

# COMING SHERMAN COUNTIANS

## Grass Valley School Notes

The Grass Valley Tigers met quite a defeat at the hands of the Maupin Quintet Friday afternoon, March 11. The team was at quite a loss due to the fact that some of the players were ill. The final score was 21-48 in favor of Maupin.

Due to illness among the students school was shut down for a week. This will put the students behind a week in their studies but they will endeavor to make it up.

The Senior class met in the office Tuesday noon to decide on their Commencement and Baccalaureate exercises.

The students who are taking parts in the one act play "Who Kissed Barbara?" are progressing nicely. The students of the Biology class are studying the ear and its functions.

The student body held a short assembly, Friday morning. Mr. Tetz Mr. McGowan, Mr. Hughes and Orville Ruggles spoke. The students sang songs, gave yells and encouraged the boys in every way.

Some of the boys are fixing up a tennis court. The girls are starting Indoor Baseball practice and the boys are starting Baseball practice with Mr. Hughes as their coach.

The student body received a check of \$53.37 from the Hood River High school.

## Kent School Notes

Hester Lyons—Editor.

A great deal of interest is being shown by the grade pupils in the spelling contest which will be held in Moro, Friday. The local contest was held Friday and as a result the following pupils will go to Moro to compete with the rest of the county. Carsten von Berstel and Glenn Sather, first graders Helen von Berstel and Ray Hogue, second graders; Merrill Sather, Nellie Grace Wilson and Jaunita Mitchell, third graders; Geraldine Norton, Annie Laurie Haynes, Carl Lyons, and Eugene Norton, fourth graders; Anita Dunlap, Luther Davis, and Charlie Bill Wilson, fifth graders; Helen Wilson, Helen Sather, Maxine Plueneke, sixth graders; Phillip Haynes, seventh grader; and Cecil Norton, eighth grader.

Myrtle and Bertha Helyer were absent three days last week, while Leona Sather was absent all of last week.

Lorena Young was absent from school Monday.

The fourth grade has finished its study of Netherlands and is now trying to picture on the sand table the home life of Netherlands.

Clarice Wilson won second place in the George Washington essay contest for the county for which she has received a certificate from the Oregon Bicentennial Commission.

The high school Cooking Club girls are beginning their Division 111 project. The Epicurean Club held a meeting last Friday, March 18, to make out final reports for cooking.

Students of Kent high school have been busily employed getting the tennis court ready for use.

## Moro School Notes

The Moro grade girls played a very exciting game with the Moro high second team. Good work was shown by both sides. The resulting score was 22-14 in favor of the grade school.

A meeting of the Cousant Sewing Club was held at the home of their leader last Saturday afternoon. Con-

## NOTICE FOR PUBLICATION

NOTICE is hereby given that Clay Belshe, of Moro, Oregon, who, on February 4, 1927, made Homestead Entry under Act December 29, 1916, No. 025121, for NE 1/4, Sec. 19, NW 1/4 W 1/2 E 1/2, Section 20, Township 2 South, Range 18 East, Willamette Meridian, has filed notice of intention to make final Proof, to establish claim to the land above described, before G. C. Vintin, County Clerk, at Moro, Oregon, on the 19th day of April 1932.

Claimant names as witnesses: R. W. Belshe, C. W. Kenny, O. L. Belshe, James Kenny, All of Moro, Oregon, R. J. Carsner, Register.

considerable progress has been made in the project.

The Moro Camp Cookery Club held their first meeting Tuesday under the leadership of Mr. Walker. The club was formally organized and all the important business was talked over.

The High school Sunday school class has been having choir practice at Mrs. Akers for the coming Easter program. The girls are going to have charge of the singing during the church hour.

Speed classes are being held twice a week for those students who are trying for the county typing contest which is to be held in Moro on April 12. These are being conducted by various students of the office training class under the supervision of Miss Kutch.

The evening of March 19, the Moro high school girls and their mothers gave a St. Patrick dance to entertain the girls of the Wasco high school and their mothers. The party was given as a return-entertainment for the Girls Frolic given by Wasco for the Moro girls last fall.

A skit entitled "Jabberwocky" was put on by Leora Peetz, Flora Williams, Eva Miller, Marjorie Nahouse, Grace Cothran, Doris Amidon and Lavon Sayers. The Moro mothers contributed a stunt, "The Sure Cure" and Wasco came forth with an extremely clever idea of a miscellaneous band playing over the broadcasting station from "The Moro Hotel." Several numbers and requests from the audience formed their part of the entertainment. These and a series of musical numbers contributed by the Moro Glee Club girls constituted the program and the remainder of the evening was spent in dancing to the music of a three-piece orchestra, composed of Bill Clothier, Buster Nahouse and Clarence Hull.

Continued from page one.

"Taking up the Password." Balloting on a withdrawal Card was very ably exemplified by White-Rose lodge and a very good talk on "How to Create Interest in Lodge Attendance" was given by Mrs. Thelma Reese of White Rose. A member from Lupine lodge presented some very good arguments you might place before a candidate. Lupine lodge extended an invitation to meet with them next year after which the following were elected to office for next year: Mrs. Bessie Thompson, Chairman; Mrs. Nellie Fields, Vice-Chairman; Mrs. Bessie Belshe, Secretary-Treasurer.

A splendid banquet was served to more than 80 Rebekahs at 6:00 p. m. With Mr. Rolfe acting as toastmaster in a very novel manner by having a microphone and imitating Walter Winchell of radio fame, by sending his magic carpet to the different lodges for their speeches and songs which were all very much enjoyed.

## Closing Order of Game Commission for 1932

### AREAS CLOSED TO HUNTING AND FISHING

At a meeting of the Oregon State Game Commission, held for the purpose of determining during what part of any particular year or years, the supply of any particular species of game fish, game birds, non-game birds or game, and fur-bearing animals will be injuriously affected by permitting to be taken, the notice of which was published, as by law provided, the said Oregon State Game Commission did find that in the portions of the state of Oregon and in the bodies of water thereof hereinafter named and during the period of times hereinafter named the supply of game fish and game, non-game birds and fur-bearing animals will be injuriously affected by the taking thereof in the portions of the state of Oregon, and during the times hereinafter named, and the said Oregon State Game Commission does hereby make its findings pursuant to said hearing. Now, therefore,

IT IS HEREBY ORDERED that the season for taking any of the game fish of the state of Oregon, and for the taking of any of the game animals, non-game animals, or fur-bearing animals of the state of Oregon, shall be, and it is hereby, closed in the portions of the state of Oregon and in the bodies of water thereof and during the times hereinafter named and hunting, pursuing, killing, taking, trapping, angling for or having in possession any of the species thereof shall be unlawful in any such portion or portions of state, during closed seasons, and the taking of a bag limit larger than hereinafter indicated shall be unlawful, provided, that when no bag limit is mentioned herein the bag limit provided by statute shall apply:

**BAKER COUNTY—**  
All LAKES and their TRIBUTARIES situated in Baker county shall be closed to angling and including June 14, 1932, and such lakes and tributaries shall be closed from the 1st day of October to the 14th day of June of the following year, both dates inclusive, for and during the period of years ending June 14, 1942.

**CLACKAMAS COUNTY—**  
The WILLAMETTE RIVER for a distance of 200 feet above and 200 feet below the fishway on the west bank of said river near the Crown Willamette Paper Company's pulp mill at Oregon City, closed to angling and including June 14, 1942.

That part of the WILLAMETTE RIVER known as the tail race of the Crown Willamette Paper Company, described as follows: Beginning at a point near the mouth of said tail race on the south bank thereof, thence extending across said tail race following the line established by the bridge across said tail race to the north bank thereof; thence in a westerly, southerly and easterly direction around the bank of said tail race to the place of beginning, closed to angling until and including June 14, 1942.

**TROUT CREEK**, a tributary of the Molalla river, closed to angling until June 14, 1942.

**CLATSOP COUNTY—**  
That part of the KLASKANINE RIVER beginning at Earth Falls, approximately three miles above the State Fish Commission Hatchery, and extending down said river to its confluence with the south fork of said river, closed to and including May 14, 1932, and thereafter during each year for a period of years ending May 14, 1942, said river shall be closed to angling from December 1 to May 14 of the following year, both dates inclusive.

**COOS COUNTY—**  
FAIRY CREEK above the lower boundary of the hatchery property of the State Game Commission and all tributaries to that part of said Fairy Creek closed to angling and including April 14, 1942.  
That part of PAULINA LAKE below a line across said lake beginning at a point which is known as the boat landing at the Paulina Lake Resort and thence following a line across said lake at right angles to the shore line thereof; and also that part of the outlet of said lake from said outlet to the falls, closed to angling for a period of years ending April 14, 1942.

That part of EAST LAKE west of a line beginning at a point on the north shore of said lake, 20 chains south of the quarter section corner between sections 19 and 20, township 21 south, range 13 east, Willamette meridian; thence running south 26 degrees west across said lake to a point of the south shore of said lake seven and one half chains north of the quarter section corner between sections 30 and 31, township 21 south, range 13 east, Willamette meridian; thence running south 26 degrees west across said lake to a point on the north shore of said lake 800 feet northwest of the mouth of the west shore of said lake, thence diagonally across said lake to a marker on the west shore of said lake, being 7450 feet north of the mouth of Silet Creek, closed to angling and including April 14, 1942.

That part of ROCK CREEK, a tributary of the north fork of the Umpqua river, within the boundaries of the State Game Commission Hatchery property on said stream, closed to angling and including the 14th day of April, 1942.  
LAKE CREEK from a point where said lake empties out of Diamond Lake to a point 800 yards downstream, closed to angling until April 14, 1942.

That part of DIAMOND LAKE situated in Douglas county and lying northwest of a line beginning at a point on the north shore of said lake 800 feet northwest of the mouth of Bear creek, running thence diagonally across said lake to a marker on the west shore of said lake, being 7450 feet north of the mouth of Silet Creek, closed to angling and including April 14, 1942.

**GILLIAM COUNTY—**  
The JOHN DAY RIVER from the mouth of Thirty-Mile creek to the confluence of the John Day river with the Columbia river closed to angling and including April 14, 1933.  
**GRANT COUNTY—**  
CANYON CREEK within the boundaries of the State Game Commission Hatchery property located on said stream, closed to angling and including April 14, 1942.

All lakes and their tributaries situated in Grant county shall be closed to angling and including June 14, 1932, and shall be closed to angling from October 1 to June 14 of the following year, both dates inclusive, for each year during the period of years ending June 14, 1942.

That part of LAKE CREEK between Olive lake and the Upper Reservoir closed to angling and including June 14, 1942.  
**HOOD RIVER COUNTY—**  
LOST LAKE INLET CREEK closed to angling and including April 14, 1942.

**JACKSON COUNTY—**  
The ROGUE RIVER from the Gold Ray dam to a point 400 feet downstream from the Gold Ray dam, closed to angling and including April 14, 1942.

FISH LAKE from its head for a distance of one-quarter mile below the head of said lake closed to angling until April 14, 1942. Provided, that that part of Fish lake other than that hereinabove described, shall be closed to angling from August 16 to April 14 of the following year, both dates inclusive, during the period of years ending April 14, 1942.

That part of the DESCHUTES RIVER known as Crane Prairie, beginning at the impounding dam on said river to a point 200 feet below said impounding dam and all tributaries, except Snow Creek, to that part of said Deschutes river, and also extending that part of said Deschutes river from the mouth of Snow Creek to Lava lake, closed for a period of years ending April 14, 1942, and thereafter during each year for a period of years ending May 14, 1932, and thereafter during each year for a period of years ending May 14, 1942, said portion of said Deschutes river shall be closed to angling from December 1 to May 30 of the following year, both dates inclusive. Provided, that the bag limit shall be ten pounds and one fish, but not to exceed 20 fish in any one day, and 30 pounds and one fish, but not to exceed 40 fish, in any seven consecutive days.

That part of the DESCHUTES RIVER known as Crane Prairie, beginning at the impounding dam on said river to a point 200 feet below said impounding dam and all tributaries, except Snow Creek, to that part of said Deschutes river, and also extending that part of said Deschutes river from the mouth of Snow Creek to Lava lake, closed for a period of years ending April 14, 1942, and thereafter during each year for a period of years ending May 14, 1932, and thereafter during each year for a period of years ending May 14, 1942, said portion of said Deschutes river shall be closed to angling from December 1 to May 30 of the following year, both dates inclusive. Provided, that the bag limit shall be ten pounds and one fish, but not to exceed 20 fish in any one day, and 30 pounds and one fish, but not to exceed 40 fish, in any seven consecutive days.

the city of Bend, Or., and more particularly described as follows, to-wit: Beginning at a point on the section line between sections 7 and 18, township 18 south, range 12 east, Willamette meridian, which point is one quarter mile east of the easterly bank of the Deschutes river; thence in a northerly direction parallel to the meanders of the Deschutes river to a point on section line common to sections 17 and 20, township 17 south, range 12 east, Willamette meridian, which point likewise is one quarter of a mile east of the easterly bank of said Deschutes river; thence due west to a point on said section line common to sections 17 and 20 aforesaid, which point is one quarter of a mile west of the westerly bank of said Deschutes river; thence in a southerly direction parallel to the meander of the westerly bank of said Deschutes river to a point on section line common to sections 12 and 13, township 18 south, range 11 east, Willamette meridian, which point is one quarter of a mile west of the westerly bank of said Deschutes river; thence due east to the point of beginning, is hereby closed for a period of years ending April 14, 1942.

That part of the WILLAMETTE RIVER known as the tail race of the Crown Willamette Paper Company, described as follows: Beginning at a point near the mouth of said tail race on the south bank thereof, thence extending across said tail race following the line established by the bridge across said tail race to the north bank thereof; thence in a westerly, southerly and easterly direction around the bank of said tail race to the place of beginning, closed to angling until and including June 14, 1942.

**TROUT CREEK**, a tributary of the Molalla river, closed to angling until June 14, 1942.

**CLATSOP COUNTY—**  
That part of the KLASKANINE RIVER beginning at Earth Falls, approximately three miles above the State Fish Commission Hatchery, and extending down said river to its confluence with the south fork of said river, closed to and including May 14, 1932, and thereafter during each year for a period of years ending May 14, 1942, said river shall be closed to angling from December 1 to May 14 of the following year, both dates inclusive.

**COOS COUNTY—**  
FAIRY CREEK above the lower boundary of the hatchery property of the State Game Commission and all tributaries to that part of said Fairy Creek closed to angling and including April 14, 1942.  
That part of PAULINA LAKE below a line across said lake beginning at a point which is known as the boat landing at the Paulina Lake Resort and thence following a line across said lake at right angles to the shore line thereof; and also that part of the outlet of said lake from said outlet to the falls, closed to angling for a period of years ending April 14, 1942.

That part of EAST LAKE west of a line beginning at a point on the north shore of said lake, 20 chains south of the quarter section corner between sections 19 and 20, township 21 south, range 13 east, Willamette meridian; thence running south 26 degrees west across said lake to a point of the south shore of said lake seven and one half chains north of the quarter section corner between sections 30 and 31, township 21 south, range 13 east, Willamette meridian; thence running south 26 degrees west across said lake to a point on the north shore of said lake 800 feet northwest of the mouth of the west shore of said lake, thence diagonally across said lake to a marker on the west shore of said lake, being 7450 feet north of the mouth of Silet Creek, closed to angling and including April 14, 1942.

That part of ROCK CREEK, a tributary of the north fork of the Umpqua river, within the boundaries of the State Game Commission Hatchery property on said stream, closed to angling and including the 14th day of April, 1942.  
LAKE CREEK from a point where said lake empties out of Diamond Lake to a point 800 yards downstream, closed to angling until April 14, 1942.

That part of DIAMOND LAKE situated in Douglas county and lying northwest of a line beginning at a point on the north shore of said lake 800 feet northwest of the mouth of Bear creek, running thence diagonally across said lake to a marker on the west shore of said lake, being 7450 feet north of the mouth of Silet Creek, closed to angling and including April 14, 1942.

**GILLIAM COUNTY—**  
The JOHN DAY RIVER from the mouth of Thirty-Mile creek to the confluence of the John Day river with the Columbia river closed to angling and including April 14, 1933.  
**GRANT COUNTY—**  
CANYON CREEK within the boundaries of the State Game Commission Hatchery property located on said stream, closed to angling and including April 14, 1942.

All lakes and their tributaries situated in Grant county shall be closed to angling and including June 14, 1932, and shall be closed to angling from October 1 to June 14 of the following year, both dates inclusive, for each year during the period of years ending June 14, 1942.

That part of LAKE CREEK between Olive lake and the Upper Reservoir closed to angling and including June 14, 1942.  
**HOOD RIVER COUNTY—**  
LOST LAKE INLET CREEK closed to angling and including April 14, 1942.

**JACKSON COUNTY—**  
The ROGUE RIVER from the Gold Ray dam to a point 400 feet downstream from the Gold Ray dam, closed to angling and including April 14, 1942.

FISH LAKE from its head for a distance of one-quarter mile below the head of said lake closed to angling until April 14, 1942. Provided, that that part of Fish lake other than that hereinabove described, shall be closed to angling from August 16 to April 14 of the following year, both dates inclusive, during the period of years ending April 14, 1942.

That part of the DESCHUTES RIVER known as Crane Prairie, beginning at the impounding dam on said river to a point 200 feet below said impounding dam and all tributaries, except Snow Creek, to that part of said Deschutes river, and also extending that part of said Deschutes river from the mouth of Snow Creek to Lava lake, closed for a period of years ending April 14, 1942, and thereafter during each year for a period of years ending May 14, 1932, and thereafter during each year for a period of years ending May 14, 1942, said portion of said Deschutes river shall be closed to angling from December 1 to May 30 of the following year, both dates inclusive. Provided, that the bag limit shall be ten pounds and one fish, but not to exceed 20 fish in any one day, and 30 pounds and one fish, but not to exceed 40 fish, in any seven consecutive days.

That part of the DESCHUTES RIVER known as Crane Prairie, beginning at the impounding dam on said river to a point 200 feet below said impounding dam and all tributaries, except Snow Creek, to that part of said Deschutes river, and also extending that part of said Deschutes river from the mouth of Snow Creek to Lava lake, closed for a period of years ending April 14, 1942, and thereafter during each year for a period of years ending May 14, 1932, and thereafter during each year for a period of years ending May 14, 1942, said portion of said Deschutes river shall be closed to angling from December 1 to May 30 of the following year, both dates inclusive. Provided, that the bag limit shall be ten pounds and one fish, but not to exceed 20 fish in any one day, and 30 pounds and one fish, but not to exceed 40 fish, in any seven consecutive days.

That part of the DESCHUTES RIVER known as Crane Prairie, beginning at the impounding dam on said river to a point 200 feet below said impounding dam and all tributaries, except Snow Creek, to that part of said Deschutes river, and also extending that part of said Deschutes river from the mouth of Snow Creek to Lava lake, closed for a period of years ending April 14, 1942, and thereafter during each year for a period of years ending May 14, 1932, and thereafter during each year for a period of years ending May 14, 1942, said portion of said Deschutes river shall be closed to angling from December 1 to May 30 of the following year, both dates inclusive. Provided, that the bag limit shall be ten pounds and one fish, but not to exceed 20 fish in any one day, and 30 pounds and one fish, but not to exceed 40 fish, in any seven consecutive days.

sed to angling and including April 14, 1942.  
**KLAMATH RIVER** for a distance of 4000 feet below and 2000 feet above the mouth of Spencer creek closed to angling and including June 14, 1932, and closed from December 1 to June 14 of the following year, both dates inclusive, for each year during the period of years ending June 14, 1942.

**CROOKED CREEK**, a tributary of Wood river, closed to angling within the boundaries of the State Game Commission property to and including April 14, 1942.

**FAWN LAKE** closed to angling and including May 30, 1932, and thereafter during the period of years ending May 30, 1942, said lake shall be closed to angling from October 1 to May 30 of the following year, both dates inclusive.

That part of ODELL CREEK from Odell lake to a point one-half mile downstream closed to angling for a period of years ending April 14, 1942; that part of Odell creek other than herein above described, closed to angling and including May 30, 1932, and thereafter closed from September 16 to May 30 of the following year, both dates inclusive, for and during that period of years ending May 30, 1942. Provided, that the bag limit on said portion of said lake shall be 15 pounds and one fish, but not to exceed 25 fish in any one day, and 30 pounds and one fish, but not to exceed 50 fish in any seven consecutive days.

**SEVEN MILE CREEK AND WOOD RIVER** closed to angling and including June 14, 1932, and thereafter during the period of years ending June 14, 1942, said Seven-mile Creek and Wood river shall be closed to angling from December 1 to June 14 of the following year, both dates inclusive.

**LEITER LAKE, HAZEL LAKE AND THREE ROSARY LAKES** closed to angling and including May 30, 1932, and thereafter during the period of years ending May 30, 1942, said lakes shall be closed to angling between September 16 and May 30 of the following year, both dates inclusive.

**FISH LAKE AND LAKE OF THE WOODS** closed to angling for trout and including May 30, 1932, and thereafter for and during a period of years ending May 30, 1942, said lakes shall be closed to angling for trout from December 1 to May 30 of the following year, both dates inclusive. Provided, that the bag limit for trout on said lakes shall be ten pounds and one fish, but not to exceed 15 fish, in any one day, and 20 pounds and one fish, but not to exceed 30 fish, in any seven consecutive days.

Except as in the preceding paragraph provided the BAG LIMIT for trout on all inland lakes and their tributaries situated in Klamath County shall be 15 pounds and one fish, but not to exceed 25 fish in any one day, and 30 pounds and one fish, but not to exceed 50 fish in any seven consecutive days.

**DOG LAKE** closed to angling and including April 14, 1942.  
**BLUE LAKE, CAMPBELL LAKE AND DEAD HORSE LAKE** closed to angling and including July 14, 1932, and thereafter during the period of years ending July 14, 1942, said lakes shall be closed to angling from September 1 to July 14 of the following year, both dates inclusive.

**ALL STREAMS AND LAKES SITUATED IN LAKE COUNTY** shall be closed to angling and including May 14, 1932, and thereafter and during the period of years ending May 14, 1942, shall be closed to angling from December 1 and May 14 of the following year, both dates inclusive.

**DEWEY LAKE**, beginning at the upper end of Dewey reservoir to the falls in said creek, situated in section 33, township 37 south, range 17 east, Willamette meridian, closed to angling and including June 30th, 1932, and thereafter and during the period of years ending June 30, 1942, shall be closed from December 1 to June 30 of the following year, both dates inclusive.

That part of the CHEWAUCON RIVER situated above the section line between sections 15 and 16, township 36 south, range 18 east, Willamette meridian, and all tributaries to that part of said river, closed to angling and including May 14, 1933.

That part of DEEP CREEK above its confluence with Camas creek and all the tributaries to that part of Deep creek closed to angling and including May 14, 1933.  
**MUD CREEK AND BLUE CREEK**, both tributaries of Camas creek, closed to angling and including May 14, 1933.

**DRAKE CREEK**, a tributary of Deep creek, closed to angling and including May 14, 1933.

**SNYDER LAKE** closed to angling and including May 14, 1933.  
That part of GUYER CREEK above Thompson's reservoir closed to angling and including April 14, 1942.

**LANE COUNTY—**  
SALT CREEK from Gold Lake to Salt Creek Falls, a distance of approximately three miles, closed to angling and including April 14, 1942.  
HORSE LAKE, MIDDLE HORSE LAKE, LOWER HORSE LAKE AND HIDDEN LAKE closed to angling and including May 30, 1935, and thereafter and during that period of years ending May 30, 1942, said lakes shall be closed to angling from September 16 to May 30 of the following year, both dates inclusive. Provided that the then bag limit on said lakes shall be 15 pounds and one fish, but not to exceed 50 fish in any seven consecutive days.

**GOLD LAKE, BETTY LAKE, LAND LAKE AND MARYLYN LAKE** closed to angling and including May 30, 1932, and thereafter and during the period of years ending May 30, 1942, said lakes shall be closed to angling from the 15th day of September to the 30th day of May of the following year, both dates inclusive. Provided, that the bag limit on

said lakes shall be 15 pounds and one fish, but not to exceed 25 fish in any one day, and 30 pounds and one fish, but not to exceed 50 fish, in any seven consecutive days.

**MAPLE CREEK AND FIDDLE CREEK**, each tributary to Siltcoos lake, shall be closed to angling from November 1 to April 14 of the following year, both dates inclusive for and during that period of years ending April 14, 1942.

**ACKERLY, CLEAR, MUNSEL AND MERCER LAKES** and their tributaries and outlets closed to angling for bass from July 1 to April 14 of the following year, both dates inclusive, for and during that period of years ending April 14, 1942.

**LANG CREEK** above the O. C. & E railroad bridge and all of the tributaries to that part of Lang creek except Frank Brice creek closed to angling and including April 14, 1942.

**HACKLEMAN CREEK**, a tributary of Fish lake, closed to angling and including April 14, 1942.

That part of MARION LAKE lying west of a line drawn south across said lake from a point known as outlet rock, on the north shore of said lake, closed to angling and including the 14th day of April, 1942.

That part of MARION LAKE lying east of a line drawn south across said lake from a point known as outlet rock, on the north shore of said lake, closed to angling from October 1 to April 14 of the following year, both dates inclusive, for and during that period of years ending September 14, 1942. Provided, that the bag limit on that part of Marion lake open to angling shall be 15 pounds and one fish, but not to exceed 25 fish in any one day, and 30 pounds and one fish, but not to exceed 50 fish in any seven consecutive days.

**MARION CREEK** from Marion lake to what is known as Marion and Linn Falls in said stream closed to angling and including April 14, 1942.

That part of CLEAR LAKE south of a line drawn east and west across said lake to a point 300 feet north of a small island at the outlet of said lake closed to angling and including the 14th day of April, 1942. Provided, that that part of Clear lake not included in the above description shall be closed to angling during that period of years ending April 14, 1942, from the 1st day of October to the 14th day of April of the following year, both dates inclusive. Provided, further, that the bag limit on said portion of said lake shall be 20 pounds and one fish, but not to exceed 10 fish in any one day, and 40 pounds and one fish, but not to exceed 20 fish in any seven consecutive days.

The outlet of CLEAR LAKE from said Clear lake to what is known as First Falls in said outlet closed to angling and including April 14, 1942.  
**LAKE ANN, PAY LAKE, SCOTT LAKE, HUNT LAKE AND HANK'S LAKE** closed to angling and including May 30, 1934, and thereafter and during the period of years ending May 30, 1942, said lakes shall be closed to angling from the 16th day of September to the 30th day of May of the following year, both dates inclusive.

**CAMELIA LAKE** closed to angling from July 16 to April 14 of the following year, both dates inclusive, during that period of years ending April 14, 1942.  
**MARION COUNTY—**  
ABAQUA, SILVER and BUTTE CREEKS, all tributaries of Pudding river, closed to angling from July 15 to September 30 of each year, both dates inclusive, and closed to angling from December 1 to April 14 of the following year, both dates inclusive, for and during that period of years ending April 14, 1942.
