

THE MORO BULLETIN.

THURSDAY JULY 31, 1902

Sheriff Cudihee seems to be the only man who will suffer in his political prospects through the escape of Tracy. This is hardly fair, as Cudihee seems to have done as much and more than the other sheriffs through whose territory Tracy happened to pass. Not a word of blame has ever been said against the Oregon state prison officials, whose lax methods were the cause of all the trouble.

Malcolm A. Moody is back from his duties at Washington, D. C. He expects the engineers to begin operations on The Dalles-Celilo canal some time this fall. The canal will probably come into use about the time of our grandchildren.

The cigar and cigarette are much to be dreaded by the Sherman county farmer at present. One of these half-smoked abominations thrown carelessly by the wayside may cause a blaze that would cost thousands of dollars.

Instead of sitting triumphant on the coronation stone poor King Edward is reduced to an invalid chair. Early piety, Mr. King; we can't eat our cake and have it.

IN GENERAL.

R. J. Ginn made a business trip to Portland.

Potatoes are selling in Portland at 50c per cwt.

Dru Barnum went to The Dalles on business Saturday.

We are happy to say Mrs. Coleman has nearly recovered from her illness.

Frank Peterson has taken Mr. Stewart's place as section boss on the C. S. line.

Chas. Porter of Porter Bros., the lumbermen of Grass Valley, was down on business Monday.

Oscar Probstel was flying round town this week behind a team of sorrel broncos he was busting.

Don't let that fence go any longer. I can sell you posts at 10c by the carload. M. Fitzmaurice.

W. W. Clayton, of the Fairbanks Scale Co., was in town last week. He is inspecting scales in all the W. W. M. Co. warehouses.

Did you see the carload of buggies for sale at Moore & Pike's? Cheapest, strongest and most durable vehicles ever offered for sale in the county.

Orin Ramsey sold his residence on Legal Hill to T. R. McGinnis, who will move with his family to town. Orin will go out and harvest, and build again the spring.

The universal cry is for men to help harvest. \$2.00 is the lowest wages. It is a hard time for the neversweats; no excuse now—the job is there if the spirit is willing.

The Moro Implement Company beg to state to the public that they have a number one plumber who works in connection with their hardware store. They are prepared to make estimates on all kinds of plumbing and tin work.

Our readers amongst stockmen may wish to know prices paid for a mixed bunch of 500 cattle in Wheeler county last week. Cows, \$35; two-year-old steers, \$28 and \$30; yearlings, \$19. The cattle were bought for Tom Rhea, of Heppner.

According to the Pacific Old Fellow, the members of Ridgeville lodge recently went to the extreme of introducing a lot of "hors-play" in conferring the degrees, and the grand master took up the charter. That was a proper action. There is no more place in Odd Fellowship for "horse play" or "side degrees" than in a church. The beautiful ceremonies in the degrees teach the solemn duty to God and man. When men so far forget their dignity and manhood as to act as these of Ridgeville lodge did it is time they were taught a lesson.

W. C. Stranahan and wife arrived in town on Friday last, and have taken rooms at the City Ho-

tel. Mr. Stranahan has purchased the store and stock of goods owned by Higubotham and Schaeffer. This stock will be sold out below cost. See Mr. Stranahan's ad in this issue.

The place to buy your sewing machines is at the Moro Implement Co. They carry the famous Siletto, and will sell them cheaper than anyone else.

There is a good opening in Moro for a family of rustlers to do washing and work out. It is almost impossible to get this class of work done at any price.

Moro Implement Co. have a complete line of extras for Oregon Haines, Hodge and McCormick headers. Also, machine oils and all kinds of harvest supplies.

Mr. and Mrs. McCaleb and J. C. McCaleb left for their home at Monmouth on Monday. They were accompanied by Mrs. Chas. McCaleb. The latter will be gone a couple of months.

If you want to see a nicely arranged, elegant stock of furniture, step into George Brock's store. He has, we believe, as extensive a stock of furniture as can be found east of the mountains. Special attention should be given his new and up-to-date typewriter desks and tables, which are beauties.

John Harvey was in town on Sunday. He has been attending to Beckley's sheep at McKenzie Bridge, in Lane county. Mr. Beckley is one of the favored few who managed to get an allotment in the reserve from Capt. Ormsby, who will shortly hold the destinies of the Oregon sheepraisers in the hollow of his hand.

Some Streets.

We once visited a town where the streets were all named from A to Z, and while standing on the street next to Y a woman came along and said:

"Is this U?"

We said, "Well, yes, ma'am, I think it is."

"Well," she says, "for an hour I have been looking for U." She said she started at A, and finally got across. We didn't know how long she was going to B there, and went back to C. She says:

"Are there many people living on U?" Said we, "Yes ma'am; my wife and six children, three hired girls, the cook and some star boarders."

"I live on T," she said. "Oolong or Soochong?" "Go 'long."

We went, saying, "So long."

If a Man Lits to You, And say some other salve, ointment, lotion, oil or alleged healer is as good as Bucklen's Arnica Salve, tell him thirty years of marvelous cures of piles, lumps, boils, corns, felons, ulcers, cuts, sores, bruises and skin eruptions prove it's the best and cheapest. 25c. at all drug stores.

Uncle Sam's Mail Service

requires physical and mental ability of a high degree to withstand its hard labors. The high tension to which the nervous system is constantly subjected, has a depressing effect, and soon headache, backache, neuralgia, rheumatism, sciatica, etc., develop in severe form. Such was the case of Mail Carrier S. F. Schweinhart, of Huntsville, Ala., he says:

"An attack of pneumonia left me with muscular rheumatism, headache, and pains that seemed to be all over me. I was scarcely able to move for almost a month when I decided to give Dr. Miles' Pain Pills and Nerve Flaxers a trial. In three days I was again on my route and in two weeks I was free from pain and gaining in flesh and strength."

Sold by all Druggists. Dr. Miles Medical Co., Elkhart, Ind.

THE HOME GOLD CURE.
An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves. No Nauseous Doses. No Weakening of the Nerves. A Pleasant and Positive for the Liquor Habit.

It is now generally known and understood that drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within the reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia.

All correspondence strictly confidential.

Since the First

ROCHESTER LAMP was made there have been many "likes" or "as good as" it placed upon the market. Some were even said to be "improvements" on it. One by one they fall by the wayside, for experience proves that there is only one lamp that is really better, and we make that, too. THE NEW ROCHESTER In it we embody all that is really worth having in a lamp, both as to quality and style. Don't forget, every genuine New Rochester has the name on the lamp. We can fill every lamp want. No matter whether you want a new lamp or stove, or old one repaired or relubricated, a new burner or other make of lamp transformed into a New Rochester lamp, we can do it. Let us send you literature on this subject. THE ROCHESTER LAMP CO., 68 Park Place, New York.
