Advertise in the LEADER and prosper.

Farmers are glad to see the winter commence with a snowfall of 4 or 5 inches, and are anxious to see more of the beautiful before the new year. Reports from all over the country go to show that the prospects for a large crop of fall-sown grain are bright. With a heavy snow-fall there will probably be no patches frozen out, and the added moisture will materially help spring grain to withstand the dreaded hot winds of summer. Farmers all round seem very hopeful of a large crop in 1900.

Rev. Wm. Hoskins will preach in the new U. B. church on the Web place on the first Sunday of each month at 2:30 o'clock, and Rev. Drake on the third Sunday of each month at the same hour, and Rev. The sad death of Nettie, youngest daughter of Mrs. Clark, occurred here on Friday night under peculiarly distressing circumstances.

Mrs. Clark's two little girls came up from Portland a couple of weeks ago to visit their mother in this city. A few days after their arrival, the youngest, a particularly bright and lovely little girl, was taken ill and died on Friday last.

Mrs. Clark is heart-broken over the melancholy occurrence, and has the sincere sympathy of her friends in town, who hope that time, the great healer, may efface some of the bitterness of her sorrow. The remains were laid to rest in the cemetery here on Saturday.

Your Face

If you want to know the live business men consider the advertising columns of the LEADER.

The Bazaar.

The members of the Ladies' Aid Society of the M. E. church held their bazaar in the opera house on Friday evening. A constant flow of purchasers kept the ladies in charge of the stalls busy from 3 o'clock in the afternoon until nearly midnight. Mrs. Stanley, Mrs. Strahl and Mrs. Kay presided over the Labor booth, where useful articles, the product of the Ladies' Aid meetings during the year, were disposed of. The Christmas booth was in charge of Mrs. Hoskins, Mrs. Clelland and Mrs. Peoples. Here a brilliant display of fancy work greeted the eye of the purchaser, and dolls, embroidery, and other knick-knacks of all kinds, found a ready sale. The Fourth of July booth, under the management of Miss Mary FitzMaurice and Miss Myrtle DeMoss, was very prettily decorated. Piles of oranges and nuts, with a tempting display of candy, tickled the fancy of the unwary and left them with empty purses. Coffee, sandwiches and cake, were dispensed during the evening by Miss Peoples and Miss Jennie Kay. At six o'clock a mysterious voice at our elbow whispered oysters, and pretty soon the whole crowd was in the soup. The Misses Myrtle Lewis, Frank Spear, Ella Strong, Gertie Elrod, Edna Strahl and Daisy Stanley, dispensed the appetizing delectation, and were kept going at a lively rate for the remainder of the evening. From a financial point of view the bazaar was a complete success, the profits amounting to \$55.00, which goes to the benefit of the M. E. church.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50 cts. and \$1.00. Trial bottles free at A. D. Bolton & Co's Drug Store; every bottle guaranteed.

No Right To Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at A. D. Bolton & Co's Drug Store.

Having ordered two car-loads of these celebrated drills, made before the price of material went up, we are able to sell them from 10 to 15 per cent. less than any other drill can be sold.
