of Portland. Mrs. Meach is a winsome young woman, and has already made a number of friends in her new home. The young couple have rooms at the City Hotel.

The Moro public school will commence work again in September, the vacancies in the faculty having been filled. The last appointment was J. T. Croft, who has been teaching a school at Klondyke for some time. Mr. Croft will be principal here, and he is a young man eminently suited to the position, having taught as principal of the Iowa schools at Kirkwood for four years, during which time he gave every satisfaction. We feel sure Mr. Croft will start off at a brisk pace and do his work as well as Mr. Bryant, who has resigned, and who was a very efficient young man indeed. Miss Harwood will again take up her class and reign supreme in the grammar room, while her sister will take our lamented Miss Darby's place at the head of the primary class. Miss Alta Poole, who represents our home talent, will teach in the intermediate division. The directors have done well in their choice of teachers, and children and parents may look forward to another successful school term.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail, one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now, and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. Geo. Bolton.

Heydt & Co. of Moro have on hand a large stock of double and single harness, and also all kinds of heavy work harness.

Did you see the carload of buggies for sale at Moore & Pike's? Cheapest, strongest and most durable vehicles ever offered for sale in the county.

The place to buy your sewing machines is at the Moro Implement Co. They carry the famous Stiletto, and will sell them cheaper than anyone else.

Moro Implement Co. have a complete line of extras for Oregon Haines, Hodge and McCormick headers. Also, machine oils and all kinds of harvest supplies.

When you want a White sewing machine call upon E. Peoples, of Moro, who is a White man and will sell you the machine at White prices and on White terms. What more could anyone ask?

If you want to see a nicely arranged, elegant stock of furniture, step into George Brock's store. He has, we believe, as extensive a stock of furniture as can be found east of the mountains. Special attention should be given his new and up-to-date typewriter desks and tables, which are beauties.

Saved From An Awful Fate.

"Everybody said I had consumption," writes Mrs. A. M. Shields, of Chambersburg, Pa., "I was so low after six months of severe sickness, caused by hay fever and asthma, that few thought I could get well; but I learned of the marvelous merit of Dr. King's New Discovery for Consumption, used it, and was completely cured." For desperate throat and lung diseases it is the safest cure in the world, and is infallible for coughs, colds and bronchial affections. Guaranteed bottles 50c and \$1.00. Trial bottles free at all druggists.

A WORTHY SUCCESSOR.

Something New Under the Sun. Doctors have tried to cure Catarrh by powders, acid gases, inhalers and drugs in paste form. The powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This remedy is known as "Snuffles the Guaranteed Catarrh Cure" and is sold at the extremely low price of one dollar, each package containing internal and external medicine for a full month's treatment and everything necessary to its perfect use. "Snuffles" is the only perfect catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve hay fever or cold in the head.

Catarrh when neglected often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the Guaranteed Catarrh Cure.

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia.

THE HOME GOLD CURE.
An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves. No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive for the Liquor Habit.

It is now generally known and understood that drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within the reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

Since the First...
ROCHESTER LAMP was made there have been many "lamps" or "as good as" it placed upon the market. Some were even said to be "improvements" on it. One by one they fall by the wayside, for experience proves that there is only one lamp that is really better, and we make that, too.
THE NEW ROCHESTER
It is the only one that is really worth having in a lamp, both as to quality and style. Don't forget, every genuine Rochester lamp has the name on the lamp.
We can give you a lamp that will last you for years. No matter whether you want a new lamp or store, an old one repaired or relined, a lamp mounted on other make of lamp transferred to a NEW ROCHESTER. We can do it. Let us send you literature on the subject.
