

M.E. Church Is Scene Of Wedding

Interesting Items Of Local News In And Around Wasco

The M. E. church was the scene of a wedding ceremony Sunday, May 3, when Mrs. Nellie Dunning, daughter of Mrs. M. E. Knox became the bride of August Lofstrand. Rev. R. T. Cookingham officiating. The bride was dressed in a white satin gown. Mrs. James Monroe, daughter of the bride was her only attendant and James Monroe acted as best man. Spring flowers made an attractive setting for the event. Miss Margaret Johnson played the wedding march. Following the ceremony a wedding dinner was served at the home of the bride's mother, after which the newly wedded couple returned to their home in Yakima.

Mr. and Mrs. Donald Banta and children of Vernonia visited at the home of Mrs. Banta's parents, Mr.

C. A. Howard To Speak At Rufus Commencement

The Senior class will bid Rufus high school farewell, Saturday, May 30, when the annual commencement exercises will be held in the school auditorium. Ida Coats holds the distinction of being valedictorian of the class, and Margaret Macnab fills the place of salutatorian. C. A. Howard, Superintendent of Public Instruction, will deliver the address. We feel very fortunate in having been able to procure such a distinguished speaker. Other members of the graduating class are: Josephine Bryant, Howard Burnett, Marjorie Morris, Tom Macnab, Thelma Dingle, and Shirley Eakin. Class night will be held the same night as eighth grade graduation, May 26, and it is then that the humorous side of graduation, such as the class will and class prophecy will be presented.

Last Friday night, May 1, eleven new members were initiated into the folds of the Wolf Pack, the Lettermen Club. The new members are: Howard Burnett, Josephine Bryant, Thelma Dingle, Albert Thompson, Ina Jones, Lila Morris, Dick Wiley, Fred Bryant, Lois Wilson, Peter Macnab and Velma Eakin. After the initiation, the evening was spent in dancing until twelve o'clock when refreshment consisting of ice cream and cookies were served. Twenty six letters were awarded and pins were given to each of the eleven new members. The members of the Senior class had a fine chance to show their ability as public speakers as each Senior was requested to say a few words while at the table. Lynden Guilford, president of the Wolf Pack, also spoke.

This week the bulletin board in the hall has proven of great interest to many, especially the civics class whose work is displayed. A number of graphs representing the taxing system of Oregon are pictured, which are the work of various students of the civics class. In the center is a large graph, compiled by a number of students, which shows, in percents, the amount of money spent for various fields in the state. The smaller graphs are arranged around the larger one. Through the use of pictured statistics the civics students have learned to more easily assimilate facts which are brought before them.

The civics class was recently honored by a visit from Dr. Parr who is working with the State Department of Education. The members of the civics class held a panel discussion on the subject of education and Dr. Parr offered many helpful suggestions. The discussion was held from the standpoint of a statement which read that too much money was being spent for education, and that a person should get only what education he could pay for; and there are too many fads in education and not enough of the so called three R training. There was also a great deal of discussion as to which is the most valuable, social or technical training; and to which should the student attribute most of his success in life.

Marie Mathieson, second year typist from Rufus, won first in the county contest held at Moro May 29, with an average of 56 words a minute to her credit. Clara Mathieson placed third in the first year division.

All of Section Nine, except the north half of the northeast

Two cents a whack and the fallow stays "black"

With the 36-foot weeder hitch--such as this picture suggests--the 74-inch gauge "Caterpillar" RD6 Tractor is cultivating 9 acres of fallow per hour, on only two and one-half gallons of low cost fuel! At current Diesel fuel prices, this figures to a fuel cost of less than 2 cents per acre. Give any of the four sizes of "Caterpillar" Diesels proper loads--and you'll enjoy similar savings. Not only on weeding--"Caterpillar" Diesel Tractors are moldboard plowing steep land on less than one and one-fourth gallons of fuel per acre. And they're pulling combines on as little as 10 cents of fuel per hour!

Get the facts! The "Caterpillar" Diesel is the one that has proved able to perform steadily through busy seasons at lowest upkeep--to make big fuel savings count. These Diesels are beating the best records of the gasoline "Caterpillar" Thirtys and Sixties, for low repair cost. Sales records tell the story of "Caterpillar" Diesel supremacy--Caterpillar Tractor Co. builds and sells more Diesel tractors than all other makers put together!
