MORO SCHOOL NOTES
by Anita Kenny
The Senior class held its first
meeting Tuesday morning. The
purpose of the meeting was to
elect officers for the year. Those
elected were: Gordon Fraser, pres-
ident; Richard Barnes, vice pres-
ident; Gayle Amidon, secretary; Or-
val Thorgerson, sergeant at arms.
Six weeks examinations are be-
ing taken by the students this
week.

Last Friday the Moro volley ball
team played the team from Rufus
with the final score of 21 to 13
for Moro. As this was one of the
most important games of the sea-
son, the victory makes the girls
very optimistic as to their chance
for the county championship. Ruf-
us led by five points at the end
of the first half, but during the
second half the Moro girls, aided
by a shouting student body, rallied
and won by a large margin. The
line-up was: Dorothy Fraser, Gene-
vieve Nabouse, Doris Thompson,
Melba Thorgerson, Mary Pinkerton,
and Gayle Amidon. The only sub-
stitution was Gertrude Gillmor for
Doris Thompson.

This Friday the "Huskies" will
play the "Honkers" from Arling-
ton on the home field. Let's all
go and support our team!
The Sophomore class will enter-
tain the student body with a dance
Friday night.
Winford Baker, from Goddard,
Kansas, is a new student in the 8th
grade.
The girls of The Junior High
school held a cake sale at Conlee's
last Saturday. The proceeds from
the sale are to go towards basket
ball suits.

AMERICA SWINGS to the FORD V 8
TODAY a V-8 is no longer the privilege of the wealthy alone. But only in one car priced under \$2500 will you find a V-8 engine and the smoothness of V-8 performance. That car is the Ford V-8.
And the thousands upon thousands of people who drive the Ford V 8 are getting a real driving thrill. Acceleration that whisks them out of any traffic pinch. Power that seems absolutely endless. More speed than is probably ever needed.
More than that, Ford engineers were not satisfied until they had made the Ford V-8 the most economical car that Ford has ever built—actually more economical than a four.
Step out of the dealer and look this car over at close range. Notice its many features from the safety of an all steel body to the comfort of sun visors for your eyes. From the strength of a Torque-tube Drive to the convenience of a dashboard package compartment.
Then drive it—and find out in a few exciting moments why all America is swinging to the Ford V-8!
