

THE MORO BULLETIN.

THURSDAY OCT. 23, 1902

IN AND AROUND TOWN.

111 men's suits at a bargain at the S. T. Company.

Dolph Heydt is visiting in Portland.

E. Bether and family moved to their ranch near Kent Monday of this week.

Dr. O. J. Goffin and Mrs. Bruce arrived home from Klickitat Monday evening.

Melania Eliza and Amanda Martin made a business trip to Wasco Saturday.

F. H. Mead, a prominent real estate man of Wasco was in town on business yesterday.

An AI sewing machine for sale at the noble price of \$5. A trial given. Enquire at this office.

W. E. Woodcock of Wamic was a Moro visitor Wednesday. He was accompanied by Miss Lena Driver.

Wayne McFarland and Miss Elizabeth Kingsbury were united in marriage by George Brock, Wednesday, October 21, 1902.

Mr. and Mrs. M. Parkins of The Dalles have purchased a farm near Kent and expect to move there this week.

W. V. Johnson, a former resident of Moro was in town looking after his interests in Sherman county this week.

A. C. Sanford has been appointed postmaster at Shaniko, to fill the vacancy caused by the resignation of Wm. Holder.

Sims five cars of Lincoln lambs, probably the property of Mr. Young, the Bakoven sheep king, passed down the line Tuesday.

James Woods and Mrs. Coleman left on Tuesday morning's train for Pittsburg, Penn., to make an extended visit with friends and relatives.

Walla Walla is suffering from another epidemic of small pox. There are between 30 and 40 cases scattered over the city and at the isolation hospital.

Wes Johnson purchased the George Kirth residence up the railroad last week. This is a nice piece of property, and just the right distance from town.

Oliver Powell was in the county last week from his stock ranch in Crook county. He seems to like his location very well and is prospering in the cattle business.

Mrs. Shaffer's mother, Mrs. Snodderly, and her sister, Mrs. Boone who have been visiting here for some time returned to their homes in Prineville Saturday.

Leule Heydt's colt and Orville Smith's race horse will represent Moro on the track at the Antelope fair. The sports will begin on the 27th, next Monday, and promise to be out of sight.

The Beehive is selling dry goods at prices that can be duplicated only in the East.

Office hours 8 a. m. to 5 p. m.
Crown and Bridge work and the
restoration of teeth a specialty

Opposite City Hotel.

Good school tablets for 5 cents at the "Beehive."

Geo. Bolton has the famous Robinson bath cabinet. Complete, \$5.

M. H. Poole commenced to plaster Hoover's new brick building Tuesday. Mr. Hoover may well feel proud of his undertaking, his building would be an ornament to any city.

The largest shipment of hogs ever sent from Moro was made by H. A. Page the first of the week. The animals cost him \$2500.00. Mr. Page accompanied the shipment to Portland.

Misses Ella and Gene Anderson spent Saturday with Mrs. Oldham at Hay Canyon. They returned Sunday and were accompanied by Mrs. Oldham, who attended church in Moro Sunday p. m. returning to her home Monday morning.

Two representatives of the Sisters of Charity from Portland were soliciting funds in Moro for the Old Ladies Home maintained by their order at that place. Their object is a worthy one and they secured a neat little sum from our city.

Mrs. Hampton arrived last week from Pendleton and is visiting her daughters, Mrs. Anderson and Mrs. Ragdale. She expects to remain in Sherman county during the winter. She was accompanied by her sister, Mrs. Johnson, lately from Missouri, who will make her home with relatives near Moro.

Judge Bradshaw held a session of court on the back platform of the C. S. train Saturday. He rustled through court here so fast that he had to finish up on the cars. It seems that he became tired of the bean soup furnished by Fitzmaurice at the City Hotel and had to get out of town to save his life.

A letter from Ned Florer at the St. Vincent's Hospital, in Portland says he is getting along nicely. He was subjected to a serious operation during which a gall stone the size of a chestnut was removed. Beside the Portland faculty there were six doctors present from Chicago and Philadelphia. It may be mentioned that Dr. Goffin's diagnosis was fully sustained.

Don't forget to attend the annual gathering of the Fossil Caledonian Club at Antelope Monday and Tuesday next. Those who wish to see some fine Scottish dancing and to hear again the "Scirl o' the pipes," should attend. Sargeant Moon and Piper McLennan are worth going twice the distance to hear, to say nothing of the horse racing, foot ball playing and other lively amusements.

W. J. Hosford is up from his hot springs at Collins Landing on a visit to his brother J. B. Mr. Hosford says he had a prosperous season at the springs and that he left several campers still on the ground. He has ordered two large self-acting automatic sponges for use next year, so that lazy people can take a bath without the least exertion.

O. H. Davenport who has been practicing dentistry here, off and on for several years, met with a streak of bad luck on his way to Tillamook Saturday. The Tillamook stage was held up and our genial friend, with others, was relieved of his surplus cash. Mr. Davenport vows vengeance and if the robbers are caught, he swears, if he can't get an eye for an eye, he must have a tooth for a tooth. The robbers, three in number, and heavily armed held up the stage at the foot of a steep grade, and invited the passengers to get out and hand over their belongings, which was cheerfully (?) done.

Good school tablets for 5 cents at the "Beehive."

Obituary.

It is with the greatest commiseration and regret, we chronicle in this issue the sudden death of our respected townsman R. E. Hoskinson, Tuesday evening. Mr. Hoskinson was around during the day as usual and was down to the depot to see relatives off on a visit to the East and was apparently in good health. At about six o'clock he complained of being ill, went to lie down and in half an hour he passed away. Mr. Hoskinson was born in Jefferson county near Fairfield, Iowa in 1862. He took up the study of law, was called to the bar and practiced his profession in this town for a period of six years, during which time he conducted his business in an upright and conscientious manner. Mr. Hoskinson was a prominent member of the M. E. church and took much interest in church matters, working diligently for the Master in whose footsteps he followed during his useful life.

The funeral services were held in the M. E. church, that building the deceased loved so well. Impressive sermons were preached by Rev. Elder and Rev. Evans after which the remains were followed to their last resting place by a large concourse of sorrowing friends. The whole community joins in extending sympathy to the bereaved relatives and commend them to Him who "will wipe all tears from off all faces."

James Stewart has purchased 2300 head of sheep from Mr. Becktop of Eugene, besides his pack horses and outfit. We think Mr. Stewart got a bargain in this band, they are heavy shearers and should do well on his range which comprises several hundred acres of deeded pasture land. We are glad to see Mr. Stewart back in the sheep business again under such favorable conditions. He will add some 800 more sheep to this flock.

School Superintendent, W. H. Ragsdale has taken on himself the responsibilities of a father. Monday, October 20, he was presented by his wife with a charming baby girl. We congratulate friend Ragsdale very heartily, especially on being the happy possessor of a daughter. We have had some ourselves along those lines ourselves and reciprocate the old saw, "A son's a son till he marries, but a daughter's a daughter forever."

"Snuffles" is the only perfect catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve hay fever or cold in the head.

Catarrh when neglected often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the Guaranteed Catarrh Cure.

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. H 567, Edwin B. Giles & Co., 2330 and 2332 Market Street, Philadelphia.

Rumor has it that the engineers who are surveying the route for the Paul Mohr road are camped across the river in Washington almost opposite Crate's point and this gives strength to the theory that was first rumored, that it was the intention to construct a roadway from the above mentioned place to Walulla. Whatever their intentions may be they are acting like men who are in earnest and it is expected that something more substantial will result from the present more than in those of former years.

Out of Death's Jaws.

"When death seemed very near from a severe stomach and liver trouble, that I had suffered with for years," writes P. Muse, Durham, N. C., "Dr. King's New Life Pills saved my life and gave perfect health." Best pills on earth and only 25c at G. N. Bolton's drugstore.

Any attempt to lift humanity higher than the level to which humanity has attained, falls short of its purpose.

Forty Years Torture.

To be relieved from a torturing disease after 40 years' torture might well cause the gratitude of any one. That is what DeWitt's Witch Hazel Salve did for C. Haney, Geneva, O. He says: "DeWitt's Witch Hazel Salve cured me of piles after I had suffered 40 years." Cures cuts, burns, wounds, skin diseases. Beware of counterfeits. G. N. Bolton.

Get your typewriter supplies and inks of Geo. Bolton, Moro.

We are prepared to take potatoes, wheat, chicken-feed or fruit at the Bulletin office on subscription.

The Rebecca's Banquet.

Last Friday evening was a scene of much pleasure in the Rebecca lodge rooms. Miss Nora McCoy was initiated into the mysteries of the order and it is lightly whispered that Mr. Goat put on his best behavior. A full team of guards in beautiful robes added to the impressiveness of the occasion, after which a sumptuous banquet was served and a most interesting program rendered. Samples of cake were left with us, and as we are a good judge of cake, we do not hesitate to pronounce it O. K.

There were 17 visiting members from Grass Valley, and they returned home feeling that they had been right royally entertained.

America's Famous Beauties.

Look with horror on skin eruptions, blotches, sores, pimples. They don't have them, nor will any one who uses Bucklen's Arnica Salve. It glorifies the face. Eczema or salt rheum vanish before it. It cures sore lips, chapped hands, chilblains. Infallible for piles. 25c at G. N. Bolton's drugstore.

The corner stone of the new academy at Pendleton was laid last week. The management of the academy have had a hard struggle for several years to get the school on a firm basis, and now they feel justly proud of the result of their efforts.

Goes Like Hot Cakes.

"The fastest selling article I have in my store," writes druggist C. T. Smith, of Davis Ky., "is Dr. King's New Discovery for Consumption, Coughs and Colds, because it always cures. Mothers rely on it, best physicians prescribe it, and all druggists guarantee satisfaction or refund price. Trial bottles free. Regular size 50c and \$1.
