HI-WAYS TO HEALTH
by ADA R. MAYNE
OREGON DAIRY COUNCIL

To be a perfect hostess is the secret ways of society. Dolly Madison's desire of every homemaker. Just learned the secret trick which made such a hostess as was Dolly Madison a charming example of the person, the famous first lady of the land, first hostess--this was her cooking. Without a doubt she knew that while most folks enjoy Emily Post to guide her in the enjoyment of a variety of entertainment,

Scenes and Persons in the Current News

1--Scene 12 miles south of Seattle, Wash., during the floods that prevailed in eight counties and drove thousands from their homes. 2--Merrillids at Venice, Calif., welcome the New Year as usual. 3--Mrs. Roosevelt presenting to Mrs. Edward F. Hutton the United-States Flag association's cross of honor for work in the crusade against crime.

they also loved good food--food made tasty with plenty of butter. Just as butter was the secret of Dolly Madison's entertaining, it is still the secret of delicious foods as the sweet, natural taste of butter blended with other foods produces a flavor which cannot be duplicated. What, for example, would Southern fried chicken, steaming baked potatoes or hot, crisp waffles be without butter? Butter cake, butter cookies and butter sauces, as well as butter on vegetables, and breads of every kind all suggest the importance of butter in preparing tasty meals. Besides this delicate flavor, butter is an excellent food. It is the most practical, palatable and dependable food source of vitamin A, that vitamin which aids in building a health reserve in the body. Butterfat is the only food fat which contains any

considerable amount of vitamin. Vitamin A is necessary for growth and contributes to the health and vigor of adults and children alike. A surplus of vitamin A serves not only as a reserve supply to be used in case of shortage of the vitamin but as an active agent in resisting diseases, especially colds. A delicious and easy to prepare dish using butter is this Apple Tart recipe: Mrs. Brown's Apple Tart One cup flour One-half cup brown sugar One-half cup butter Peel and slice apples into a shallow baking pan. Season with sugar, a few grains of salt, cinnamon and a bit of nutmeg. After mixing the flour, sugar and butter together, put it over the apples and bake in a quick oven. Serve hot or cold with whipped cream.
