Dr. Derfinger of the department of animal industry of the state was here Wednesday for a short time while on his way to Grant county to continue testing for Bang's disease.

Favorable Future Seen In Farm Business Trend

Despite some counter-seasonal decline in several lines of industry from December to January, partly owing to exceptionally cold weather, indications are that business conditions will continue relatively favorable through 1936, says the monthly review of farm price, cost and demand conditions just released by the OSC Extension Service. Industrial output made an unusually sharp advance during the last part of 1935, the increase in factory payrolls being over 15 per cent from July to December.

The U. S. index of factory payrolls stood at 76 per cent of the 1926-1930 average in December compared with 68 for the whole year 1935, 61 for 1934, 48 for 1933 and 46 for 1932. The strength of consumer purchasing power is an important factor in the trend of farm prices, although the supply of the various products and other factors also influence farm price trends.

The report contains considerable data on price trends of various farm commodities produced in Oregon, listing in this way altogether more than 60 products.

CHURCHES

Christian Science

Christian Science church services are held every Sunday morning at 11 o'clock and on Wednesday evening at 8 o'clock.

The subject of the Lesson-sermon at the Christian Science church for Sunday morning, March 1, at 11 o'clock will be CHRISTI JESUS.

Golden Text: Isaiah 9:6. Unto us a child is born, unto us a son is given; and the government shall be upon his shoulder.

Responsive Reading: Isaiah 53 10; 53:1-6, 7, 11, 12.

The Reading Room in the back of the church building, is open at all times, where the Bible and all authorized Christian Science literature may be read, purchased or borrowed.

The public is lovingly welcomed to all services.

Community Presbyterian Church

11 a. m. "Christ's Program," the first of a series of sermons on the theme: "During the Lenten Season, Think On These Things."

7 p. m., "New Indian Trails," motion pictures of the Indian work in the Southwest, will be shown during the "school of world friendship."

Adult, high school and junior Christian Endeavor Societies are continuing the study of friendship toward others. An offering for missions is planned.

10 a. m., Sunday school with C. J. Thompson, general superintendent.

Friday, February 28, at 2 p. m., "World Day of Prayer" will be observed with a service of fellowship of worship and prayer at the church. The theme is "On Earth Peace, Goodwill Toward Men." Rev. Lawrence Mitchelmore is the leader, with the Woman's Missionary society as sponsor.

Wednesday, 2:45 p. m., Spiritual Life group; Thursday, 7:45 p. m., Final evening of study in "The Life of Christ" at the manse.

Grass Valley Teams Win Basket Games

By Janet Wilcox

The basketball teams journeyed to Wasco in the school bus Friday night to play the Wasco teams. The final scores, in favor of Grass Valley, were the girls game 19 to 6; the boys game 49 to 19.

Grass Valley defeated Rufus in the Grass Valley gym Wednesday night. The final score of the girls team was 26 to 20. And in the boys game was 32 to 19. Before the game and at time outs the Pep Band under the direction of Mr. Rowe played several selections. Between halves of the boys game the Girls League supervised by Miss Hickson did a marching drill, forming both the letter R and the letter G. After the games, refreshments were served by the Girl's League to all players and members of the faculty. At this time speeches were made by the coaches, the cap-

tains of the teams, and the county school superintendent.

The last game of the basketball season will be played at Moro February 25. This will be a very decisive game because so far both of the Grass Valley teams have remained undefeated.

The Grass Valley boys are at the tournament today and hope to be tomorrow. The squad consists of Bill Roth, Edwin Peters, Ferdinand Stark, James Blagg, John Roth, Clarence Young, Billy Alsop and Guy Vinton.

Hubby—Why do you feed every tramp that comes along? They won't do a lick of work for you.

Wife—I know they won't. But it certainly is a relief to watch a man eat a meal and not find fault with the cooking.
