

# TRUTHS ABOUT ADVERTISING

THE art of advertising lies in stating the truth in as few words as possible and to the point.

It is useless to assert in columns of space that "merchandise is being sold at cost" at such or such a store if that statement is not backed by FACTS.

If your experience with advertisers in the past has made a "doubting Thomas" of you let us restore your faith.

We are advertising this entire stock at wholesale price.

## PRICES TALK.

Come in and judge for yourselves whether or not we are truthful advertisers.

**IN AND AROUND TOWN.**  
Gasoline 27c per gal. at the Leader. See ad.

111 men's suits at a bargain at the S. T. Company.

J. B. Hosford made a trip to Portland last week.

Miss Daisy Stanley made a visit to The Dalles Monday.

Ben Pests, the Kent merchant, was a Moro visitor Monday.

A. V. Underwood bought all of J. B. Mowrey's prunes this week.

J. M. McCulloch has sold out his hotel at Kent and left on Monday for the Valley.

Frank Hayes, a brother of S. S. arrived in town Saturday from Greys Harbor, Wash.

Mr. and Mrs. E. H. Moore went to The Dalles Monday to visit friends and see Buffalo Bill.

H. A. Page is having his house remodeled and an addition built by A. C. Dougherty and Tom Britten.

Heydt & Co. of Moro have on hand a large stock of double and single harness, and also all kinds of heavy work harness.

A number of young folk got together yesterday and surprised Master Harry Moore on the anniversary of his birthday. The presents were numerous and costly.

S. T. Bunch finished threshing for J. B. Mowrey Tuesday. Mr. Mowrey says he had 600 sacks of wheat more than he expected. 600 sacks of grain at 50 cents per bushel is a very nice increase to a man's income.

The Little Giant thrasher, sold by Moore Bros. & Ginn, Moro, is one of the best machines of the kind on the market. The thrasher and gasoline engine to run it can be bought for a tithe of the price paid for the larger outfits. One of these machines threshed 115 sacks of grain in 4 hours on a farm near town last week, from straw kept over from last year. A carload of these machines, latest improved and better than ever, are expected in town daily. Come in and figure for the outfit. With one of these you have a dead cinch on your crop. No need to wait until your neighbor is through; you can thresh when you please and with the ordinary help on the ranch.

It Needs A Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 531 Highland Ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years, and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. G. N. Bolton.

Why pay from 50 to 100 per cent more for your supplies when you can get them at wholesale price at the Leader. See ad.

Mrs. Frank Morrow and children, who have been visiting with Mrs. Hoggard, returned Sunday to their home in Wasco.

M. H. Poole was up from The Dalles Sunday on a visit to his family. He is working on a building at The Dalles for Bert Campbell.

Lois Ruggles was in from the John Day Thursday with a load of fine cabbage. She reports things prospering at the Triangle-Bar ranch.

Jim Tomlin in sinking a well for Johnny Coy struck rock so hard and found water so scarce that he abandoned the hole at 250 feet and commenced to bore in another place.

Mr. Tracy, the new foreman on the Moro section of the C. S. Ry., is doing some excellent and much needed work, raising and fixing the track between this city and DeMoss.

George DeMoss made the office a pleasant call on Monday. He has 320 acres of wheat headed and in the stack ready for threshing. Jim Miller is expected to do the job next week.

Mrs. Cassie Hampton came up from Portland on Wednesday of last week for the purpose of making final proof on her homestead near Kent. She spent several days with her sister, Mrs. O. Anderson and returned home yesterday.

Mr. and Mrs. C. I. Dakin, who have been visiting their many friends and relatives in Moro, returned Wednesday to their home in Hood River. They were accompanied by Misses Myrtle DeMoss and Edna Strahl who intend to try ranching for a few days at the homestead of Miss DeMoss near Mt. Hood. The young ladies will no doubt "make hay while the sun shines" and may incidentally harvest a crop of tan, sun-burn and fresh air. We wish them a pleasant trip.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.

Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. G. N. Bolton.

Spaltora All Records.

Twice in hospital, F. A. Guillege, Verbeas, Ala., paid a vast sum to doctors to cure a severe case of piles, causing 24 tumors. When all failed, Bucklen's Arnica Salve cured him. Subdues inflammation, conquers aches, kills pains. Best salve in the world. 25c at all drug stores.

Just Look At Her.

Whence came that sprightly step, faultless skin, rich, rosy complexion, smiling face? She looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result—all organs active, digestion good, no headaches, no chance for "blues." Try them yourself. Only 25c at all drug stores.

His Sight Threatened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison off his hands into his eyes, and for a while we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him, and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits. G. N. Bolton.

Notice.

I have bought several carloads of wood and am prepared to sell the same by the car or cord, 16-inch or 4-foot. M. FITZMAURICE.

Geo. Bolton has the famous Robinson bath cabinet. Complete, \$5. Vacuum Fruit Jars at the Sherman Trading Co. Best on earth. Self-sealing Vacuum Fruit Jars, best in the market today, at Moro Implement Co. Gives universal satisfaction.

W. B. McCoy has been appointed sole agent for the celebrated Hazelwood ice cream, of Portland. It is the perfection of the ice cream maker's art. On sale every day.

J. B. Croft who, has the position of principal of the public school, arrived Sunday from Kansas City accompanied by his wife. They have rented the Harry Brown residence and will go to housekeeping immediately.

Messrs. Moore Bros. & Ginn have purchased three car loads of coal which they will store up in preparation for cold weather. Almost everybody in town has bought a carload of wood, thus making a shortage of fuel in town this winter scarcely possible.

Three Indians came to town Tuesday last and sold the county several coyote scalps. One of the red men was minus a leg and two fingers, but how he lost them we could not learn. He looked as though he had been through a threshing machine some time or other.

Mrs. Strahl wishes to inform her friends and patrons that she has ordered her large stock of millinery goods for the fall trade. These goods are carefully selected by Mrs. Strahl's milliner who has a thorough knowledge of the business and is now in Portland, trimming these goods, so as to take advantage of all the latest fashions to be seen at the large wholesale houses. Mrs. Strahl will have her fall opening about the 15th of September.

An unfortunate harvest hand got an overload of booze at Grass Valley, Tuesday morning, and thought he would steal a ride to Biggs. The result was that he fell from the brake-beam and was run over by the cars. His arm was badly crushed and his head and face cut. He was brought in an unconscious condition to Moro where Doctors Logan and Giffin took the arm off below the elbow. At the present writing the unfortunate man is doing as well as can be expected.

A jolly crowd of young people went to the DesChutes Sunday to fish and enjoy themselves generally. After some delay a start was made from the City Hotel. Leonard Ireland and Miss Laura Thomas in the lead, followed by Boll Fitzmaurice, Mr. McCulloch, Arthur Kennedy, Ida Mowrey, John Parry and Edna Strahl bringing up the rear. Mrs. Redfield officiated as chaperone. Not many fish were caught, but the young people enjoyed themselves all the same and report a pleasant day.

Ned Florer returned from Collins Hot Springs Monday. He brings glowing accounts of the healing properties of these springs and says there are about 300 people camped there. There would be more if the place was properly advertised. The public don't know that bath tubs are in use, some parties arriving with their own tubs. W. J. Hosford is in charge and no better man could be had for the place. He is here, there and everywhere, attending to campers, pumping water and seeing that everybody is made comfortable.

We beg to call attention to the fact that the Moro school will open on Monday, September 22d, instead of the 25th as stated last week. A brick addition to the present building is in course of construction. There will be a corps of five teachers, and the course of study will comprise ten grades. No efforts are being spared to make this the best school in the county. Teachers of the highest skill and experience have been secured, and parents sending their children here will find that this school offers exceptionally fine advantages from an educational standpoint. The moral tone of the community is good. All having children to educate are invited to patronize the Moro public school.

Gasoline 27c per gallon at the Leader. See ad.

School books for the fall term will be in Sept. 1-10. Geo. Bolton.

Doctor Jack Daley, the man outside the first potato raised in Sherman county, was a Moro visitor yesterday.

Chas. Finniagas and R. D. O'Brien, two plumbers from The Dalles, came up Wednesday to put a zinc roof on R. J. Ginn's brick building.

Elwood Thompson was in from his ranch today. He is harvesting his large wheat crop with a Holt's combined machine, and says that is the cheapest and best way to harvest.

Sheriff McGinnis brought a man named Carter from Wasco yesterday and lodged him in the county jail. Carter was arrested in Portland on a charge of petty larceny and after being brought to Wasco was fined \$75.00. He preferred serving his time in jail to paying the fine.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves. No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive for the Liquor Habit.

It is now generally known and understood that drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your Husbands!! Children cure your fathers!! This remedy is in no sense a nostrum but a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within the reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia.

All correspondence strictly confidential.

Sherman County's Lands. The wonderful productiveness of Sherman county has never been fully understood, even by her own citizens. Here is a county that is about the smallest in area of any in the state, but when it comes to wheat producing we find that one-sixth of the entire crop of wheat of the state of Oregon is harvested in this little county. Not only does she produce an immense crop of wheat, but barley, oats, apples, peaches, plums, and all kinds of vegetables flourish and yield in abundance. The people are wide awake and progressive, as is evidenced by the good schoolhouses in every locality.

Land is cheap, selling from \$5 to \$15 per acre, and all within easy reach of market.

Persons desiring to know more of Sherman county would do well to address O. P. Hulise, Moro, Oregon, who takes great pleasure in giving information concerning its resources and possibilities.
