THURSDAY JULY 3, 1902

## HERE, THERE, EVERYWHERE.

Pillars and lintels are on the ground for L. K. Moore's brick building.

Mrs. Hosford and Baby Murial were amongst our city's visitors to the Wasco ball game on Monday.

John Schaeffer returned on Saturday's train from Prineville, where he has been visiting friends for the past couple of weeks.

Miss Maggie Huff left for Croy this week, and will spend the summer with her parents on their ranch by the John Day.

J. E. Gould, of San Francisco, optician traveling for the Globe Optical Co. of that city, is stopping at the City. His glasses are of good quality and reasonable in price.

Ben Peetz is in town from the timber. He says it is the coldest summer he ever experienced in the mountains. Ben came down to help make the eagle scream on the Fourth.

Herman Dierke of Rutledge was a Moro visitor on Saturday. He has just completed a new barn on his ranch 62x76 feet. John Walton, Ramsey, and Ned Florer put up the building.

Wolfard & Strong have taken the agency for the Evening Telegram. They were appointed by A. S. York, who represents the paper and has been taking subscriptions here for the past few days.

L. H. Linberger, of St. Charles, Ill., agent for the Leader Fence Co., registered at the City Hotel Monday. He sells a machine that will make a fence to puzzle a cottontail or stop an elephant.

Everett White and wife left town on Saturday's train for their summer outing. They went first to Goldendale, and from that point they go to Newberg to visit Mr. White's father and mother.

Fred Peetz sold 60 head of steers, different ages, to Bill Froebe of Wasco last week, at \$42.50 per head. Folks say Fred is thinking seriously of conducting one of Moro's fairest daughters to the hymenial altar.

Jas. Stewart, wife and baby left town on Monday, to spend the summer at the coast. The party will stay a few days at The Dalles, and thence to Tillamook, where Mr. Stewart has been ordered for the benefit of his health.

Wm. McBride, state manager for the International School of Correspondence, was in town this week, placing local representatives for his company. The courses comprise civil service, bookkeeping, normal courses, shorthand, etc., etc.

We have seen twenty summers in Eastern Oregon, but a fire in a heating stove on the 1st of July 80 miles from the timber line is something we have never experienced before. Still, so it was here on July 1st, 1902, cold enough, to use an old Irish expression, "to perish the Danes."

John Coy, Dick Thompson, Taylor Bergen and Milt Damon returned from a hunting and fishing excursion in the mountains fifty miles south of Dend, on the upper waters of the Deschutes. They report the fishing out of sight. They visited Davis Lake and brought home some 500 lbs. of trout salted in the empty beer barrels.

### A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail, one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now, and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. Geo. Bolton.

C. H. Williams was a Moro visitor from his ranch on Saturday.

Miss Daisy Easley left town on Monday for greener fields and pastures new.

Elrod & Moore, our rustling real estate men, returned from a trip to Olex, Gilliam county, Saturday.

Heydt & Co. of Moro have on hand a large stock of double and single harness, and also all kinds of heavy work harness.

Louis Peetz will harvest a large crop of wheat this year. He has 600 acres in grain, and expects to thresh 35 to 40 bushels to the acre.

B. F. Pike returned from The Dalles on Saturday, where he was giving evidence in a land contest case—Frank Raymond vs. Orville Smith.

Did you see the carload of buggies for sale at Moore & Pike's? Cheapest, strongest and most durable vehicles ever offered for sale in the county.

The place to buy your sewing machines is at the Moro Implement Co. They carry the famous Stiletto, and will sell them cheaper than anyone else.

Moro Implement Co. have a complete line of extras for Oregon Haines, Hodge and McCormick headers. Also, machine oils and all kinds of harvest supplies.

Dr. O. J. Goffin left on Monday for Portland on professional business. He will visit his parents and friends in the Willamette Valley before returning to civilization.

Rev. W. S. Holt of Prineville staid over night with Rev. S. C. Elder on Tuesday. Mr. Holt says he had quite a time to find a place to sleep in Shaniko, the town being full of wool buyers.

R. D. Cannon, a well known and prosperous miner from Mule Gulch, Wheeler county, was down on a visit to the Biggerstaff boys this week. He finds the Moro blend as good if not better than the Mitchell brand.

Dr. Marie Goffin had a grand outing in the Klickitat mountains last week. Several friends met her from Portland, and the party had a high old time. The doctor returned to her professional duties on Saturday.

The Moro Implement Company beg to state to the public that they have a number one plumber who works in connection with their hardware store. They are prepared to make estimates on all kinds of plumbing and tin work.

If you want to see a nicely arranged, elegant stock of furniture, step into George Brock's store. He has, we believe, as extensive a stock of furniture as can be found east of the mountains. Special attention should be given his new and up-to-date typewriter desks and tables, which are beauties.

Jerome Parsons, one of the pioneer settlers of Wheeler county and founder of the town of Twickenham, on the John Day, was in our city on Saturday with a band of horses for sale. He sold all his horses at prices ranging from \$25 to \$75 per head. Jerome struck the horse market just at the right time, and had the right kind of stock to suit our local buyers.

We tell the tale as 'twas told to us. McCaleb and Henrichs were out on a fishing expedition last week at the Big Cove, and getting tired of hauling out big trout turned their attention to shooting rabbits. Every rabbit, altho' knocked over, invariably got away, much to the surprise of our nimrods, who are both good shots. At last they ran up quickly and found what the trouble was. It seems the rabbits up there carry quick-repair outfits in their hip pockets, and when hit by a bullet struggle behind a sagebrush, repair the hole and scamper away, much to the disgust of the hunter.

### If a Man Lie to You,

And say some other salve, ointment, lotion, oil or alleged healer is as good as Bucklen's Arnica Salve, tell him thirty years of marvelous cures of piles, burns, boils, corns, felons, ulcers, cuts, scalds, bruises and skin eruptions prove it's the best and cheapest. 25c, at all drug stores.

**THE HOME GOLD CURE.**  
An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.  
No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive for the Liquor Habit.

It is now generally known and understood that drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within the reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia.

All correspondence strictly confidential.

Since the First...

ROCHESTER LAMP was made there have been many "lites" or "as good as" it placed upon the market. Some were even said to be "improvements" on it. One by one they fell by the way side, for experience proves that there is only one lamp that is really better, and we make that, too.

**THE NEW ROCHESTER**

In it we embody all that is really worth having in a lamp, both as to quality and style. Don't forget, every genuine New Rochester has the name on the lamp.

We can fill every lamp want. No matter whether you want a new lamp or stove, an old one repaired or refinished, a lamp mounted or other make of lamp transformed into a NEW ROCHESTER, we can do it. Let us send you literature on the subject.
