Forty Years Torture.
To be relieved from a torturing disease after 40 years' torture might well cause the gratitude of any one. That is what DeWitt's Witch Hazel Salve did for C. Haney, Geneva, O. He says: "DeWitt's Witch Hazel Salve cured me of piles after I had suffered 40 years." Cures cuts, burns, wounds, skin diseases. Beware of counterfeits. G. N. Bolton.

Catholics of Sherman County Attention.

Rev. A. Brongest will hold services Sunday October 12th 10 A. M. at the house of Adlai Perrault near Grass Valley. It might be profitable, even important if all the Catholics, at least a good number of them would attend.

The Catholics of Sherman County, and many of its best citizens who profess a different belief or none at all, hold that the Catholics residing in this County ought to have one or more places of worship, and also a resident priest.

How can this be reached except by concerted action? Our Catholics should meet exchange their ideas, and views and devise ways and means to carry out the purpose they cherish. If our Catholics are united they cannot fail to succeed. A good opportunity will be offered to meet, deliberate etc., Oct. 12, coming.

All the Catholics of Sherman are, on this account, urgently requested to attend services Sunday, Oct. 12, at the house of Adlai Perrault, near Grass Valley.

Moro and Grass Valley papers please copy.

Goos Like Hot Cakes.

"The fastest selling article I have in my store," writes druggist C. T. Smith, of Davis Ky., "is Dr. King's New Discovery for Consumption, Coughs and Colds, because it always cures. In my six years of sales it has never failed. I have known it to save sufferers from Throat and Lung diseases, who could get no help from doctors or any other remedy." Mothers rely on it, best physicians prescribe it, and all druggists guarantee satisfaction or refund price. Trial bottles free. Regular sizes 50c and \$1.

His Life in Peril.

"I just seemed to have gone all to pieces," writes Alfred Bee, of Wellfare, Tex., "billiousness and a lame back had made life a burden. I couldn't eat or sleep and felt almost too worn out to work when I began to use Electric Bitters, but they worked wonders. Now I sleep like a top, can eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run down people. Try them. Only 50c at G. N. Bolton's drug store.

America's Famous Beauties.

Look with horror on skin eruptions, blotches, sores, pimples. They don't have them, nor will any one who uses Bucklen's Arnica Salve. It glorifies the face. Eczema or salt rheum vanish before it. It cures sore lips, chapped hands, chilblains. Infallible for piles. 25c at G. N. Bolton's drug store.

Wire netting is still across the John Day to stop the fish passing up. Where is the game warden, peradventure he sleepeth.

Look Out For Fever.

Billiousness and liver disorders at this season may be prevented by cleansing the system with DeWitt's Little Early Risers. These famous little pills do not gripe. They move the bowels gently, but copiously, and by reason of the tonic properties, give tone and strength to the glands. G. N. Bolton.

The Little Giant thrasher, sold by Moore Bros. & Ginn, Moro, is one of the best machines of the kind on the market. The thrasher and gasoline engine to run it can be bought for a title of the price paid for the larger outfits. One of these machines threshed 115 sacks of grain in 4 hours on a farm near town last week, from straw kept over from last year. A carload of these machines, latest improved and better than ever, are expected in town daily. Come in and figure for the outfit. With one of these you have a dead cinch on your crop.
