But—????

Everybody likes to wear good clothes; every man, every woman, every child. They like to feel that the garments they have on were made for them; it's a satisfaction that's worth paying for, but—

Some tailors charge too much for it; perhaps they need the money; we don't know. But—why not

PAY LESS AND DRESS BETTER

After you have selected the pattern for a suit of clothes, all you can get in it at any price is style and fit. You may say that in addition the garments should be well made; but that's only a repetition. If they fit and have style about them, they are well made, you may depend upon that; and if they are well made, they fit and have style; the terms are inseparable.

We are in the tailoring business. We show a carefully selected line of some 500 choice patterns in Fall and Winter Woolsens. These are from

and they handle all our tailoring orders. The new goods are truly beautiful and the prices are sure to interest those who appreciate values.

MEN'S SUITS AND OVERCOATS
BOYS' SUITS AND OVERCOATS
LADIES' DRESS AND WALKING SKIRTS

All garments made to exact measurements, in the clean, light and wholesome Royal work-rooms; no sweat-shop labor; no fancy prices; no failing to satisfy. See the Royal line—use your judgment—that's all we ask.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. G. N. Bolton.
