### MORO SCHOOL NOTES

Gordon Fraser, editor.

In a hard fought game Friday evening the Moro volleyball team defeated the Portland team by a score of 43-42. At the end of the regular playing period the score stood 31-31, but by an agreement between the teams an extra ten minutes were played. Rufus scored nine points in succession but excellent playing by Moro's team overcame the Rufus lead in the final minutes of play. Moro's line-up consisted of the following: Amidon, Peetz, M. Nahouse, Johnson, G. Nahouse, Sayrs, Stephens, Powell.

The Freshmen and Sophomore classes were entertained by a delightful party at the home of Mary Pinkerton Saturday evening.

The commercial geography class is holding a weekly public speaking day. Mr. Cunliff is instructing the students in public speaking. Each student gives a three minute talk of some topic concerning geography and geology.

Initiation of the Freshmen into the high school class of the Sunday School was held Tuesday evening in the basement of the Presbyterian church.

Miss Thompson, English instructor, gave a birthday dinner at her home Sunday afternoon. Among those present were Mr. Cunliff, Miss Miller, Miss Cothran, and Miss Osborn. By special request of Miss Thompson the number of the candles on the cake will not be published.

**Mrs. A. H. Barnum**  
Hostess To Club

The Moro Woman's Club met at the home of Mrs. A. H. Barnum last Friday afternoon for the second meeting of the year. The meeting signalled the beginning of the year's study, which will be about Oregon, and quite properly the soils and geological formations found in the state were studied.

Carl Hendricks, of Fossil, appeared before the club and talked about the fossil formation found in his county and illustrated his remarks with a group of fossils he had brought for the occasion. Mrs. T. C. Reese reviewed a book on geology by Prof. Condon and gave a resume of the fossil formations found in this part of the state.

The next meeting will be held with Mrs. E. H. Moore on Friday, October 21st, when the study of Oregon will be continued.

**Rain Comes To County**  
After Long Drought

Believe it or not, Tuesday night it started to rain in Sherman county. After a dry June, an arid July, a rainless August and a September with but a useless sprinkle of moisture natives were probably a little surprised to be awakened during the quiet night hours by the quiet sound of rain.

True, there has not been any great down pour that soaked the ground to bed rock. It has been gentle and slow and there is hope that it may continue until there is enough to sprout the wheat and carry it along until the winter moisture comes.

**Reduced Rates East**  
Announced By U. P.

A. Rose, local agent of the Union Pacific has received advice from Mr. J. P. Cummins, General Passenger Agent at Portland, that very low round trip fares, at reduction of approximately forty percent of the regular fare, will be in effect from points east of the Rocky Mountains to destinations in the Pacific Northwest. The dates of sale will be November 1st to December 22nd, inclusive, with final return limit of January 25th 1933. This will afford opportunity for visitors from the East to spend Thanksgiving and Christmas holidays with relatives or friends in the Northwest at very low expense for rail transportation.

As previously announced, those in the Northwest who desire to spend Thanksgiving or Christmas holidays "Back East" will also have the benefit of very low round-trip fares. Tickets will be on sale commencing October 29th and continuing at frequent intervals up to and including December 21st. Return limit February 28, 1933.

### Plain and Fancy

"The study of the occult interests me very much," remarked the new boarder. "I love to explore the dark depths of the mysterious, to delve into the regions of the unknown, to fathom the unfathomable, as it were, and to—"

"Let me give you a little more of this stew, Mr. Smith," interrupted the landlady.

**Cash Aspect of Romance**  
"Youth calls to youth," the poet says, And it's a good thing, too; If youth did not, the telephones Would bring less revenue.

**Happy Days**  
Secretary (directing attention to phone call): "Here's the receiver, sir."  
Business Man: "Well, show him in. But I had hoped to get along without having one appointed."

### An Inference

During a history lesson the teacher pointed out to the class that a surname often indicated the trade of the ancestors of those who bore the name. He gave the obviously simple examples of Smith, Taylor, Baker, and others.

Then he questioned one of the boys: "What were your ancestors, Webb?" "Spiders, sir."

**Sign of Recognition**  
Barber: "Haven't I shaved you before, buddy?"  
Soldier: "No. I got that scar in France."

**25% INCREASE** In Instruction Costs!

Will Result if the Proposed Zorn-Macpherson School "Juggling" Bill is Allowed to Pass!

The costly experience of 18 States, which have combined institutions, should be heeded by the people of Oregon in considering the so-called consolidation measure, which actually is only a costly and unneeded expansion, establishing 4 NEW schools and creating 2 NEW types of schools at taxpayers' expense.

The following graph, which is compiled from the authentic figures of the United States Office of Education for the school year 1931-32, will enable every taxpayer to prevent this increase in instruction cost, resulting from an experiment proposed by unknown interests.

### IS THIS ECONOMY?

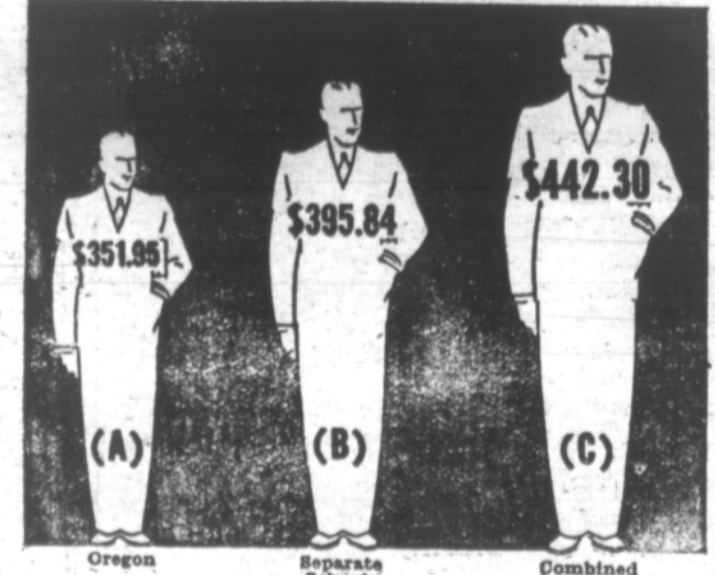

FIGURE (A) represents the present average low cost of instruction per student in Oregon. This cost is being continually reduced as a result of a unified system of instruction and management, which is now being operated at an annual saving of \$500,000 compared with previous costs.

FIGURE (B) represents the average instruction cost per student in the 17 States having separate institutions.

FIGURE (C) represents the average instruction cost per student in the 18 States which have combined institutions.

IF OREGON is forced to combine the University of Oregon with the Oregon State College, there would be an increase in instructional costs of \$90,000 each year per student, or over \$450,000 ADDITIONAL INSTRUCTION costs for a combined student body.
