**STOP TAX RAIDS ON YOUR HOME OR FARM**

Year after year more taxes are piled on your home!

Will your home be next?  
Tax delinquency in Oregon is now \$46,510,724.53!

So long as you remain silent, the burden you are forced to bear will increase. When you cannot pay, the tax raiders will grab your property. Thousands of parcels have already been taken and today one out of every three homes and farms is liable to confiscation. This tax raid on property must be stopped NOW!

Desirable settlers shun Oregon

Oregon's future is at stake! The west is now a mecca for great numbers of home seekers. They refuse to settle in a state that endangers property owners with unlimited taxation on real and personal property. Oregon will be out of the race for the growth and prosperity now open to western states, unless she offers the protection these settlers demand and can have now, elsewhere.

The Tax Limitation Bill is your way to rightfully limit the increase in taxes that can be made against your home or farm without your approval. It is up to YOU!

Homes, farms are gobbled up!

Each new expense charged to property lessens your chance of keeping your own home or farm. Allowed to prey upon property owners without limit, the tax raiders demands are becoming impossible to meet.

It's time to call a halt!
