The cards have been shuffled and dealt; the players have their hands, and trumps are "special session of the legislature," although that card has not yet been turned; but the dealer knows it is on top. "Flat salaries" is the bugaboo to hide the real intention, as the boss politicians know full well. A special session of the legislature is as sure as fate unless the people take a more vigorous hand in the matter than they have already done. A special session of the legislature means placing a power in the hands of dethroned politicians, with Simon at its head, that the people will condemn when too late. The constitution provides for flat salaries now; if Gov. Geer is sincere in his flat salary propaganda let him turn back into the state treasury all in excess of \$1500 a year he has received.

Tracy is causing more excitement than if some royal personage with his retinue of servants all dressed in livery was touring Oregon and Washington. The man appears to live a charmed life, as neither officers, citizens, government cruisers, bullets or bloodhounds seem to have any effect upon him. A month has passed since he made his escape from the

**Acts Immediately**

Colds are sometimes more troublesome in summer than in winter, it's so hard to keep from adding to them while cooling off after exercise. One Minute Cough Cure cures at once. Absolutely safe. Acts immediately. Sure cure for coughs, colds, croup, throat and lung troubles. Geo. N. Bolton.

**A WORTHY SUCCESSOR.**  
Something New Under the Sun.

Doctors have tried to cure Catarrh by powders, acid gases, inhalers and drugs in paste form. The powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures catarrh by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This remedy is known as "Snuffles the Guaranteed Catarrh Cure" and is sold at the extremely low price of one dollar, each package containing internal and external medicine for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve hay fever or cold in the head.

Catarrh when neglected often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the Guaranteed Catarrh Cure. Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2930 and 2932 Market Street, Philadelphia.

Oregon penitentiary, and with hundreds of men upon his track and thousands of dollars offered for his scalp he is still alive and leading his pursuers a merry chase.

**Vacation Days.**  
In the dispatches we learn what Senator Mitchell and Representatives Tongue and Moody are doing, or have done, but for Simon not a word is heard. Wonder whether he drew his pay? But watch him, as there is always a calm before the storm, and Simon is not asleep, by any means. He may yet be the boss of the republican party in Oregon. If a special session of the legislature shall be called Simon is the man behind the throne that will have it done.

Hon. George H. Williams has taken the oath of office and is now mayor of Portland. Mr. Williams is an old man, but some of the citizens of Portland will find out he is not too old to instill progressive methods in their business affairs that will make it a growing and prosperous and wide-awake city. New life will be instilled into it by an old man that will make things young again.

The Philippine islands are now under civil control, and the president has issued a proclamation granting pardon and amnesty to all persons who were engaged in rebellion prior to May 1st, 1902.
