Grass Valley Defeats Kent At Basketball

By Janet Wilcox

The Grass Valley Team defeated the Kent basketball team 55 to 27. This game was preceded by a game between the grade school teams of the two schools. The final score of this game was in favor of Grass Valley.

The next basketball game will be played Wednesday against the Rufus teams. These games are expected to be very interesting because the two teams are very evenly matched. They will probably decide the championship of the county since Moro may be forced to drop out because of illness in the school.

Rachel Poley, a former student of the Grass Valley high school, visited school Tuesday, to see how her old school mates were progressing.
