The Dorcas society will have an all
day quilting with pot luck dinner at
the home of Mrs. Carl McKean, Wed-
nesday the 13th.

Ladies of the Community church
will give a turkey dinner Saturday
at noon at the Presbyterian church.

E. E. Kasberg was here Tuesday
on business from his home in Port-
land.

Virgil Conlee has decided to put to
practical use his knowledge of radios.
He has both studied and practiced
radio repairing for several years in
Portland and at home. Now he is
ready to go into the repair business.

Perry Johnston and family are now
located in the Hastings house for the
winter. Lewis Hastings and wife
have moved to Wasco.

E. L. Douglass of Wenatchee, Wa.,
was here last week end and Mrs.
Douglass returned home after a visit
with her parents here.

Wheat league visitors from a dis-
tance began dropping in Thursday
afternoon and informal meetings were
held by different groups.

Fred Pickett and family left for
Seattle last Thursday for the holi-
days and as there was a Ford meet-
ing being held there they remained
for a week.

Elmer Barzee is now driving a
brand new car.

Miss Flora Williams is working in
the post office in place of Mrs. Har-
vey Thompson.

Ralph Brisbane had the second
finger of his right hand removed at
the hospital last Saturday and it is
thought that the infection has been
stopped.

The Sunday night meeting of the
Keystone class will be held at the
home of Mr. and Mrs. Giles French.
Buddism will be the subject for dis-

Frank Emerson and wife were here
Monday to make final arrangements
for the wheat league meeting over
which Mr. Emerson will preside as
president.

Marshall Williams had a slight
automobile accident Tuesday morning
as he was crossing the street at the
intersection of First and Main
streets.

Hugh Chrisman made a trip to
Pendleton Tuesday with George Bar-
nard who entered the hospital there.

Mrs. Max Pluemko of Kent was an
over night guest at the Johnson home
Monday.

Local workers under the CWA are
now doing their six hours per on the
county road job in Brackett canyon
until another project can be approved
for Moro.

Elmer Hansen and wife of Golden-
dale spent Thursday here visiting
relatives.

The closing of school liberated the
out of town teachers for a short va-
cation which some of them are spend-
ing at their homes.

The pictures of wheat scenes on dis-
play for the wheat league are at-
tracting a large amount of attention
from local folks who recall the good
old days of steam threshing and the
early combines.

Miss Mabel Cothran is helping in
the light company office for a few
days.

T. B. Searcy has been quite under
the weather for the past two weeks,
confined to the house with an attack
of rheumatism and pluerisy.

BURNFT-POWELL

Miss Althea Powell, daughter of
Mr. and Mrs. Roy Powell, and Charles
Burnst, son of Mr. and Mrs. Frank
Burnst, were married Friday in

and drastic milling regulations. At
the 1st of December Italian wheat
was selling in Genoa at \$1.84 per
bushel on the basis of current ex-
change. Prices in local currency held
practically unchanged from the first
of August until the first of Novem-
ber. After fluctuating over a range
of about 6 cents per bushel in Novem-
ber, prices showed a net loss at the
first of December of about 11 cents
per bushel in local currency as com-
pared with prices prevailing at the
beginning of the season.

CWA

Continued from page one.
Klondike district applicants will meet
at the school house in Wasco with the
members of the county committee
and sign or reject their contracts.
More applicants will meet at the
court house to sign. Perry Johnston
will be there. On Tuesday meetings
will be held at the Harlandview
grange hall, the Grass Valley grange
hall and the Kent grange hall with
members of the county allotment
committee in attendance.

As the deadline has been set for
December 29 it is necessary that all
make every effort to sign contracts
on the days specified, for this work
must be done in time now. Publica-
tion of the allotments will probably
be next week.

The increase of bushels in the
Sherman county allotment will in-
crease the amount of money to be
paid to farmers from \$319,000 to
\$340,000. The committee has consid-
ered the increase sufficient justifica-
tion for the delay and for asking
farmers to co-operate in signing con-
tracts speedily in order to get under
the wire in time.

What about Sherman county any-
way?
Herewith is a road map of the
county showing general confirmation
and the roads. A few additions have
been made since the map was made.
A few statistics about the county
may be pertinent.
There are 456,051 acres of land in
the county of which 271,575 are class-
ed as tillable by the assessor. This is
the largest percentage of tillable land
of any county in the state and with
one exception Sherman county has
the largest number of acres under
plow of any county. Tillable land
averages in value \$21.22 per acre
here.
For livestock, there are 3,458
horses and mules, 4,314 cattle, 15,
037 sheep and goats, 2,197 hogs on
the assessment rolls.
The total valuation of the county

without the public service corpora-
tions is \$7,326,000 although it was
formerly over \$11,000,000. The pub-
lic service corporations in the county
are valued at about three million
dollars.
Sherman county raises wheat. The
average crop is 2,440,000 bushels per
year for the past ten years and the
largest crop on record is one of
3,600,000 bushels. As the population
of the county is slightly less 3000-
2978 to be exact—the wheat crop
gives a very good per capita income
in normal times.
In the last census year, 1929, the
county produced \$2,090,198 worth of
field and orchard crops on 369 farms.
For the wheat allotment plan 343
farmers out of the 349 wheat growers
in the county signed applications.
They will receive about \$340,000
from the government for reducing

their acreage. The exact amount is
not known yet as contracts have not
been signed. This is almost \$1000 to
the farmer on an average.
Sherman county has five high
schools, Rufus, Wasco, Moro, Grass
Valley and Kent. Six rural schools
are in operation this year, but a
majority of them are transporting to
town schools. This county has the
largest property valuation per school
child of any county in the state be-
cause of its small population and val-
uable land. For each child there is
property valued at \$11,290 in the
county. This was in 1929. The state
average was \$4321.
Sherman county was one of the
first counties to become active in tax
reduction. All taxes were \$348,450
in 1929. They were reduced to
\$192,572 in 1932.
