

"Fride Goeth Before a Fall."

Some proud people think they are strong, but the blood of disease, neglect health, let the blood run down, and stomach, kidneys and liver become deranged. Take Hood's Sarsaparilla and you will prevent the fall and save your pride.

Blasted Hopes.
In moody silence, with lowering brow and folded arms, the young man stood before her.

He was a returned soldier, a volunteer officer, honorably discharged from the service of his country.

He had come back, as he proposed, to make the dear girl happy who had hung upon his neck when he bade her good-bye to go to the wars.

But the dear girl had received him coldly.

A bustling commercial traveler had taken advantage of his absence and supplanted him in her affections.

"So!" he said, at last. "You have no remorse for your faithlessness?"

"None whatever," she replied.

"You prefer that chap with the sample case to me, do you?"

"Rather."

He drew himself up stiffly.

"Miss Grenadine Corkins," he said, "I leave this house forever. I leave it," he added, picking up his hat, "drummed out, but not drummed out!"

And as he marched out of the room with the military step the heartless girl called out: "Left! left! left!" after him.—Chicago Tribune.

NERVOUS DEPRESSION.

[A TALK WITH MRS. PINKHAM.]
A woman with the blues is a very uncomfortable person. She is illigal, unhappy and frequently hysterical.

The condition of the mind known as "the blues," nearly always, with women, results from diseased organs of generation.

It is a source of wonder that in this age of advanced medical science, any person should still believe that mere force of will and determination will overcome depressed spirits and nervousness in women. These troubles are indications of disease.

Every woman who doesn't understand her condition should write to Lynn, Mass., to Mrs. Pinkham for her advice. Her advice is thorough, common sense, and is the counsel of a learned woman of great experience.

Read the story of Mrs. F. S. BENNETT, Westphalia, Kansas, as told in the following letter:

"DEAR MRS. PINKHAM:—I have suffered for over two years with falling, enlargement and ulceration of the womb, and this spring, being in such a weakened condition, caused me to flow for nearly six months. Some time ago, urged by friends, I wrote to you for advice. After using the treatment which you advised for a short time, that terrible flow stopped.

I am now gaining strength and flesh, and have better health than I have had for the past ten years. I wish to say to all distressed, suffering women, do not suffer longer, when there is one so kind and willing to aid you."

Lydia E. Pinkham's Vegetable Compound is a woman's remedy for woman's ills. More than a million women have been benefited by it.

It's Quite the Fad Now.
They were discussing the details of a projected county exhibition of fat stock, poultry and orchard work.

"I think," said the chairman, "that all the preliminaries have been attended to."

An angular man in the back of the hall stood up.

"Have you invited Dewey?" he asked.

Instantly all was confusion. It was a terrible oversight, but one man's foresight saved the day.—Chicago Post.

Among His Impediments.
"You've got a lot of baggage," remarked the Washington friend who had accompanied him to the railway station.

"Yes," responded the retiring congressman, "but I carry something on my mind that weighs me down more than all this stuff put together."

"What is it?" inquired the other.

"It's my 'ex' said the departing statesman, with a dry sob.—Chicago Tribune.

Absolute Proof

Please send me proof that Dr. Williams' Pink Pills for Pale People will cure you if you are afflicted with any disease of the blood or nerves. Mention the disorder with which you are suffering and we will send evidence that will convince and satisfy you that Dr. Williams' Pink Pills for Pale People will cure you.

These pills contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, St. Vitus' dance, sciatica, neuralgia, rheumatism, partial paralysis and all forms of weakness either in men or women.

To a Lawrence Journal reporter Mr. G. H. Snyder, a well known citizen of Lawrence, Kan., related a wonderful story. He said: "I am now seventy years of age. I was once a well known and successful business man, but I became so weak and nervous that I was unable to move about. I consulted several distinguished physicians, one telling me I had locomotor ataxia, another, erysipelas. I took their medicines but continued to grow weaker. A friend advised me to try Dr. Williams' Pink Pills for Pale People. Before I had finished my first bottle I was able to move about. I used two more bottles and was perfectly cured. Although over six months since I used my last bottle I have had no return of the disease. My appetite is good and general health better than for many years."

"Yes, I've made up my mind to have my life insured. I don't want to be a 'fraidy'." "Any particular reason for it?" "Going to be married next week."

"Let's see, you're one of these popular fellows, aren't you?" "Well, I can't insure you until after the wedding is over."

"Why not?" "Because there's no telling what your friends will do to you before you get out of town."—Cleveland Plain Dealer.

A Matrimonial Musing.
The average young man thinks he is in a position to marry if he has \$250 in the bank and a steady job. Hope is a great factor in a love affair.

The Power of Storm.
The Cayman Islands were nearly overthrown by the recent storm. Apparently secure things are not safe. Even if you have health be on your guard. Disease works stealthily. An occasional dose of Hostetter's Stomach Bitters will keep the bowels regular and disease at bay. If you have indigestion and constipation try it.
