Kent Auxiliary Gives Prizes In Poppy Contest

On Sunday May 2nd Mr. and Mrs. Willy Knighten, Mr. and Mrs. Frank von Borstel and Mr. and Mrs. Theo von Borstel motored to Maupin to attend a meeting of the American Legion and auxiliary at which the Department President, Blanche Jones, of Sherwood was

the principal speaker. The Auxiliary ladies led the Senior Play patrons in patriotic songs Saturday night after which Poppy Poster winners were announced as follows: 3rd division, Donald von Borstel, 1st; 2nd division, Oneita Flint, 1st; Frank von Borstel, 2nd; 1st division, Margherita von Borstel, 1st; Jackie von Borstel, 2nd; Carsten von Borstel 3rd.

Twelve members from Kent attended the luncheon at Wasco Wednesday, May 5th where Blanche Jones and Mae Waters of Salem talked.

On Wednesday May 12 the regular meeting of the Auxiliary was held at the home of Mrs. Laura Sather. Plans were completed for the Poppy dance to be held at the Legion hall May 29.

On Wednesday May 5th the ladies of the Frank E. Brown post at Wasco were hostesses to a luncheon given for the Auxiliary mem-

bers of the entire county. Covers were laid for 35 in the tulip decorated dining room of the Fraternity hall. Girl Scouts served.

The meeting was conducted by Donald Knighten, district president. Each unit gave a report of its year's work. Mrs. Blanche Jones department president, and Mrs. Mae Waters, department vice president, talked on the various phases of Auxiliary work. All Sherman county units were complimented on the accomplishments during the year.

Mrs. Jones talked on Mother's Day after which each unit president introduced the World War Mothers from her unit and presented each with a gift from the unit.

Mrs. Margaret von Borstel was present from the Kent unit. Mrs. N. W. Thompson, Mrs. W. J. Martin and Mrs. Lena Searcy from the Moro unit, and Mrs. Lee, Mrs. Morrow, and Mrs. Stone from the Wasco unit.

In closing a lovely compact was presented to the Department president, Mrs. Jones.

The "Caterpillar" Diesel Engine is full-diesel while starting while running.

An independent gasoline engine not only furnishes positive power for turning the diesel, but also heat for warming it up. This starting method permits of an engine design that places no limitations on operating economy in order to accommodate the starting system.

The "Caterpillar" diesel engine is in no way complicated by starting mechanism.
