The Masonic lodge became the official sponsor of the local Boy Scout troop Tuesday night at a formal ceremony.

Mr. and Mrs. Roy J. Baker attended the symphony concert in The Dalles last Sunday afternoon.

Moro School Notes

By Norma Melzer

Last Tuesday night the Moro basketball teams played their last games this season. They were played at Rufus, whose teams were both successful according to the score board.

The program at the band concert is quite unusual, and will be interesting to the audience. There are a few vocal acts from the band. The concert will be given at the Legion Hall Saturday, the 14th of March at 8 p. m. The proceeds from the concert will be kept until after the band trips this spring have been paid for. Then a percentage of what is left will be given to the student body. The reason for the latter is due to the fact that all the money from the band concert and high school program last fall was given to the band.

Work toward the Senior ball is coming along splendidly. The gymnasium is closed to all but Seniors helping decorate it.

Report cards were distributed Tuesday and those on the honor roll are Barbara Belshe, Dorothy Fraser, Robert Gillmor, Lois Melzer, Mary Pinkerton and Doris Thompson.

The school play which is to be given the first part of May has been picked and the cast has started rehearsing.

The Senior Class has finally decided to take as their motto, "We Finish to Begin."

CHURCHES

Christian Science

"SUBSTANCE" is the subject of the lesson-sermon at 11 o'clock Sunday morning, March 15th, at the Christian Science church on Main street.

Golden Text: Proverbs 3:9. Honor the Lord with thy substance, and with the first fruits of all thine increase.

Responsive Reading: Luke 12: 22-24, 29-34.

Wednesday evening meeting is held at 8 o'clock p. m.

In the Reading Room at the rear of the church, will be found the Bible, with all authorized Christian Science literature, which may be read, borrowed or purchased.

The public is cordially invited to attend the church services and to make use of the reading room.

Community Presbyterian Church 10 a. m., Sabbath school. Last Sunday morning the attendance of our school returned to normal. Let us seek to have 100 each Sunday before Easter.

11 a. m., "The Work and the Worker" will be discussed by Rev. Lawrence H. Mitchelmore. This is the third of a series of sermons on the theme, "During the Lenten Season Think On These Things."

All-Steel Hoppers---

An Important Improvement in McCormick-Deering Grain Drills

McCormick-Deering 14-7 Grain Drill.

ALL-STEEL Hoppers on McCormick-Deering plain grain drills—that's the big drill news now. Come in and let us show you this real improvement in a real line of drills. They will drill more accurately and last longer than ever before because the steel hoppers combine with the strong steel frame to hold the feeding mechanism in correct alignment.

The new hoppers on these McCormick-Deering Drills will not sag, warp, split, or rot—they are made of rust-resisting, heavy-gauge steel containing copper. They are water tight and grain tight—you can pour grain into them without spilling it on the ground.

Improvements have been made in the feeds, too, and there are roller bearings in the fully enclosed end axle boxes. Whatever kind of drill and attachments you want, we can furnish it.

Harry Jr. is a crackerjack distiller, if I do say so

I've got three boys—counting in my son-in-law Tom—that I've taught everything I ever picked up in a lifetime of distilling. And those boys are right with me putting everything they've got into our own Family's Whiskey. Harry Jr. is the one at the left on the label—I wanted you to see his picture so's you'll know him. Now when you taste our Family's Whiskey and learn how smooth and all it is, you'll know why.
