

Past Noble Grands Meet In Wasco

Mrs. Wesley Wilde and Mrs. Maud Akers were hostesses at the home of the latter Wednesday with a dessert luncheon followed by cards at two tables. Guests were members of the Past Noble Grand club and prizes were won by Mrs. George Wilde and Mrs. Jessie Amos.

Kent and Wasco played softball here Thursday the home team being defeated by scores of 12 to 10 for the boys and 26 to 12 for the girls.

Dorothy Johnson, daughter of Mr. and Mrs. John T. Johnson was married to Charles R. Baker of Boise, April 7, according to word received here. Miss Margaret Johnson, sister of the bride, was an attendant.

Mr. and Mrs. Dick Yocum and children spent Saturday night with J. M. Yocum and wife at Mosier. Sunday they motored to Hood River with Mr. and Mrs. I. H. Brock returning with them as guests.

Mrs. Ray Barlow and son Beryl of Eugene returned Monday following a visit of three weeks with her parents Mr. and Mrs. J. R. Johnson.

Mrs. H. A. White was a Portland visitor last week.

Among the Knights of Pythias attending the district convention of District No. 7 in The Dalles Tuesday evening were E. D. Mcpeer, John McClure, Angus Cameron, John Robinson, B. W. Guy, G. C. Andrews, T. A. Cross, Bruce Millard, H. H. Brackett, Arnold Brady and Fay Brackett.

The auxiliary of the American Legion met Wednesday afternoon at the Legion hall.

The Misses Dorothy and Donna Knox were entertained on their birthday anniversary in The Dalles as dinner guests of their grand parents, Mr. and Mrs. John Byers. Townsden members met Wednesday evening with W. A. Spencer as speaker. The meeting was followed by dancing and a chili supper.

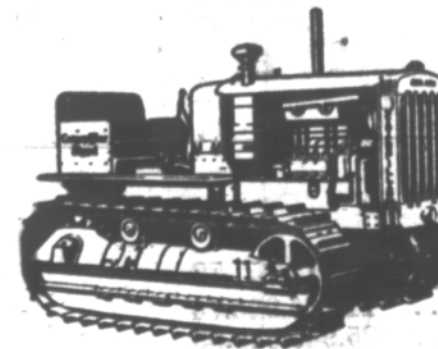

Wednesday the Everfaithful Sunday school class met with Mrs. Louis Walsh. Refreshments were served by Mrs. Wesley Wilde, Mrs. Grant Armsworthy, Mrs. Robert Kaseberg, followed by sewing.

Mrs. Homer Dixon and Mrs. Estrelle Hailey visited in Dayville Tuesday, the former with her parents, Mr. and Mrs. Loring Stewart and Mrs. Hailey with relatives.

Among those attending the Glee club Monday evening in The Dalles were Miss Evelyn Scott, Mrs. Maud Akers, Mr. and Mrs. Wm. Mills and Rev. and Mrs. Douglas. Of interest here Saturday was the junior prom given at the school auditorium. The hall was festive in black and white checked streamers and a musical scene was cleverly arranged on the walls and stage. Punch was served by the committee in charge of the dance and all in all it was voted to be a very successful social affair by those attending.

The Woman's Study Club held its meeting Friday at the home of Mrs. Maud Akers during which officers were elected as follows:

NO SMOKING

"What goes up must come down" is an old saying that applies to most things . . . but not to tractor fuel. Smoke that goes up from a Diesel engine says up. It represents lost fuel that might have been converted to power. There's NO SMOKING in a "Caterpillar" Diesel. Correct design utilizes all the heat . . . leaves no half burned fuel to waste through the exhaust pipe to "go up in smoke." That's why "Caterpillar" Diesel owners save as much as a gallon of fuel per hour of work. That's why they report fuel saving of \$100 to \$500 per year over other makes of tractors used by their neighbors. Note the clean exhaust of "Caterpillar" Diesels you see in the field.

Homemakers' Exchange of Helpful Household Hints and Recipes

Conducted by ELEANOR HOWE

When in a hurry, instead of rolling and cutting biscuit dough, simply drop into small muffin pans and bake as biscuits. It saves time and the biscuits are uniform in size.

Before putting fresh-cut flowers in a vase, cut the stems under water and leave under water for one-half hour. Flowers so treated will keep fresh much longer.

GINGER ALE ICE made the "agitated way" is a delicious treat; and it is so quickly frozen when made in one of the new easy-to-operate ice cream freezers. To make, dissolve 1 cup granulated sugar in 1 cup boiling water and cool. Add 1/2 cup lemon juice, 1/4 cup orange juice and 1 pint ginger ale. Assemble modern ice cream freezer. Pour the mixture into the freezing container; adjust dasher and cover tightly. Then fill the ice chamber with a mixture of chipped ice and salt. (Use 3 parts ice to 1 part salt by volume. Remember, the right combination of ice and salt is one of the factors that make for quick freezing.) When frozen, remove ice around top of container, carefully remove cover and lift out the dasher. Pack carefully with a spoon. Then cover container with wax paper and replace lid. Drain off water and replenish ice and salt mixture. Cover and allow to harden at least one hour before serving.

By turning partly-used jars of peanut butter, syrup, mayonnaise and so forth upside down, their contents will stay fresh longer. The lids, of course, must be screwed on tightly.

To separate lettuce leaves without breaking, cut out the core of the lettuce head; then hold the lettuce under cold water running rather forcefully, and gently loosen the leaves. Invert head to drain and press back to gather in original shape. Store in modern ice refrigerator to prevent rapid drying out.

Instead of using triangular-shaped pieces of toast when serving creamed chicken, try toast baskets. Just cut rounds of bread with cookie cutter, using three slices for each shell. Cut holes in two of them and place on first slice. Brush with melted butter and brown slowly under broiler. Then fill shells with creamed chicken.

A recipe for Butter Nut Balls: (Note: The mix for these cookies can be made up and kept on hand indefinitely in a modern air-conditioned ice refrigerator where it will not pick up the odors of other foods.) To make these cookies, cream 1 cup butter, add 1/2 cup sugar slowly and beat well. Add 2 egg yolks, 1 egg white and 1 1/2 teaspoons lemon juice; blend thoroughly. Then add 2 cups general purpose flour and 1/2 cup chopped nut meats. Chill well. When ready to bake, remove dough from ice refrigerator and shape into small balls. You will be delighted to find that the dough has remained fresh and pliable. Dip balls in 1 beaten egg white and roll in 1/2 cup ground nut meats. Place on greased cookie sheet and top each ball with a candied cherry or raisin. Bake in a moderately hot oven (365°) for 12 minutes.

U. S. National Bank Business Best In Years

The Dalles, Apr. 15.—At the call of the United States Comptroller of Currency as of March 31, 1937, the United States National Bank which has a direct branch in this city, reports deposits at the all-time high of \$115,928,233.99, or a gain of over 16 million dollars since the spring call of 1936. Resources increased to \$125,696,580.85, a gain of over 17 1/2 millions since the corresponding call of a year ago. Loans and discounts also showed a better than normal seasonal demand, increasing approximately six and one half millions to a total of \$25,949,545.56.

"We are gratified by the increase in demand for sound loans to care for the seasonal activities of farming and business equally as much as by the gain in deposits," stated C. R. Harding, manager of The Dalles Branch. "In short, money is turning over more rapidly. The fact that a greater amount of money is going into the bank and at the same time going out again in legitimate employment is the best indication of returning prosperity. We note in The Dalles a steady increase in deposits in keeping with the United States National as a whole, and we are also just as anxious and willing to make sound loans in this community as they are at the head office bank in Portland. For example, we are ever ready to welcome applications for loans for crop and livestock purposes, the purchase of farm implements and other needs that our farmers have; also for employment in local business enterprises and even down to the recurring needs of the individual and family. As an example of this, we announced several weeks ago that our bank would continue to finance the modernization of homes and other buildings on exactly the same terms as provided by the now discontinued Title One of the Federal Housing Act.

Hojack—Have you ever done any public speaking?
Cutajar—Only once, when I proposed to a girl over the telephone in my home town.
Son—Say, Dad, how do they catch lunatics?
Dad (gruffly)—With face powder, rouge, pretty clothes and a sweet smile, my boy.

Hopeful Miss—Dad, what is supposed to be the luckiest month of the year in which to get married?
Father—I don't know. That's something everybody must find out for himself.

Mrs. Homer Dixon, president; Mrs. Maud Akers, vice president; Mrs. Afton McIntyre, secretary; Mrs. T. L. Fields, treasurer.

Mildred Butler is visiting here with her mother, Mrs. Pearl Butler. Mrs. Homer Dixon and Mrs. Jesse Leonard were joint hostesses at the Dixon home Saturday for a surprise layette shower for Mrs. Frank Thomas. Many gifts were given. Frances Gorsline received high at bridge and Mrs. Wm. McKean at monopoly.

The camp fire group hiked to China Hollow Saturday where they enjoyed a camp breakfast together.

Mrs. Jack Chapman and grand daughter, Dolores of Portland were in town Friday as guests of Mr. and Mrs. W. D. Watkins. Dolores is staying with her grand mother at present.

Dinner guests at the Fred Fortner home Sunday were Mrs. Linden Lucas and daughter, Ann of Portland and Arline Morton of Heppner.

Mr. and Mrs. Jake Brock of Cooks are guests of Mr. and Mrs. S. J. Brock, a brother of the visitor.

Arline Morton spent the week end visiting with Hazel Marie Watkins. Mrs. Fred Blau and Miss Theima Parrar of Portland were visitors here last week with Miss Parrar also visited with her parents in Condon.

Mrs. J. F. Lamborn was hostess to members of the Tillicum club. After dessert luncheon members played cards with Mrs. Shearer holding high, Mrs. Lawrence Funk second and Mrs. Hull low.

Junior Grey visited at Redmond over the week end with his father Charles Grey.

The Garden Club held its regular meeting at the home of Mrs. Marie Barnett Cooper.
