Curry the Seattle Optometrist who has made professional visits to Moro for years and is known for good Optical work at reasonable prices will again be at the Hotel Moro Friday, June 8, for one day. Eyes Examined, Glasses Ground and Fitted. Will be at Grass Valley Thursday, June 7. Will be at Wasco Saturday June 9.

Joe Truitt has closed his barber shop and moved his equipment out of the building. Joe is now working on the land measuring crew. There are several reports as to who is going into the building but none of them have been substantiated.

Mrs. Fred Pickett received word Tuesday morning that her mother had died suddenly at the family home in Seattle. The Picketts left Tuesday morning for the sound city to attend the funeral.

Miss Reatha Sayers left Sunday for Portland to remain a few days visiting with relatives.

Mr. and Mrs. T. B. Searcy returned from the hot springs Monday after a stay of a couple of weeks.

Mrs. Otis Baker was in Portland for several days the past week, returning Wednesday to her home.

Mrs. Hazel Woods and son, Lyle left last Saturday for Corvallis to attend the graduating exercises of Oregon State college. Ethan Woods is one of the graduates. After the ceremonies they will continue through southern Oregon before returning home.

Mr. and Mrs. Walter Ruggles and Mrs. Elva Bryant left Sunday for Monmouth, expecting to stop at Mosier for Mrs. E. A. Race, who will accompany them. Miss Laura Ruggles and Charles Race, are graduates at Monmouth this week.

Mr. and Mrs. M. A. Bull and Mr. and Mrs. George Meloy, jr and family visited in Wallowa over last week end with Hollis Bull and wife.

George Bourhill is reported to be improving at the hospital in The Dalles.

Ralph Brisbine is organizing a legion baseball team which will play a Marine legion team at the picnic in Dufur June 17.

Land measurers for the county allotment committee laid off Thursday because of the shower that wet the grass and grain the night before.

J. B. Adams and George Williams were the adults who were with the Moro foresters at Bonney Crossing the first of the week and Homer Belshee, Mrs. Lynn Bowersox, Mr. and Mrs. Sereno Hall

Gift From Lebanon Starts for U. S.

A young cedar, now ten feet high, from the grove from which Solomon selected wood for the temple in Jerusalem, starts on its journey to the White House lawn in Washington, where it will be planted.

and Miss Gertrude Kruger accompanied the Harlandview group.

Miss Dorothy Foss is one of the graduates from Monmouth normal in the June class. She will teach at Rufus next year.

Mrs. Robert Hoskinson was hostess to a group of ladies Wednesday afternoon. A luncheon and bridge was the entertainment.

D. E. Stephens left Wednesday morning for Corvallis on business for the station. He will return Friday in time to lead the visitors around the station the following day.

Marion McKee left Monday for Portland and Corvallis to attend a meeting of the drug board of the state to which he was recently appointed by Governor Meier. Examinations for new druggists will be given by Mr. McKee. Carroll Saunders of The Dalles is behind the counter during the absence of the owner.

Moro Community, Harmony and Grass Valley Baptist Sunday schools are holding a joint picnic at the Grass Valley park, Saturday, June 9, beginning soon after 10 o'clock. This will be a reward for those who have faithfully attended Sunday school during the last year, according to Martin Meizer, local superintendent. A program of games and contests is being planned for the children and young people. Dinner is at noon.

Any who have no way of transportation are asked to see their teachers, or the minister, Lawrence H. Mitchelmore, before Saturday.

A light smattering of rain fell in Sherman county Wednesday night and Thursday morning, about enough to lay the dust for a few hours or until the winds came up. No particular aid was derived from the rain except that it cooled this atmosphere and gave the wheat a taste of what it has been needing.

Ray Templeton returned to Moro this week from Madras where he has been attending school.

Harry Ragsdale is spending a few days in Hillsboro visiting with his sister, Mrs. Evelyn Searcy.

The maintenance crew of the state highway department were driving a new truck this week all emblazoned with the seal of the highway division.

Washington, Montana, Oregon and Idaho during the past year include 4616 land loans for \$15,341,443 and 9430 Land Bank Commissioner loans for \$17,274,695.

Application for farm mortgage loans through the land bank at Spokane is made to the secretary-treasurer of the national farm loan association, loan correspondent serving the area in which the farm security is located. A post card request for information addressed to the Federal Land Bank of Spokane, Wash., will bring complete information on how to apply.

How To Reduce Safely Told

The reducing diet is always a subject of interest among women because one of the attributes of charm is a slender youthful bodily contour. This is not only decreed by fashion but because good health demands it.

Starvation diets and other harmful methods in the field of weights control are taboo as health is too often impaired when these practices are followed. The safe way to reduce or gain weight is the "balanced diet" method with proper exercise or rest depending on the requirements of the individual.

The reducing diet like the normal diet must contain all the food elements needed by the body. A quart of fresh milk, fruits and vegetables and eggs - the "protective foods" - should form the foundation of the reducing diet because these foods provide essen-

tial vitamins, minerals and proteins necessary to maintain good health.

Fresh milk, because of its abundant food value, has been considered by many people fattening. Actually, it is a low calorie food, because of its wealth of vitamins and minerals it furnishes more effectively than any other food, the dietary essentials so often lacking in low calorie reducing diets. Fresh milk supplies vitamin A, B, D, and G, lime and phosphorus, and has an excellent protein for building repairing body tissues.

A quart of fresh bottled milk or butter milk every day should be included. This may be taken as a beverage or cooked in food. In order to "balance" your reducing diet be sure to use daily 1 quart of fresh milk 2 fruits (1 citrus or tomato) 3 green vegetables, especially the green and yellow variety Use at least one raw vegetable daily 1 egg if possible each day.

In addition to the foods listed above every person should get plenty of sunshine during the summer months and take some source of vitamin D. It is now possible to get vitamin D milk which is a very desirable way of getting this important vitamin into the diet. If vitamin D milk is not available, the next best source is cod liver oil.

"Slenderize then with fresh milk" the beauty method of weight control, because fresh milk provides better than any other food the vitamins, minerals and proteins that promote natural beauty

and youthful bodies.

A booklet on Safe Weight Control will be sent upon request to me at Citizens Bank Building, Portland, Oregon.
