SHANIKO!

The Railroad will be completed to Shaniko about April 1st, and then will spring into existence one of the liveliest towns in Oregon. This will be the terminus of the Columbia Southern Railway, and no doubt the largest wool shipping point in the world! There will also be thousands of cars of cattle and sheep shipped from this point. A postoffice will be established at the new town in a few weeks, and a fine brick bank building will be started as soon as the railroad is completed so that material can be shipped in. But what is needed most, and right away, is a good hotel, and the man who gets in by the 1st of April will have a good thing. As a great many people want to know the price and terms on lots in Shaniko, Moro, Or., or F. T. Hurlburt, Arlington, Or., by whom full information will be cheerfully given.

SHANIKO TOWNSITE CO. Remarkable Rescue.

Mrs. Markham Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle, and to her delight found herself benefited from first dose. She continued its use, and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at A. D. Bolton & Co's Drug Store. Only 50 cents and \$1.00. Every bottle guaranteed.

The winter so far has been all that can be desired by the farmers. Plenty of rain has taken the place of snow, with little frost to injure young grain. For sheepmen the season up to the present has been an ideal one. Except in crowded districts, grass has been fairly good on the outside range, and plentiful on fenced land. Little hay has been fed in comparison with last year, and sheep are in excellent condition. Should the present mild weather continue up to March, the wool clip of 1900 will be a phenomenal one; sheep will shear 2 or 3 pounds more to the fleece than last year, and with the present prospect of 16 or 18 cents for wool next summer, the Eastern Oregon sheep-raiser is to be envied.

Story of a Slave. To be bound hand and foot for years by the chains of disease is the worst form of slavery. Geo. D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle-working medicine is a godsend to weak, sickly, rundown people. Every bottle guaranteed. Only 50 cents. Sold by A. D. Bolton & Co., Drugists.

Criminal Proceeding. A criminal examination was held before Judge Meader yesterday, wherein the State of Oregon was plaintiff, and David E. Junken and Ralph Junken defendants. Geo. P. Higginbotham was the private prosecutor, and he charged the defendants with having assaulted him by striking him on the head with a revolver. The defendants were bound over to the circuit court in the sum of \$200 each.

Bismarck's Iron Nerve. Was the result of his splendid health. Indomitable will and tremendous energy are not found where Stomach, Liver, Kidneys and Bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25 cents at A. D. Bolton & Co's drug store.
