A SPAR BLOCKADE RUNNER

When the blockade runner was sighted, the men on the shore were all eyes and ears. The man in the boat was seen to be a white man, and he was seen to be a white man.

HE CAUTIONNLY SLIPPED THE PENCIL FROM HIS POCKET TO RISK.

They felt weakest. Then, with eyes fastened upon the sleepy guard, he opened a cheap Bible, tossed it to him by a splinter with corkscrew curls at a stopping-place. His eye, adroitly dropped upon the page, caught a single word: "How long hath he been upon two opinions?" and the thought flashed into his brain: "An omen! I will accept it!" But the guard looked in his direction, and, hesitating, he again glanced at the turned page, and read: "How long hath he been upon two opinions?" and the thought flashed into his brain: "An omen! I will accept it!"

Secretary of State, Dunbar, has disallowed the claim of Mrs. Wagener, for finding the dead body of the escaped convict, Merrill, and returning it to Salem. The law authorizes the offering of a reward for the apprehension, safe keeping and return of escaped prisoners.

Photographer C. C. Harlan, of Bates, O., can do now, though for years he couldn't, because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders for him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles.

The city is burning coal in the power house, and finds it better for that purpose than wood. Four lots, good house, barn, woodshed and all the conveniences of a modern residence for sale. Apply at this office.

An abstract of title is something the average man knows very little about. He has sold his property or wants to loan on it, and is told by the purchaser or loan company that an abstract is absolutely necessary. He immediately orders one without inquiring the cost. It will pay you to see me if you want an abstract. If you want to borrow money I can get it for you from a reliable company. - M. Fitzmaurice.

"Famfile" is the only perfect catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve fever or cold in the head. Catarrh when neglected often leads to consumption. "Famfile" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Famfile" the Guaranteed Catarrh Cure. Win. G. McDonald of Grant made final proof on his homestead entry No. 6123, Saturday, Sept. 6. Sterling P. Treat of Klondike, made final proof on his homestead in Sec. 1, T. 1 N.; R. 18 E. on Saturday last. He had as witnesses Wm. Spear and B. F. Montgomery.

There are times when your liver needs a tonic. Don't give purgatives that grip and weaken. DeWitt's Little Early Risers expel all poison from the system and act as a tonic to the liver. W. Scott, 331 Highland Ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years, and would not be without them." Small and easy to take. Purely vegetable. They never grip or distress. - G. N. Bolton.

Doctors have tried to cure Catarrh by medicines, but they failed. The power pills used in the past have entirely worn away the same membrane that they seek to cure, while passing and returning to the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the affected parts. This remedy is known as "Stiffness the Guaranteed Catarrh Cure" and is sold at the extremely low price of one dollar, each package containing internal and external medicines for a full month's treatment and everything necessary to its perfect use.

A meeting of the city council was held Saturday morning for the purpose of passing on some bills of importance. G. M. Frost appeared before the board with a proposition to light the town with gasolene. After some discussion the proposition was postponed to a future meeting. Although street lights would be of much benefit, and the lamp exhibited by Mr. Frost is just what is needed to light the town, at present it is not likely the proposition will be entertained. The city has been at considerable expense the year putting in a sewer system and other improvements, and it is scarcely possible at the present state of the exchequer to solve the lighting problem.

A Necessary Precaution. Don't neglect a cold. It is worse than influenza. It is dangerous. By using One Minute Cough Cure you can cure it at once. Allays inflammation, clears the head, soothes and strengthens the mucous membrane. Cures coughs, croup, throat and lung troubles. Acts immediately. Children like it. - G. N. Bolton.

Eugene Field's Views on Ambition and Dyspepsia.

"Dyspepsia" wrote Eugene Field, "often incapacitates a man for endeavor and sometimes extinguishes the fire of ambition." Through great despair his complaint Field suffered from indigestion all his life. A weak, tired stomach can't digest your food. It needs rest. You can only rest it by the use of a preparation like Kodol, which relieves it of work by digesting your food. Rest soon restores it to its normal tone. Strengthening, Satisfying, Invigorating. Prepared only by E. C. Terrell & Co., Chicago. Use 5c. bottle containing 2 1/2 ounces the full size.
