Obituary.

We read with sorrow in the Condon Globe of the death of Miss Maggie A. Keys, youngest daughter of William Keys, of Mayville, in her 25th year. A flower has been cut down in its bloom. Death, that unbidden guest, has removed from her friends a young woman in the zenith of her usefulness. We sincerely sympathize with the bereaved relatives, and commend them to one who will not harden their lot with unnecessary affliction.

The remains of George Hardin, who died at Hood River of pneumonia, were laid to rest in Moro cemetery on Wednesday last.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for several years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Glorious News

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion and builds up the strength. Only 50c. Sold by A. D. Bolton & Co. Drug-gists. Guaranteed.

A Close Call.

Fred Mathias had a narrow escape from death on his ranch, four miles from town, on Thursday last. It seems he took out his gun to shoot a hawk, when it slipped through his hands towards the ground, the hammer striking something in its descent, which caused the rifle to go off. The bullet entered his head at the angle of the jaw, ranged upwards and out above the ear. Another eighth of an inch towards the neck, and the young man would have been beyond all earthly aid. The patient was immediately brought to town, and is doing well under Dr. I. M. Smith's care.

He Fooled The Surgeons.

All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the World. 25c a box. Sold by A. D. Bolton & Co. Drug-gists.

Wonderful and varied was the performance of the vitascope company which played in our city on Tuesday night last. The performing dogs and ponies were marvels of the trainer's art, while the pictures from the vitascope were excellent representations of the different scenes they were intended to portray. The charming Lee sisters, in their skirt dance, the fastest train on earth, Barnum's circus, and other scenes too numerous to mention, were all that could be desired. But like all other good things, this show must be seen to be appreciated. We can recommend it as well worth the price of admission, and an evening of innocent pleasure can be derived from this carefully arranged performance.

There will be a meeting of the members of the M. E. Church in the class-room of the church Saturday evening, April 29, at 8 P. M. Let each member plan to be present, as some matters of interest will be considered.

Recitation and Singing Contest.

A big crowd assembled in the opera house on Saturday evening to witness the singing and recitation contests. Owing to unavoidable circumstances the number of contestants was not as large as expected. The first number announced by Mrs. H. A. Moore was a song by Prof. Davis, who never fails to please his audience. Then followed a very pleasing recitation by Miss Jennie Kay, "The Blessing that Came with the Train." Next in order came a song by Miss Jennie Williams. This song was rendered with much feeling and expression, and was highly appreciated. Miss May Rust's recitation followed, for which she was awarded a well-merited prize, her elocution being remarkably good. Mr. Frost, who has a very sweet base voice, sang, "My Old Kentucky Home Good-night." Miss Gertrude Elrod's recitation, "Asleep at the Switch," shows careful study, and does that young lady much credit. Mrs. J. B. Hosford sang Marguerite, which was well rendered, considering she had not the aid of an accompaniment. Miss Spear's song, "Dream of Love," for which she got the prize for singing, brought down the house. Prof. Davis' recitation, "A Felon's Farewell to his Mother," was worthy of much praise, and showed much talent. Miss Johnson of Wasco, who has a remarkably sweet voice, then sang a solo, which was followed by a well-rendered recitation by Miss Stanton. Neither of these two last mentioned young ladies competed for the prizes. The evening's entertainment was brought to a close by a few well-chosen remarks by J. B. Hosford and Prof. Peery, who presented the prizes to the Misses Rust and Spear.
