

# THE MORO BULLETIN.

THURSDAY AUG. 21, 1902

## IN GENERAL.

Harvest is about half through, with hands scarce.

Wm. Allison and wife of DeMoss Springs were in town Friday.

M. T. Nolan of The Dalles was in Moro last week on business.

A postoffice has been established at Trail Fork, Gilliam county.

R. J. Ginn and family returned from Portland on Saturday last.

Miss Mabel Moore of Grass Valley was visiting friends in Moro last week.

Woman cook wanted at the City Hotel, wages \$35 per month. Steady job.

The Weidewitch family moved from the foundry to the Brown residence on Saturday.

Miss Gracie Sells celebrated her 12th birthday in the most approved style on Friday last.

Ben McCoy has bought a new safe to keep his money in, and has discarded the old stocking.

Letters from Mr. and Mrs. Elder say they are enjoying their vacation in Portland very much.

Dr. C. R. Rollins and W. I. and A. B. Westerfield of Grass Valley were Moro visitors last Friday.

The wheat crop in Sherman county is a fair average, probably 25 bushels to the acre all round.

Mrs. Landry is visiting her daughter, Mrs. Calbraith, at their ranch in the Gordon Ridge neighborhood.

H. D. Parkins of The Dalles was in town on Friday, accompanied by W. B. Hendershott, a piano man from Portland.

Miss Greta Moore is making a splendid recovery from her recent operation. Already she is able to sit up in her easy chair.

The Willamette Valley wheat crop will fall short 25 per cent of last year's. If the price is 55c the farmer will come out even.

The vault in the county clerk's office has been rigged up with new fixtures. The records of Sherman county are being well cared for.

Frank Peterson moved to the Ed Lyon house last week, leaving H. W. Tracy, the new section boss, in possession of the Columbia Southern cottage that goes with this job.

The Misses Edna Strahl and Myrtle DeMoss returned from cooking for Shull's threshing outfit on Saturday last. Their places were taken by Miss Mesplie of The Dalles.

Richard and Eugene Turner, of Astoria, arrived in town on Tuesday. They will work round for a while and then try and buy a farm. They say it is much harder to get a start in the Valley than up here.

L. K. Moore's brick is an old chestnut, affording us many an item. The brickwork is finished now, and we promise not to mention the building again until it is finished, rented, and out of commission as to newspaper mention.

Dr. Logan and Clarence Skainer laid out a fine tennis court on the baseball ground on Monday. This game, which has been sidetracked for a few years owing to the prevalence of bowling, ping pong, golf, baseball, billiards and kindred complaints, has at last been resuscitated and is now commanding its share of attention.

The Moro public school will open on Monday, September 25th, under the most favorable conditions. A brick addition to the present building is in course of construction. There will be a corps of five teachers, and the course of study will comprise ten grades. No efforts are being spared to make this the best school in the county. Teachers of the highest skill and experience have been secured, and parents sending their children here will find that this school offers exceptionally fine advantages from an educational standpoint. The moral tone of the community is good. All having children to educate are invited to patronize the Moro public school.

T. R. Barnes finished his contract on Moore's brick [there goes the brick again!] and took his departure for Wasco and the widder on Tuesday.

The place to buy your sewing machines is at the Moro Implement Co. They carry the famous Siletto, and will sell them cheaper than anyone else.

W. E. Getz is hard at work getting his mill ready to commence work in September. The smokestack was placed in position Saturday, and little remains to be done but turn on steam and let her rip.

T. R. Barnes made a trip to Grass Valley on Sunday, accompanied by Ed Pankey. Mr. B. has contracts for five brick buildings there, to go up immediately. Grass Valley is going to have a regular old-fashioned building boom this fall, and a solid one at that.

The Moro Implement Company beg to state to the public that they have a number one plumber who works in connection with their hardware store. They are prepared to make estimates on all kinds of plumbing and tinning.

If you want to see a nicely arranged, elegant stock of furniture, step into George Brock's store. He has, we believe, as extensive a stock of furniture as can be found east of the mountains. Special attention should be given his new and up-to-date typewriter desks and tables, which are beauties.

Bro. Max Lueddemann of the Antelope Herald and J. N. Burgess of the Antelope creamery were in Moro between trains on Tuesday. We could not learn the object of the visit of these gentlemen, but socially they had a very pleasant time while here. Come again, gentlemen.

Miss Veda Fraser of Monkland succeeded in passing a very creditable examination for a third grade teacher's certificate last week. Miss Fraser is now a full-fledged schoolmarm, quite competent to teach the young idea the three Rs, reading, 'riting and 'rithmetic. She will likely teach a school in her own neighborhood this fall.

No less than six carloads of bucks—real live Rambouillet thoroughbreds—passed down the line East on Tuesday, from the B. S. & L. Co.'s ranch. Allowing 150 sheep to each car at \$20 per head, the value of the shipment would be \$18,000. One of the partners in this concern once told the writer there was no money in bucks. He must be a lineal descendant of Ananias and Sappira.

Shatters All Records.

Twice in hospital, F. A. Guillege, Verbena, Ala., paid a vast sum to doctors to cure a severe case of piles, causing 24 tumors. When all failed, Bucklen's Arnica Salve soon cured him. Subdues inflammation, conquers aches, kills pains. Best salve in the world. 25c at all drug stores.

## Head-ache.

Sick headache, nervous headache, tired headache, neuralgic headache, catarrhal headache, headache from excitement, in fact, headaches of all kinds are quickly and surely cured with

## DR. MILES' Pain Pills.

Also all pains such as backache, neuralgia, sciatica, rheumatic pains, monthly pains, etc.

"Dr. Miles' Pain Pills are worth their weight in gold," says Mr. W. D. Kreamer, of Arkansas City, Kan. "They cured my wife of chronic headache when nothing else would."

"Dr. Miles' Pain Pills drive away pain as if by magic. I am never without a supply, and think everyone should keep them handy. One or two pills taken on approach of headache will prevent it every time."

Mrs. Justice Johnson, Chicago, Ill.

Through their use thousands of people have been enabled to attend social and religious functions, travel, enjoy amusements, etc., with comfort. As a preventative, when taken on the approach of a recurring attack, they are excellent.

Sold by all Druggists. 25 Doses, 25 cents. Dr. Miles Medical Co., Elkhart, Ind.

## THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves. No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive for the Liquor Habit.

It is now generally known and understood that drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your Lusbands!! Children cure your fathers!! This remedy is in no sense a nostrum but a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within the reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia.

## Since the First...

ROCHESTER LAMP was made there have been many "like" or "as good as" it placed upon the market. Some they fail by the way-side, for experience proves that there is only one lamp that is really better, and we make that, too.

THE NEW ROCHESTER

In it we embody all that is really worth having in a lamp, both as to quality and style. Don't forget, every genuine New Rochester has the name on the lamp.

We can fill every lamp want. No matter whether you want a new lamp or stove, an old one repaired or refinished, a new mounted or other make of lamp transformed into a NEW ROCHESTER, we can do it. Let us send you literature on the subject.
