The Washington Day program put on by the school last Friday afternoon was a huge success. The grade school children took their parts very well. Mr. Shepard gave a very interesting speech on Washington. Veree Pike won the picture for guessing the names of all the pieces played which just included the grade school pupils.

The Grass Valley Tigerettes defeated the Moro "Teddy Bears" in a very exciting game last Friday by a score of 16-13. The Moro girls were ahead at the end of the first quarter 2-1 but the Grass Valley girls succeeded in taking the lead in the second quarter and kept it throughout the game.

The Grass Valley Tigers defeated the Moro Quintet in a slow game last Friday night in the local gym by a score of 41-15. Moro never came close to threatening and the wearers of the Red and White chalked up points with monotonous regularity.

The Grass Valley "Midgets" defeated the Moro "Midgets" last Saturday night in the latter gym by a score of 30-3.

The Grass Valley grade school girls were defeated by the Moro grade school girls last Saturday night by a score of 16-3.

The Kent girls' basket ball team came out victorious in their game with Rufus on the Kent floor last Saturday evening. The girls played good ball throughout and were ahead of the Rufus team through all the game. At the half the score was 12-6 in favor of Kent. When the second half started, the Kent team held its lead until the end of the game when the score totaled 24-16 in its favor. Clarice Wilson made 11 points for the Kent team.

Those on the sick list this week are Marguerite Mitchell and Marjorie MacInnis.

Because of the coming six weeks' tests next week, the eighth grade pupils have begun reviewing some of their subjects.

Jack Sather was absent from the 8th grade room last week.

The Kent boys' won another one point victory last Saturday evening when they beat Rufus on the home floor by a final score of 21-20. The Rufus five led the game from the start and had thirteen points to Kent's five at the quarter. Neither team scored in the second quarter, but in the third Kent gained so that Rufus had a very small lead when the whistle blew. During the last quarter Kent was able to get the lead and hold it until the last. Harley McKay and Lester Wilson shared honors as high point men with seven points each.

If the Rufus game had been played Monday, the Kent girls basket ball season would have been over, but since this game was postponed it drags the schedule out, leaving this weekend without a game. Since the Grass Valley girls are also without a game this week, they may come up for a scrimmage game with Kent when the boys team come. The two previous games were both won by Kent.

The games which were scheduled with Rufus for the 22nd have been indefinitely postponed.

Last Friday night the Wasco Warriors journeyed to Hood River where they were defeated by a score of 17-34.

Saturday evening both of the Wasco high school basket ball teams went to Dufur where they succeeded in beating both the Dufur boys and girls. The boys game was a very exciting game from the beginning, and to the end of the game the score stood at a tie of 27. Therefore an overtime period was played, but neither team was able to score a point during the period, so a second overtime period was called in which the Warriors were able to score four more points making the score 27-31 in favor of Wasco, at the end of the second overtime period.

The girls game was also a very hard fought battle and at the end of the end of the game the score was 10-11 in favor of Wasco. Mr. Sorweide of The Dalles referred both games. This was the last game of the girls for this season and was the last that Belle Clothier and Elna Houston will represent Wasco High in athletics as they will both graduate this spring. They were both star players in the basket ball and volleyball. The girls have a very fine record this year, being defeated only once during the entire season. This was at the hands of the Grass Valley girls.

Monday morning the Wasco school held an assembly in honor of the 200th birthday of George Washington, which was presented by the grades and the junior class.
