President Hoover on Business and Pleasure Trip to Porto Rico and Virgin Islands—Mayor Walker Under Fire.

By EDWARD W. PICKARD

Gov. Theodore Roosevelt

PRESIDENT HOOVER and a "stag party" sailed from Norfolk, Va., Thursday morning on the reconditioned battleship Arizona for a twelve day trip on which the Chief Executive planned to combine rest and pleasure with business. Included in the party were Secretary of War Hurley, Secretary of the Interior Wilbur, Capt. William Furlong, who handles navy island matters; Capt. Charles R. Train, naval aide; Col. Campbell Hodges, army aide; various other officials from the White House, and a bunch of newspaper men and photographers. Capt. C. S. Freeman was in command of the Arizona. The vessel carried a full complement of 90 officers and 1,244 men for it was making a shaking down run after being rebuilt.

The first stop was at San Juan, Porto Rico, and the President for two days was to be the guest of Governor and Mrs. Theodore Roosevelt at La Fortaleza, the old mansion in which governors of the island have resided from the early days of the Spanish regime. It was planned that Mr. Hoover should make a tour of the island in order to observe conditions, agricultural and social, meet the leaders of the political parties and gain a general idea of the success Governor Roosevelt has attained in meeting the problems of the Porto Ricans, which are many and serious.

The governor in his official reports and in communications to the American papers has given detailed pictures of the distress obtaining in the island. Sixty per cent of the people are out of work, he said, either all or part of the year.

The population density is exceeded by few countries. It is 440 to the square mile and even intensive agriculture would not support this population. So it is industries that Governor Roosevelt says must be developed. More than 35,000 persons are suffering from tuberculosis, 200,000 from malaria, and 600,000 from hookworm.

From Porto Rico the Arizona was to proceed to St. Thomas, principal port of the Virgin Islands, where Mr. Hoover was to be met by Dr. Paul M. Pearson of Philadelphia, the recently appointed civil governor, and Waldo Evans of the navy, the retiring governor. With them he was to study the problems of the group, which are as serious as those of Porto Rico. The Virgin Islands used to prosper on the manufacture of rum and the transshipment of European cargoes for the entire Caribbean region. The prevailing economic distress is the result of prohibition and the conversion of coal burning vessels to oil consuming ships.

Only a few days ago the control of the Virgin Islands was transferred from the Navy to the Interior department, and now in Washington it is suggested that one result of the President's visit may be the amalgamation of the group with Porto Rico as a single political unit administered by one governor.

THEODORE G. JOSLIN, Washington correspondent of the Boston Transcript, has been made secretary to President Hoover to succeed George Akerson, resigned. Mr. Joslin is a close personal friend of Mr. Hoover. His main duties will be arranging the President's calling list, handling visitors at the executive offices and maintaining contact between the President and the correspondents.

The new secretary is an experienced political reporter and has a wide acquaintance among public men. He is a native of Massachusetts and is forty-one years old.

DEVELOPMENTS in the campaign to clean up New York City politically are coming rapidly. During the week formal charges of neglect and unfitness were filed against Jimmy Walker, the dapper and debonair mayor of the metropolis, now regaling himself in California. The charges were presented to Governor Roosevelt by leaders of the city affairs committee and were said to be of such a nature as to compel the governor to take some action toward widening the investigation now being conducted by Samuel Seabury and confirmed by police and magistrates.

Governor Roosevelt had let it become known that he would not respond to any public clamor for a city-wide investigation and that he would act only upon specific charges, such as led him to appoint Seabury to investigate the conduct of District Attorney Thomas G. T. Crain. Previously Seabury had been put in charge of an investigation of police franchises in vice cases, and of the conduct of city magistrates.

The governor was asked by Crain to revoke the appointment of Seabury on the ground of bias, but refused, and Crain was summoned to appear and answer the charges made against him by the City club.

Republican members of the state legislature were still trying to put through a resolution for a general inquiry into New York conditions, but were blocked by several recalcitrant

members of their own party.

DURING the next three months, it was announced at the White House, President Hoover will carry out an extensive speaking program, delivering eight addresses and making nine public appearances. Besides this, he is contemplating a trip to his home in Palo Alto, Calif. The subjects of his speeches have not been announced, but it is understood he will take the opportunity to set forth his own estimate of the achievements of his administration so far and his aims for the future. Thus he will be in a measure taking up the challenge put out by the progressives at their recent conference in Washington.

The speaking calendar for the President is arranged as follows:

April 13—American Red Cross in Washington.

April 14—Pan-American Day, Pan-American Union, Washington.

May 4—International Chamber of Commerce, Washington.

May 21—Fiftieth anniversary of the Red Cross, Washington.

May 30—Memorial Day, Valley Forge, Pa.

June 15—Republican Editorial Association, Indianapolis, Ind.

June 16—Dedication of Harding Memorial, Marion, Ohio.

June 17—Dedication of Lincoln Memorial, Springfield, Ill.

In addition to these engagements, the President is to review veterans of the Grand Army of the Republic at their reunion June 16 in Columbus, Ohio.

SENATOR HIRAM Johnson of California, who is one of the most independent members of the upper house, thinks the recent conference of progressive leaders was a "fine thing" and that the leaders of the Republican party should call a similar meeting, adding: "Only good can come from such gatherings." He is convinced that "something is radically wrong somewhere" with the Republican party.

Mr. Johnson gave out a statement in which he agreed with some of the progressive doctrines and disagreed with others, but said that "public consideration, study and discussion constitute the contribution and value of the conference." He asserted the country was naturally interested in unemployment, representative government, the power question, monopoly's encroachments and public utilities, adding:

"Some of our Republican brethren not only belittle the effort but would transmute it into the one public matter of concern to them—politics. But a philosophic outlook who long ago marked his own way to follow it, might suggest that only progressives, in the interim between sessions, bring these vital questions up in public meeting for public discussion. Can any one imagine the standpoint of either party meeting together with earnest and able experts and publicly discussing economic problems?"

DEATH once more has changed the political make-up of the house of representatives which will assemble in December. James B. Aswell of Louisiana, Democrat and ranking minority member of the agricultural committee, passed away at his apartment in Washington after a heart attack. He was sixty-two years old and had served in congress for nine consecutive terms.

Mr. Aswell's death leaves in the house 217 Republicans, 215 Democrats and one Farmer-Laborite. Representatives John F. Quayle and David J. O'Connell, both Democrats of New York, died last winter. Their successors, Matthew V. O'Malley and Stephen A. Rudd, are both Democrats. Representative Henry Allen Cooper, Republican of Wisconsin, died last March 1. His successor has not been chosen.

EVERYONE has now filed his income tax return, or should have done so, and the experts in Washington are busy figuring up how much Uncle Sam will receive. Treasury officials could not yet make definite predictions as to the collections for the first quarter, but they hoped that the receipts for March would run about \$400,000,000 and those for the first quarter, ending March 31, well above \$200,000,000. At least one-fourth of the total tax due was paid with the income tax returns filed, so that collections for the first quarter will run somewhat above the average for the four quarters.

Indications are that the higher tax rate for 1930 incomes will fail to offset the losses caused by the economic depression by around \$100,000,000. Last year's collections for the first quarter were \$228,000,000.

PROBABLY twenty men perished when the sealer Viking was blown up in White Bay, Newfoundland. Of the survivors 118, many of them badly injured, managed to reach Little Horse Island, where a few inhabitants tried to care for them with inadequate food and no medical supplies. Several others were picked up by vessels that sped to the rescue, called by the messages of the young girl radio operator on the island. Besides the large crew the Viking carried

The committee having charge of the affair are as follows: general chairman, Helen Wilson; entertainment committee, Kenneth Gregg, Paul Schilling and Maxine Plumke; refreshment committee, Luther Davis, Phyllis Haynes, and Anita Dunlap.

The Kent High baseball team won its first game Sunday at Wapinitia by a score of 7-14. Ted Kelly pitched a steady game for this early in the season and didn't allow a man to walk. He was nicked for 5 hits while his team were hammering out 10. Sweed Wilson was the batting ace with two singles, one two bagger and was hit by the pitcher, giving him a thousand per cent.

Charles Dunlap made the sensational catch by grabbing a low fly in right field and pegging a runner out at 3rd. Maupin plays at Kent Friday afternoon. The school is charging 10 and 25 cents admission.

UNEXPECTEDLY heavy demands by World War veterans for loans have made it necessary for the treasury to raise \$200,000,000 in less than a month. Secretary Mellon announced a request by Veterans' Administrator Hines for \$500,000,000 to cover payments on 1,372,006 applications received up to March 15. It had been estimated \$300,000,000 would suffice, and 1 1/2 per cent treasury certificates were issued to get that sum. Hines said, however, the \$500,000,000 would be needed by April 11.

The veterans' administrator also told Mellon \$1,000,000,000 would be required to pay all loans.

MAL DAUGHERTY, brother of former Attorney General Harry M. Daugherty, was sentenced at Washington Court House, Ohio, to ten years in prison and a fine of \$5,000. He was convicted recently of abstracting funds from the now defunct Ohio State bank of which he was president and was refused a new trial.

PIETRO CARDINAL Maffi, archbishop of Pisa and one of the most eminent members of the sacred college, is dead in Pisa at the age of seventy-three years. In his earlier years he gained fame as an astronomer and teacher of philosophy; he was made archbishop in 1903 and four years later was raised to the purple by Pope Pius X. The same pope, it was rumored, considered deposing him because he supported the modernists in a contest with the reactionaries in the church. Twice, afterwards, Maffi was considered a papal possibility. He was always a great friend of the Italian royal family, and he officiated last year at the marriage of Crown Prince Umberto of Italy and Princess Marie Jose of Belgium. For this he was given the Collar of the Annunziata, the highest gift of the crown.

Cardinal Maffi's death reduces the Italian membership in the sacred college to 28, against 30 foreign members. Therefore it is expected in Rome that a consistory will be held before long at which the pope will create a number of cardinals and give the Italians at least equal strength with the foreigners.

SO VARIED are the interests of different countries that the tariff armistice convention called at Geneva by the League of Nations is forced to report that it has failed to reach an agreement, though it has hopes that within a few years enough nations will ratify the pact to make it effective for Europe.

The conference was called by the league in an effort to secure a truce on the raising of tariffs and later to obtain a general reduction of tariffs. Only eleven countries ratified the truce clause and all eleven made important reservations. The usual reservation was, "If surrounding countries would also ratify."

Besides the principals and the chorus there is a dancing chorus.

Between the acts will be a skit directed by Miss Helen Kutch.

MORO AND WASCO CARS COLLIDE SATURDAY NIGHT

While returning home from The Dalles last Saturday evening C. L. Ireland had an automobile collision with two youths from Wasco near the intersection of the Columbia River Highway and the Fulton canyon road. Mr. Ireland reported to the sheriff that the lights of the car driven by the boys blinded him and caused him to slow down and drive into the gravel on the side of the road which made his car slide sideways, the rear wheel and fender was hit by the other car.

Both cars were damaged to some extent and required the attention of mechanics before either was able to go far. The lighter car of the young men was left in the ditch for the night.

While the impact of the cars was hard enough to cause some damage to them, none of the occupants was injured.
