G. A. R. RESOLUTION.

At a regular meeting of W. T. Sherman Post No. 4, Department of Oregon, G. A. R., the following resolution was unanimously adopted:

Resolved, That this Post do most heartily endorse the action of Hon. T. T. Geer, Governor of Oregon, in refusing to demand the recall of our volunteers from the Philippines, believing the demand for their recall at a time when their services were needed by the National Government, would be a blot on the record of that brave and patriotic regiment who have proven themselves the equals of in patriotism and gallantry in camp and field of any body of men who ever faced their country's foe.

That we deem his action in this matter a credit to our state and an honor to himself, and that his name should be enrolled with the names of our other War Governors who so nobly sustained the National Government in the days of our Civil War.

Ordered that a copy of these resolutions be sent to Governor Geer, and also to the local papers for publication.

MORE DE MOSS CORRESPONDENCE.

There is some trouble about the DeMoss Springs postoffice. It seems to have sprung from the "fusion party" who just now seem to have run ashore for "planks" to ride. Spite and jealousy seem to be their party principles. Would it not be well to run over the catechism and see how much this "party" knows about true Christianity. The present situation of the postoffice is certainly convenient and satisfactory to the majority of those who get their mail at DeMoss Springs.

DeMoss Springs has taken a general move the past week. G. W. Coy has taken possession of the property vacated by Rev. Jewel, who has moved on to the Nixon place. Mr. Drake has purchased the property recently occupied by G. W. Coy.

Joseph Hockmar is making great improvements in the DeMoss orchard.

The gardens about DeMoss are looking fine. Vegetables will soon be furnished in abundance.

Yarn of a Commercial Traveller.

Just as a commercial traveler was writing his name on the register of a hotel in Ovid, Michigan, the other day, a bedbug appeared and meandered slowly over the pages. The man of gravity paused in open wonder, and with a voice shaking with emotion said: "Well, by the eternal gods of war, I have been bled by Ioma fleas, bitten by Orwosso spiders, driven almost to insanity by Saginaw jiggers, crawled over by Bay City razzlebacks, and interviewed by Lansing greys-backs, but I'll be doggasted if this isn't the first place I was ever in where bedbugs looked over the register to find out the number of my room."
