Except a man be born again, he cannot see the kingdom of God. John 3:3. If any man be in Christ, he is a new creature; old things are passed away; behold all things are become new. 2 Cor. 5:17. Seek ye the Lord while he may be found; call ye upon Him while He is near; let the wicked forsake his way, and the unrighteous man his thoughts, and let him return unto the Lord, and he will have mercy upon him; and to our God, for He will abundantly pardon. People's Column

Base Ball, as seen by the Harlandview Base Ball Manager.

Baseball is without a doubt as good a sport as there is for young and old, when really played in a sport like manner.

Harlandview has been trying for the past three years, to help get it so managed that young and old could all enjoy base ball to its utmost, and we have been very much in favor of joining a league, of at least six teams in Sherman county.

But, seems like the little towns feel they could not mix with the farmer boys, so this year we have laid low, as we noticed the write ups in the county paper in the early spring, and as we had been asked by some of the head base ball men to lay off playing ball the Sundays that the big games were on in the towns, so we have just played a little ball when we could, and have tried not to interfere with the good teams of the county.

We have a young team composed of farmer boys, all below 19 years of age. They have played five games this season winning all of them. Two were played with the Grass Valley high school. One with Moro high, one with Webfoot grange team, and one with Harmony and Point team.

This team is now in line to play any team of its own town or community of its own age limit. So trot out your team, and we will assure you a good game to look at.

We also have a first team composed of farmers of which we will play any one town or community in the county, and show them a good time, as well as the onlookers if they will only give us a fair chance.

But past years, when we got a game with a town, we always had to play two or three towns, therefore did not get an even break. Our boys

got so discouraged because of this poor sportism that they would not turn out when we got a game. The result was we could not put up a very good game.

This year so far we have played three games, the last one being last Sunday with Wasco on the Harlandview diamond, which was a good game, enjoyed by all present. No arguing, no ragchewing.

The ball players sure played ball and the rooters sure did root, as it was a real matched game.

The players from Wasco were all Wasco men, and Harlandview players all farmers from their community. The score was 7 to 9 in favor of Wasco. Bishop pitched and Manning caught for Wasco. Robert Belshes pitched and Homer Belshes caught for Harlandview.
