MILDRED GINN WRITES

worker and has never been discovered stealing which is also unusual. One morning a woman came to the door in great distress and poured out her troubles to Chevan in her turn told us. Maria had stolen her husband who had taken with him all of his wife's wedding jewels, her clothes, the family goat, everything and had ordered men to tear down their little hut which put the woman on the street. Maria came from her work and if the two had been allowed to get at one another I don't know where it would have ended. They were as mad as panthers. Maria has had a husband or two and confessed that this man slept in her home but that she didn't have the woman's things. Cherian said it was known that Maria was a bad woman. Maria was scolded severely, warned, preached to and ordered to restore anything of the other woman's in her possession and some money taken from her pay and given to the other woman. But what was one to do? It seemed terrible to have a woman of such reputation in your employ but after making some inquiry we learned that this was the general reputation of practically all the women of this caste. One pities the girl, such a past, such a present, such a future! Her future on this earth will probably be short and she calmly stated that she had no love for God. Many are not so frank.

The family are out on the pier watching the sunset, or at least that's what they should be watching for from here I can tell it is beautiful so I had better join them. The family are Hazel, Winne, Tuffy the dog, and Mickey the cat. Tuffy and Mickey always have a great romp together this time of the day. The sunset is fading so bye bye. Next letter from the hills. Loads of love,
Mildred.

Acid-Forming Foods

The foods which contain benzoic acid are, namely, plums, prunes and cranberries. They are acid-forming because benzoic acid is not oxidized or broken down in the process of digestion. Other fruits, even though they taste acid, are not acid-forming in the blood because their acid content is oxidized.

ANOTHER EXAMPLE OF FORD VALUE

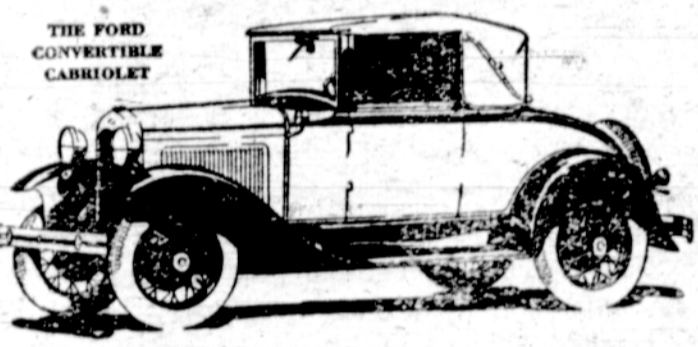

Bright, enduring RUSTLESS STEEL is used for many exposed bright metal parts of the Ford

WHEN YOU BUY a Ford you buy enduring beauty. The body finish is made to last for the life of the car and practically all exposed bright metal parts except the bumpers are made of enduring Rustless Steel.

This Rustless Steel has great tensile strength. It is the same bright metal all the way through. A salt test equivalent to forty years' service under the severest weather conditions failed to have any effect on its brilliance. It never requires polishing. All you do is wipe it with a damp cloth, as you do your windshield.

This is just one of many features that show the substantial worth of the Ford. In speed, comfort, safety, economy and long life — in the richness of its finish and upholstery — it brings you everything you want or need in a motor car at an unusually low price.

Call or phone for demonstration.

LOW FORD PRICES \$430 to \$630

(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You may purchase a Ford car or truck for a small down payment, on convenient, economical terms through your Ford dealer.)

NOTICE OF SHERIFF'S SALE OF REAL PROPERTY

Notice is given that an execution and order of sale has been issued out of the Circuit Court of the State of Oregon for Sherman County, to me directed and dated March 14th, 1931, in a suit therein pending wherein Julius Meier, Governor of the State of Oregon; Hal E. Hoss, Secretary of State of the State of Oregon; and Thomas B. Kay, Treasurer of the State of Oregon, collectively and jointly, as plaintiffs, and against the defendants, Jessie M. Tinsley and C. A. Tinsley, wife and husband, were defendants, and in which proceeding a judgment was rendered in favor of said plaintiffs and against the defendants, Jessie M. Tinsley and C. A. Tinsley, in the sum of \$2716.66 with interest thereon from the 6th day of March, 1931, at the rate of six per cent per annum; the further sum of \$250.00 attorney fees, and \$17.50 costs and disbursements, and which said execution commands me to make sale of all and singular the following described real property situated in Sherman County, State of Oregon, to-wit: The East Half of Section Eight (8) in Township Three (3) South, Range Seventeen (17), East of the Willamette Meridian in Sherman County, Oregon.

Now Therefore, by virtue of said execution and order of sale, and in compliance with the demands of said writ, and for the purpose of satisfying the judgment aforesaid, and accruing costs, I will, on Tuesday, the 21st day of April, 1931, at the hour of ten o'clock in the forenoon of said day, and at the front door of the Courthouse in Moro, Sherman County, Oregon, sell at public auction, subject to redemption, to the highest bidder for cash in hand, all the right, title, interest and estate in and to the said real property which said defendants, or either of them, had on the 20th day of September, 1928, being the date on which the mortgage
