"Be sure you need a piece of equipment before you invest in it."

Air Mail Has Best Year In Its History

The greatest air mail year in its history was recorded by Oregon in 1936 when its citizens sent 229,329 pounds of correspondence over the airways, it was reported today in official figures released by Postmaster Jay C. Freeman.

The record breaking total represented a gain of 13,323 pounds, or more than six per cent, over Oregon's 1935 air mail volume. Of the total, 197,470 pounds were dispatched from Portland, 10,532 pounds from Pendleton, and 21,327 pounds from Medford, at the three points in Oregon at which air mail planes stop.

Still further gains in the speed of air mail service, plus added schedules and a continued growth of the nation's vast airway network are expected to contribute to even larger air mail loads in 1937, Postmaster Freeman said.

OLD MAN TROUBLE

By Lawrence H. Mitchelmore.
"And ye shall know the truth and the truth shall make you free."—John 8:32.

It is possible to insulate the home against fire hazards. A home may be so constructed that cold or heat never seem unpleasant. But no home whether small or great can keep some trouble from entering.

"All kinds of trouble haunt me," groans the discouraged man or woman. The complaint is true. There are but three kinds and he has them all.

There are troubles that never happen. A large part of life consists of this sort. We imagine that others are gossiping about us. We imagine the disasters that are sure to come. We imagine that so-and-so has insulted us. We suspect that our neighbor is plotting against us. For such difficulty it is well to realize that good happens more easily than evil in God's world. Jesus Christ promises that if we know the truth derived from a simple faith in Him, such troubles will no longer be ours.

There are troubles that come upon us through no fault of ourselves. The present disasters taking great toll of life and property in the East cannot be entirely the fault of those who suffer. Crops do fail, sickness does come, friends do prove false, but there will be less trouble if we meet dishonesty with honesty, slander with forgiveness and unkindness with kindness. If we know the truth as found in God's Word we discover that all things do work together for good to those who love Him.

Then there are troubles we bring upon ourselves. Isn't it true that some people are in trouble where-ever they work? They revolt against life and against God's will. Sometimes we fail to respect the rights of others, sometimes we make compromises with wrong, sometimes we stubbornly refuse to listen to older experiences. Trouble comes into life as a natural result. But there is a promise for the trouble we bring upon ourselves, "Ye shall know the truth and the truth shall make you free."
