The Full Gospel Assembly
"He that believeth on the Son
hath everlasting life; and he
that believeth not the Son shall
not see life; but the wrath of

God abideth on him."—John 3:36.

The anger, or wrath, of some
men would be sufficient to be
dreaded. How much more the
wrath of God in judgement on
such as reject His Son. Men's
wrath may be gotten away from
or ends with death, but the
Word of God says of His wrath
that it abideth.

Oregon Citizens

Union Pacific

... a Number equal to the combined Populations of
Baker, The Dalles and Pendleton.

Nine millions of dollars were distributed by the Union
Pacific as wages and salaries to its 4,965 Oregon employees
in 1930 alone. More than 3,400 Oregon families were
wholly supported by this income, which circulated through
the avenues of Trade and Commerce within the State,
and contributed greatly to Oregon's progress.

The history of Oregon's prosperity is inseparably linked
with railroad transportation; the State's future depends
upon the ability of the railroads to furnish adequate service.
Support given to trucks and other unregulated forms of
transportation impairs the ability of the railroads
to give adequate service.
